JANUARY SESSION

FIRST DAY OF JANUARY SESSION, 1950

Council Chambers, Court House, Brampton, Jan. 17, 1950.

Peel County Council met at 2 p.m. in accordance with the Municipal Act.

The meeting opened with singing the National Anthem.

Dr. M. M. Fletcher, Warden of Peel County for the year 1949, presided, and requested the Rev. Wm. Weir, of St. Andrew's Presbyterian Church, Brampton, to take charge of the devotional exercises.

A vote of thanks to Mr. Weir was moved by Mr. J. A. McLaughlin.

Dr. Fletcher addressed council and welcomed the members to the first meeting of the year. He then turned the meeting over to the clerk.

The clerk informed the council that the following members had filed certificates with him, and would make up the council of the county for the year 1950.

ALBION	R. M. Lavery	Reeve
	George E. Holtby	Deputy Reeve
CALEDON	Harvey M. Speers	Reeve
	John Scott	Deputy Reeve

BOLTON	O. J. Hardwick	Reeve
STREETSVILLE	G. A. Montemurro	Reeve
	G. F. Skinner	Reeve
PORT CREDIT	J. C. Saddington	Deputy Reeve

The clerk informed council that their first duty was the electing of a Warden.

Moved by J. A. McLaughlin, seconded by I. W. Kellam—That in the election of Warden the course to be pursued shall be as follows:

1. That the names of all the candidates shall be given to the Clerk immediately and a vote taken on each candidate in rotation, and the candidate receiving the majority of votes of all members present shall be declared elected. In the evnt that no candidate receives a majority vote, the name of the candidate receiving the lowest number of votes shall be omitted from the next vote and the election continued in this way until some candidate has received a majority vote. Then every candidate, who has been voted upon and dropped shall be pitted against the said candidate who received a majority vote in the first voting and a majority vote in each case shall prevail until only one candidate is left who shall be declared elected. Carried.

Moved by J. A. McLaughlin, seconded by Fred Hostrawser—That D. S. Dunton, Reeve of Toronto Township, be Warden for 1950.

Moved by G. A. Montemurro, seconded by O. J .Hardwick—That R. M. Lavery, Reeve of Albion Township, be Warden for 1950.

There being no more nominations, on motion by G. F. Skinner the nominations were closed.

Each of the candidates addressed Council and Mr. Lavery asked that his name be withdrawn.

The Clerk then declared Mr. D. S. Dunton, Warden of Peel County for the year 1950.

The Warden was conducted to his chair by his mover and seconder, and subscribed to the oath of office, before Mr. A. G. Davis, K.C.

The Clerk asked that D. Fletcher address Council before the Warden-elect took over his duties. Dr. Fletcher presented the Warden with a gavel.

The Warden then thanked the members of Council for the honor thus bestowed upon him and expressed his desire for their co-operation in conducting the affairs of the County for the present year.

Each member present assured the Warden of their entire support and expressed their confidence in his ability to fill the office of Warden of Peel County.

The Warden called upon the officials, and several in the gallery for a few words.

Moved by Fred Hostrawser, seconded by W. Wilkinson—That a Committee of five be appointed by ballot to select the Standing Committees of County Council for the year 1950. Carried.

On motion the Warden appointed Mr. J. M. Fraser and Mr. R. J. Wilson, to count the ballots for the Standing Committee. Mr. Wilson stated that the ballots reported as follows:

MARCH REPORT OF THE HEALTH AND WELFARE COMMITTEE

To the Warden and Council of the County of Peel.

Your Committe on Health and Welfare beg to report as follows:

1. We recommend to the Finance Committee that the Health Unit Budget be adopted at $44,000.00, and that the County levy for $22,000.00 for 1950.

2. The Health Unit carried on its various programmes during the month as usual. Comment might be made on the following:

Immunization: During the month a considerable amount of immunization was done in various schools. The following were visited for this purpose: McHugh, Central, Claireville, Toronto Gore 6, Our Lady of the Airways, Malton Victory, Dixie, Cooksville, Queen Elizabeth, Forest Avenue and Riverside. Altogether 566 inoculations and vaccinations were performed in the schools.

In addition another 137 immunizations were done in the Well-Baby Clinics.

Well-Baby Clinics: Eighteen clinics were held during the month. The heavy snowfall of February 14th reduced attendance for the succeeding two weeks so that the total for the month of infants and pre-school children was 251.

Home Visiting: During the month our nurses made a total of 691 home visits. Of this number 117 were to infants under one month of age and 106 to infants between one month and one year of age. Twenty-four demonstration infant baths were given. The proportion of time spent in home visiting of infants for health supervision has progressively increased.

Food Control: The accent during the month has been on food control with 87 eating establishment inspections and 34 dairy visits during which 79 raw and 37 pasteurized samples of milk were taken for analysis.

General Sanitation: With the colder weather the number of complaints has been reduced. However, the basement of one house in Toronto Township and a house in Brampton were condemned and placarded as unfit for human habitation.

Annual Report: The 1949 Annual Report has passed the proof-correction stage and will be published within the next week.

Adopted March 9th, 1950.

G. A. MONTEMURRO,
Chairman.

D. S. DUNTON,
Warden.

MARCH REPORT OF THE ROAD COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Roads beg to report as follows:

1. We have a letter from the Orangeville Chamber of Commerce enclosing a copy of a resolution asking that No. 10 Highway be improved. We recommend that this Council endorse this resolution.

2. We have a letter from Jackson & Partridge, solicitors for the Township of Toronto, requesting County Council to pass a By-law confirming By-law No. 1459 of the Township of Toronto. We recommend that this By-law be laid over to the May session of County Council, this being the first session of Council after the legal time limit, set by the Municipal Act.

3. Your Road Committee went to Streetsville and examined the County Road on February 17th. We instructed the Engineer

to have the holes filled in the pavement as soon as possible, and to advise the Village Council that it would be their work to level up the sewer trench. We recommend that the surface treatment on the Streetsville Road be repaired as soon as possible in the spring.

4. Your Committee also inspected the Fourth Line West, south of Huttonville. Mr. Blair had appeared before County Council and complained of a lack of drainage. We recommend that the Engineer have the drainage improved by cleaning out the ditch and installing a larger culvert.

5. We recommend that tenders be called for supplies and materials for the County roads, tenders to be opened at the April meeting of the Road Committee.

6. We recommend that the mill rate for County Road purposes for the year 1950 be set at five mills.

7. Your Committee called for tenders for a motor grader equipped with snow plow. Several tenders were received and after long and careful consideration decided to purchase an Adams grader, turning in one of the caterpillar graders for an allowance of $1,500.00.—Lost.

Amendment to "Clause 7" that we purchase an Austin-Western Grader.—Carried.

Adopted March 9th, 1950.

R. M. LAVERY, Chairman.

D. S. DUNTON, Warden.

AND RESOLVED that this Council now adjourn to meet again on June 22nd, 1950, or at the call of the Warden.

Warden.

The Warden thanked the members of Council for their cooperation in transacting the business of the County at this Session.

After singing the National Anthem, Council adjourned.

HENRY H. RUTHERFORD, D. S. DUNTON,
Clerk. Warden.

To the Warden and Council of the County of Peel.

Gentlemen:

Pursuant to Section 89A of the Assessment Act I wish to report as follows:

The Townships of Caledon, Chinguacousy and Toronto Gore, the Town of Brampton and the Village of Streetsville are using the county system of valuation for local assessment purposes. The Township of Albion and the Village of Bolton have made a complete valuation but did not use it for local purposes. The Village of Port Credit made a complete valuation with the exception of Industrial properties to the end of 1947. The Township of Toronto have completed the work once over with the exception of Industrial properties but have not been able to keep up with all the new buildings built during the past year.

In preparing the figures for equalization the totals as made by the assessors were used as a basis for all the Municipalities except for the Township of Toronto and the Village of Port Credit the value of the Industrial properties and the increased value for new buildings was estimated.

Proposed Equalization Schedule—1950

Municipality	Local Assess. Land and Buildings	Equalized Assess. Land and Buildings	Business Assessment	Total Equalized and Business Assessment
Albion	$1,483,410	$1,473,055	$ 5,870	$1,478,925
Caledon	2,446,588	1,778,618	27,375	1,805,993
Chinguacousy	4,744,061	3,450,388	47,320	3,497,708
Toronto	9,067,195	13,395,713	1,527,985	14,923,698
Toronto Gore	1,209,860	863,948	71,295	935,243
Brampton	6,926,421	4,857,411	736,579	5,593,990
Bolton	361,675	397,664	40,284	437,948
Port Credit	2,012,287	2,391,032	348,381	2,739,413
Streetsville	677,825	476,361	68,336	544,697
TOTAL	$28,929,322	$29,084,190	$2,873,425	$31,957,615

I wish to express to the Members of this Council and to the Assessors and officials of the local municipalities in the County my sincere appreciation for their assistance and co-operation during the past year.

Respectfully submitted,

JOHN G. HOOPER,

County Assessor.

(2) THAT this Council is willing to have the Equalization of Assessment in case of appeal made by the County Judge.

PASSED this 11th day of May, A.D., 1950.

HENRY H. RUTHERFORD, Clerk.

D. S. DUNTON, Warden.

BY-LAW NUMBER 1122

Being a By-law of the County Council of the County of Peel to confirm By-law Number 1458 of the Township of Toronto.

WHEREAS by By-law Number 1458 of the Corporation of the Township of Toronto passed on the 6th day of February, A.D., 1950, the following portion of road allowance, namely:

ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being in the Township of Toronto in the County of Peel and in the Province of Ontario, being part of Lot Four, Concession Four, East of Hurontario Street, in the said Township of Toronto more particularly described as follows: COMMENCING at a standard iron bar planted in the line between Lots Four and Five in the Fourth Concession east of Hurontario Street aforesaid where the same is intersected by the south westerly limit of an unopened road allowance between Concessions Four and Five; THENCE south forty-five degrees fifteen minutes east along the said south-westerly limit of road allowance between Concession Four and Five a distance of 600.12 feet to a standard iron bar; THENCE north thirty-eight degrees one minute east a distance of 66 feet to the north-easterly limit of the said unopened road allowance between Concessions Four and Five; THENCE north Forty-five degrees fifteen minutes west along the said north-easterly limit of unopened road allowance a distance of 600.12 feet to its point of intersection with the line between Lots Four and Five; Thence south thirty-eight degrees one minute west along the said line between Lots Four and Five a distance of 66 feet more or less to the point of commencement, described in the said By-law, was stopped up and closed and the conveyance of the soil and freehold thereof to the owners of the land abutting the same was duly authorized.

AND WHEREAS in the said By-law the fixing of the price for the sale of the soil and freehold of the said closed road was approved, ratified and confirmed and the Clerk and Reeve were duly authorized to execute and deliver to the adjoining owners a conveyance thereof.

AND WHEREAS the Municipal Act, R.S.O. 1937, Chapter 226, provided that no such By-law shall have any force unless and until confirmed by a By-law of the Council of the County in which the Township is situated, passed at an ordinary meeting of the Council held not sooner than three months nor later than one year after the passing of the By-law of the Council of the Township.

NOW THEREFORE, the Council of the Corporation of the County of Peel, by the Council thereof, enacts as follows:

(1) That By-law Number 1458 of the Corporation of the Township of Toronto, being a by-law to stop up and close part of the original road allowance running between Concession Four and Five, East of Hurontario Street in the Township of Toronto, more

particularly described in the preamble hereof and authorizing the sale of the soil and freehold thereof to the adjoining owners, passed on the 6th day of February, A.D., 1950, is hereby confirmed.

Passed in open Council this 11th day of May, A.D., 1950.

HENRY H. RUTHERFORD, D.S. DUNTON,
Clerk. Warden.

G. F. SKINNER, D. S. DUNTON,
Chairman. Warden.

JUNE REPORT OF THE GOOD ROADS COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Good Roads beg to report as follows:

1. We have a letter from the Chamber of Commerce of the Village of Streetsville asking the County Council if they could do anything with the County Road in the Village of Streetsville. We recommend that the Engineer write to the Village Council and advise them that the road is now being levelled and the holes filled. After this work is completed the road will be treated with asphalt and chips. We also recommend that a copy of this letter be sent to the Chamber of Commerce.

2. We have a letter from the Insurance Company advising us that they have the claim of Mr. Carmen Whaley settled for the sum of $47.45. We recommend that this be filed.

3. We have a letter from Messrs. Luxenberg, Levinter, Ciglen, Grossberg & Shapiro making a claim on behalf of Mr. Frederick Hayden. This claim has been sent to the Insurance Company and we recommend that the letter be filed.

4. We recommend that the Warden and Chairman be appointed to represent this Council to draw up an agreement with the Town of Brampton to improve Queen Street West. It was agreed in 1949 that the County would assist the Town in constructing a curb and gutter if they would leave the work until 1950. The Highway Improvement Act has been changed to some extent and an agreement between the Town and the County subject to the approval of the Dept. of Highways is necessary before any work is done.

5. We recommend that tenders be called for a tractor and loader. Tractor to be from 40 to 50 horse power.

6. We recommend that the Road East of Bolton follow the

route through Beamish's farm and north of Fuller's buildings, and that this road be surveyed as soon as possible so that the title may be obtained to the new road allowance. We also recommend that tenders for the bride at the east end of Bolton be called as soon as the plans are approved.

7. We recommend that a mile of road on the 6th line at Sandhill be repaired with consolidated sand or fine gravel base similar to the work being done on the King's Highway in various places.

Adopted June 22, 1950.

R. M. LAVERY,
Chairman.

D. S. DUNTON,
Warden.

REPORT BY THE COUNTY WEED INSPECTOR TO COUNTY COUNCIL, NOVEMBER 2nd, 1950

Reviewing the weed situation of the County of Peel I would like to report that I have spent over 46 days going over the County and owing to the prolific growth this season, the weeds thrived and seemed to be more numerous than they have in the past year or two. Therefore the situation did not look as good as it did last year.

I had various complaints from different parts of the County and interviewed all once and some twice and had fairly good cooperation in getting the weeds destroyed except in two or three cases.

The Department of Highways was slow in getting the weeds cut especially on Number 7 East and Dundas Highway but after phoning them and making a trip to the Department they finally got the job done but it was after some weeds had gone to seed.

There was more spraying done on the roads this year than in the past and on recommendation of the Department it was started earlier than in former years but I do not believe the early spraying showed as good results as spraying done a little later in the season.

Several farmers sprayed their crops and pastures and from what I can find out were very well satisfied where fields are not seeded.

I would recommend more spraying done along fence bottoms, wood piles, stone piles and any place where it is hard to get cutting done.

All of which is respectfully submitted,

M. H. McKENNA,
Peel County Weed Inspector.

Your Committee on Peel Memorial Hospital beg to report as follows:

1. The regular monthly meeting of the Directors of Peel Memorial Hospital was held on Thursday, November 16th, 1950.

2. Accommodation for Nurses is a very urgent problem but every possible solution is being explored in order that this problem may be solved in the most economical manner.

3. Continued increasing costs of operation are continually facing the Board of Directors but the said Board of Directors are steadfastly endeavouring to cope with the same and to increase revenue in every way possible providing the fees chargd are consistent with the services offered.

4. We recommend payment of the following Committee Fees and mileage.

REPORT OF THE TREE CONSERVATION COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Tree Conservation beg to report as follows:

1. We regret to have to report the inability of one of our members, Mr. McCaugherty, to attend our meeting owing to his having to attend a Milk Producers meeting.

2. We are pleased to report that there was very little activity in the lumber or wood business in the County during the past winter due to labor conditions. To our knowledge only two bushes were cut in the County during the past winter, one in Albion Township and one in Chinguacousy Township where Mr. Thomson of Alliston had purchased the maple and hemlock logs. Your chairman visited these bushes and everyone was very cooperative in regard to the terms of the by-law.

3. Your Committee regrets very much that our recommendation for the purchase of a tree planting machine has not been carried out, as one man at Caledon East was unable to get help to plant 5,000 trees he had received last spring, and would recommend purchase for next season.

4. Your Committee recommend the payment of the following Committee Fees.

John Graham, 1 day	$7.50

Mileage, 15 miles	1.50
	$9.00
John Anderson, 2 days	$15.00
Mileage, 27 miles	2.70

The Council of Peel County,
Brampton, Ont.
Gentlemen:

As your representative on the Board I have pleasure in submitting this review of secondary school affairs in the South Peel High School Area for the current year.

To refresh your memory, the South Peel Area has embraced the municipalities of Port Credit, the following School Sections in Toronto Township — Nos. 1, 2, 4, 6, 7, 8, 9, 11, 12, 16, 22, and 23 — and Streetsville. Streetsville S.S. No. 18 is withdrawing as of December 31, 1950, to enter the Central Area and we understand further that by resolution submitted this year to County Council by the Township of Toronto, School Sections 9 (Elmbank), 11 (Hanlans), 12 (Britannia), 16 (Creditvale), and part of School Section 10, are to be transferred to the Central Area making Burnhamthorpe Road the nothern boundary of the South Peel Area. If this is the case, steps should be taken to absolve these sections of any responsibility for debenture debt in the South Peel Area, otherwise they could be assessed from both ends. No doubt necessary provision has been, or will be made, but I thought I should bring the matter to your attention at this time.

Since this Board was formed three years ago the most pressing problem has been to accommodate the steadily increasing enrolment resulting from the unprecedented growth throughout the Area, particularly in that section south of the Dundas Highway. To meet this emergency, the Board in 1948 proposed a substantial addition to the existing Port Credit High School to increase accommodation to 800, and, eventually, the erection of a new building at Cooksville to accommodate 400. Negotiations with the various authorities concerned continued through 1948 and 1949 when a site for the new school in Cooksville was purchased. It is located on Centre Road, north of the Dundas Highway and almost opposite the Cooksville Public School, and consists of about eleven acres. Agreement on the Port Credit addition, however, was not achieved until early this yar, when we were free to authorize our architects, S. B. Coon & Son, Toronto, to proceed with detail plans and specifications. Tenders were called in September and contract awarded to the Hughes Construction Company who commenced work immediately. It is our fervent hope that it will be ready for occupancy by September, 1951.

At the same time, we instructed our architects to proceed with preliminary plans for the Cooksville High School for submission to the Department of Education at Queen's Park.

The addition to Port Credit High School provides the following new accommodation:

Gymnasium with necessary locker and shower rooms, and lavatories.
2 workshops
2 home economics rooms
5 class rooms
library
art room

with alterations to enlarge cafeteria and kitchen space, and make adequate provision for administrative offices.

The debenture issue for this addition is $388,000.

The proposed new building at Cooksville will include:

5 classrooms
1 library classroom
1 art room
1 room for agriculture-science
1 chemistry laboratory
1 home economics room
1 general shop
1 gymnasium

at an estimated cost of $390,000.

When this new accommodation is available South Peel High Schools will be in a position to offer courses in technical subjects and shop work, home economics, and agricultural science to those students who desire other than strictly academic subjects. Many students leave High Schools at the age of sixteen because their aptitudes are not along academic lines, and they do not contemplate going on to University. Such students will be able to select options in the technical courses offered and thus have the opportunity to acquire skills and training that will better equip them for the responsibilties of adult life and thus finish their schooling with a sense of accomplishment rather than one of frustration.

A crisis this year arose when the Cooksville Public School Board urgently requested that we give up one of the three classrooms in the Cooksville Public School used for High School purposes, to help meet their overcrowding problem. With the existing Port Credit High School facilities badly over-populated — classes are held in the auditorium, the cafeterias, and the library — we finally decided that temporary accommodation must be provided and during the summer a two-room portable was erected adjacent to Port Credit High School. This has taken care of those students formerly at Cooksville, and some new enrolment, but did not in any way relieve the over-all situation. So much for accommodation.

The cost of education has increased sharply during the past three years, reflecting the inflationary trend that has prevailed since the war. Higher salaries for teachers, for the caretaking and administrative staffs; higher cost of fuel, supplies, and services, and the cost of transporting students from the outlying section to the High Schools at Port Credit, to Cooksville and Streetsville, have inexorably raised municipal tax levies for secondary school purposes, despite increases in provincial government grants. That there is no relief in sight should be apparent, and it is a brave man who will attempt to predict how long the present trend will continue or what the end may be.

In the matter of teachers' salaries, for example, South Peel must be comparable with surrounding municipalities like New Toronto, Mimico, Etobicoke, Weston and York Township, and, in the end, the Toronto influence is inescapable. We must attract and hold efficient and progressive teachers in order to provide the best possible standards of education for our students who eventually must compete with students from Toronto and the surrounding communties already mentioned.

We are firmly of the opinion that you and the ratepayers will endorse this viewpoint, as in the final analysis our attitude to educational costs should be positive and realistic.

In this necessarily brief survey of cost I mentioned transportation, and think this should be enlarged on. The terms if reference by which the South Peel Area was created requird that provision be made to transport students from distant sections to the central schools. To cope with this the Board has established two bus routes contracting with private operators, and provides student bus tickets for those living along, and adjacent to, the lakeshore highway who can use regular transportation facilities.

Route No. 1 starts at the Burnhamthorpe base line to Burnhamthorpe, south on the Dixie Road to Dundas Highway, then west to Cooksville, then south on Centre Road to Port Credit High School; then north to cloverleaf and east on Queen Elizabeth Way to Dixie Road, then north to Dundas Highway, thence west to Cooksville High School.

Route No. 1 starts at Streetsville and south to Dundas Highway, through Erindale to Cooksville, thence south on Centre Road to Port Credit High School; then west to Mississauga Road and north to Indian Road, thence west to the Lorne Park Road and south to Lakeshore Highway; west through Clarkson to 5th line and north to Queen Elizabeth Way; east to Springbank Road and north with stops at Mississauga Road and Dundas Highway, and back to Streetsville.

These trips are reversed in the afternoons to return students to the scheduled stops nearest to their homes.

The changes in the Area will, of course, necessitate changes in the bus routes but not before next September as those students from the South Peel Area attending Streetsville High School, for example, will continue to go there under arrangement to be concluded with the Central Area Board, since there is no accommodation available for them until the Port Credit addition is completed.

The cost of this transportation for 1950 will run between $10,000 and $12,000.

Since its formation in 1948 the Board has endeavoured to administer the South Peel Area with vision and efficiency, having due regard for the sometimes divergent interests of the different sgmnts, yet striving at all times to avoid sectionalism. To provide the highest standard of education for the students; to achieve the fairest and most sensible compromise in allocating them to the existing school facilities; to select, in consultation with the teachers and principals, and retain, capable and progressive teachers—these have been our primary objectives and how well we have met them is for you and the community to decide. I honestly believe, however, that students, parents and the entire cause of education in the South Peel Area have been well served.

I have enjoyed serving as your representative, and it has been a pleasure to work with Messrs. T. H. Barrett, A. E. Oughtred and D. E. Rowbotham, appointed by Toronto Township, and Messrs. J. M. Burgess, Archie McCraw, and S. W. McDermott, appointed by Port Credit, Lakeview Public School Board, and Streetsville respectively.

If it is your desire that I continue in the same capacity through 1951 I am prepared to do so.

Yours faithfully,
C. R. HAMILTON.

AUDITOR'S COMMENTS

February 9, 1951

Warden and Council,
County of Peel,
Brampton, Ontario.

Gentlemen:

We have audited the accounts of the Corporation of the County of Peel for the year ending December 31, 1950, and submit herewith the following report, together with Statements listed on the Index.

Report

Capital and Loan Fund Section

Investment in Capital Assets, $202,988.19—The Investment in Capital Assets was decreased due to a reduction of $1,033.99 in the value of the County's interest in the Capital Assets of the Peel and Halton Home; and was increased by $1,146.49 due to an expenditure on construction of a vault in the Court House.

Revenue Fund Section

Cash in Bank, $17,495.26—The amounts of $6,345.90 in the General Account and $11,149.36 in the Road Accounts have been verified by direct communication with your bankers. All monies received are deposited in bank accounts in the name of the Municipality and all payments are made by cheque.

Accounts Receivable — Sundry, $554.24 — This represents charges for work done and for road material supplied to various people.

Due from Other Municipalities—$12,938.50—This represents charges against other municipalities for work done on boundary roads totalling $7,592.63 and sundry charges to other municipalities re Indigent Hospital Accounts and Children's Aid Societies totalling $5,345.87.

Due from Province of Ontario, $65,119.03—The estimated subsidy from the Province of Ontario on account of 1950 expenditures on the roads is $157,663.68 of which $96,112.14 was received in 1950 leaving a balance of $61,551.54 receivable as at December 31, 1950. The balance receivable from the Province of Ontario as at December 31, 1950, is made up as follows—Criminal Audit $3,303.83 and Weed Inspection $263.66.

Equity in Current Assets of Peel and Halton Home—50%

Interest, $8,152.13—This represents the County of Peel's interest in the Current Assets, less the Current Liabilities, of the Peel and Halton Home as at December 31, 1950.

Temporary Loan, $80,000.00—This Bank Loan of $80,000.00 has been confirmed by direct communication with your bankers. This loan has been arranged for the Good Roads System rather than for General County Purposes.

Accounts Payable, $4,001.73—This represents 1950 accounts which were outstanding as at December 31, 1950, and not paid until 1951.

Due to Other Municipalities, $370.75—This represents the portion of collections received from Indigent Hospital Patients, due to the responsible municipalities.

Due to Province of Ontario, $32.13—This represents a 1950 account due to the Department of Reform Institutions not paid until 1951.

Surplus, $11,702.42—Due to the fact that the forms now in use show Highway and Road Expenditures on the General Revenue and Expenditure Account rather than on a separate statement, we have consolidated the surpluses but we note below a detail of these items so that the portion of the account aplicable to Roads may be seen separately from the balance of the County General Accounts:

Deficit General Account as at December 31, 1949	$ 5,502.70	
Surplus Road Account as at December 31, 1949	2,431.38	
Net Deficit Recember 31, 1949		$ 3,071.32
Add:		
Adjustment of 1949 Accounts Receivable	37.20	
Good Roads Subsidy 1949—Received less than estimated	135.44	
		172.64
		3,243.96
Deduct:		
Adjustment of 1949 Accounts Payable	31.90	
Children's Aid Refund re 1948	128.10	

Superannuation Refund re 1949	73.16	
		233.16
		$3,010.80
Deduct Surplus for 1950		
General Account Surplus	14,887.32	
Less County Roads Deficit	174.10	
		14,713.22
		$11,702.42

Taking into account the above items which affect General Account and those which affect Road Account the above balance is made up as follows:

Surplus—General Account as at December 31, 1950	$ 9,580.58
Surplus—Road Acocunt as at December 31, 1950	2,121.84
	$11,702.42

Revenue and Expenditure—Statement of Revenue and Expenditure Account showing details of the items entering into the calculation of the Surplus for the year of $14,713.22 is submitted herewith. Due to the forms now in use in which the Surplus or Deficit for the year of the Good Roads System and the General Account are not separated we note below the breakdown of the Surplus for the year so as to show these two sections separately:

Surplus for 1950—General Account	$14,887.32
Deficit for 1950—Good Roads System	174.10
Surplus for year as above	$14,713.22

No payments have been received from municipalities within the County on account of revenue received for services supplied on property exempt from assessment and taxes.

Health Unit—Capital and Revenue Fund Balance Sheets and Statement of Revenue and Expenditure account of the Health Unit and the Health Unit Special Dental and Sanitary are included in this report.

Children's Aid Society—Statements of Receipts and Payments of the Children's Aid Society are included in this report.

Library Co-Operative—Statement of Receipts and Payments of the Peel County Library Co-Operative is included in this report.

AUDITOR'S CERTIFICATE

Subject to the report herein contained, I (we) hereby report that in my (our) opinion:

(1) All the explanations and information required have been obtained.

(2) The financial transactions which have come under (our) notice have been within the powers of the municipality.

(3) The audit has been conducted in accordance with the instructions of the Department of Municipal Affairs.

(4) The Balance Sheets, Revenue and Expenditure Account and Supporting Schedules are properly drawn up to exhibit a true and correct statement of the affairs as shown by the books of the municipality.

Peel and Halton Home

AUDITORS' COMMENTS

February 8, 1951

Board of Management,
Peel and Halton Home,
Brampton, Ontario.

Gentlemen:

We have audited the accounts of the Peel and Halton Home for the year ending December 31, 1950, and submit herewith the following report, together with the Statements listed on the index.

Report

Current Assets and Current Liabilities

Cash on Deposit—General, $2,943.62—All monies received are deposited in the bank account in the name of the Peel and Halton Home. We have verified the amount on deposit by direct communication with your bankers. All payments are made by cheque except petty disbursements made by the Superintendent from an Imprest Cash Fund of $25.00 charged to expense. No adjustment has been made in the Statements for the amount in the Imprest Cash Fund unexpended at December 31, 1950.

The total amount on deposit in the General Bank Account as at December 31, 1950, amounted to $5,804.55 but of this $2,860.93 represented prepaid maintenance for various inmates and this has been shown under the Trust Section and only the balance of $2,943.62 shown as a Current Asset.

Inventory, $13,960.45—Your Superintendent has supplied us with Inventory values of the clothing, food, livestock, etc., on hand as at December 31, 1950.

Current Surplus, $16,904.07 — The Current Surplus as at December 31, 1949, was $19,616.43. From this surplus as at December 31, 1949, has been deducted the deficit for the year 1950 amounting to $2,712.36 which gives a Current Surplus as at December 31, 1950, of $16,904.07.

Capital Assets and Liabilities

Land and Buildings, $85,670.00 — Land and Buildings have been placed at the same value as at December 31, 1949. The capital improvements and repairs made during 1950 have not been capitalized.

Building Additions, $29,055.36 — There were no further charges in 1950 on building additions.

Furniture and Fixtures, $8,655.25—Furniture and Fixtures are valued at $8,655.25, a valuation as supplied by the Superintendent. This is a decrease during 1950 of $2,614.23.

Farm Implements, $6,408.00 — Farm Implements are valued at the amount $6,408.00, a valuation as supplied by the Superintendent.

Capital Surplus, $129,788.61—Capital Surplus has been set at the value of the Capital Assets as these assets are fully paid for.

Trust Assets and Liabilities

General—Under various court orders, real and personal property of certain inmates has been vested in the Municipal Corporations of the Counties of Peel and Halton and, subsequently, the Counties of Peel and Halton have transferred their interest to the Board of Management of Peel and Halton Home. The Board of Management, in some cases, has realized on the assets and applied the proceeds in payment of maintenance of the inmats, and in other cases they are receiving the income from the assets which they have been applying to the maintenance of the inmates, or have been depositing in Special Trust Accounts for the inmates.

In some cases, proceeds from the realization of assets has not been deposited in Special Trust Accounts but has been deposited in the General Bank Account (See below).

A Supplementary Report is being submitted showing the detail of the assets held for individual estates.

Cash on Deposit, $2,115.47—Cash received on account of Special Trust Accounts is deposited in bank accounts in the name of "Peel and Halton Home—Special Trust Account," "Peel and Halton Home in Trust" and "Treasurer, County of Peel Trust Account." We have verified the amounts on deposit by direct communication with your bankers.

Cash on Deposit—Portion of General Bank Account representing Prepaid Maintenance for Various Inmates, $2,860.93—The portion of the General Bank Account which represents prepaid maintenance as at December 31, 1950, has been shown as a Trust Asset. We have verified the amount on deposit by direct communication with your bankers.

Dominion of Canada 3% Bonds, $1,500.00—Of these bonds a bond for $1,000.00 was not examined by us as it had been turned in for redemption and the proceeds shown as deposited in the Bank Account on January 9, 1951. The remaining $500.00 was a bearer bond and was examined by us.

Estates of Inmates—re Invested Funds and Unrealized Assets, $6,476.40—This represents the total assets held in Trust being administered by the Peel and Halton Home for the benefit of various inmates.

General

Statement of Revenue and Expenditure for Year Ending December 31, 1950—The Statement of Revenue and Expenditure for the year ending December 31, 1950, shows a deficit for the year of $3,312.17. Following the practice of former years, balances owing to the Home on account of any inmates and any accounts outstanding as at December 31, 1950, have not been set up.

Fidelity Bond—The following Fidelity Bond is in force:

John Gregg Hooper, Secretary-Treasurer	$5,000.00

AUDITOR'S CERTIFICATE

Subject to the report herein contained, I (we) hereby report that in my (our) opinion:

(1) All the explanations and information required have been obtained.

(2) The financial transactions which have come under (our) notice have been within the powers of the Board.

(3) The audit has been conducted in accordance with the instructions of the Department of Municipal Affairs.

(4) The Balance Sheets, Revenue and Expenditure Account and Supporting Schedules are properly drawn up to exhibit a true and correct statement of the affairs as shown by the books of the Board.

Good Roads

COUNTY OF PEEL

Expenditure on the County Road System during 1950.

To the Warden and Members of the Council of the County of Peel.
Gentlemen:

I beg to submit herewith the detailed statement of money expended in accordance with the Regulations of the Department of Highways of Ontario on the Peel County Road System during the period January 1st, 1950, to December 31st, 1950.

The tabulated statements, declarations, etc., required by the Department of Highways in submitting the petition for the subsidy have also been prepared and submitted.

The mileage of County Roads is 143.2 miles. The mill rate was 5 mills and the total expenditure including loans repaid of $288,000.00 was $606,817.95. The amount submitted for subsidy was $299,440.30.

Again maintenance was costly and will continue to be expensive. The use of our roads has increased greatly and the Spring break up left all roads in poor condition. The roads leading to Malton were subject to a greatly increased truck traffic, hauling materials, to construct new extensions to the runways.

The general public, including our own ratepayers, are demanding paved roads but the amounts you have been raising do not allow for anything but maintenance.

The main construction work was the completion of the new shed at Victoria, and the Golf Club bridge, Con. 1, East, Toronto and Chinguacousy Townships.

A detailed summary of the work done during the year follows.

N. L. POWELL, B.A.Sc.,
Registered Professional Engineer,
County Engineer & Road Superintendent.

GRADING EAST OF BOLTON

After further consideration of the various proposed routes for relocating this road, it was finally decided to follow the most northerly route back of Mr. Victor Beamish's buildings. This is all high land and the most direct route.

Mr. Frank Kitto, O. L. S., was instructed to prepare a Survey Plan and Tenders were called for Grading. Tenders closed October 8th, and later the work was deferred to the Spring of 1951.

The following Tenders were received:

Armstrong Bros., Brampton	19 cts. cu. yd.	$ 5,074.00
Otter Const. Co., Otterville	19 " " "	6,100.00
McDonald & Sullivan, Toronto	22 " " "	6,110.00

K. J. Beamish Const. Co., Toronto	40 " " "	11,310.00
Ellins Const. Co., Weston	44 " " "	12,410.00

Other items in the Tenders for Clearing and Grubbing and Compaction account for the variation in the total of Tenders. The estimated number of cubic yards was 25,000.

The work was awarded to the Low Bidder, Armstrong Bros. of Brampton.

The 1950 expenditures were for locating and staking the line of the Road.

GRADING—HUTTONVILLE WEST

Various ways of improving the narrow road fronting on the Park were surveyed in 1949 at a cost of $83.94, and a survey of the road ordered from Kitto & Death, O. L. S. It was decided to widen the old road. This was done except the corner opposite the School where the County had some difficulty in purchasing the land. It is expected that this will be cleared up in 1951.

RIX'S CULVERT EXTENSION

Chinguacousy Township, W. ½, Con. 2, East, Lots 27/28. There is a 16 ft. span concrete beam bridge with a 14 ft. roadway, west of the jog in the road, and it was decided to extend this bridge on both ends. The steel was ordered in 1949 but could not be delivered until October so Tenders were not called until 1950, and the steel was shown as in stock, in 1949, 2655 lbs., $134.63.

In 1950 Tenders were called. Two were received.

P. M. Finnegan, Weston	$1,892.00
John Paterson Const. Co., Brampton	3,220.00

The work was awarded to P. M. Finnegan, as were the Golf Club Bridge and Frasers Bridge. Owing to the shortage of help, Mr. Finnegan was only able to complete the Golf Club Bridge and the job was deferred to 1951.

CULVERT—CALEDON SIDEROAD

Near the Centre of Con. 1, East, Tnders were called in 1949 for a new Culvert. Five Tenders were received and the work was awarded to the Low Bidder, Ontario Bridge Company, of Toronto. It was late in December before the Culvert was completed.

The 1949 Payments were $741.46. See pages 72 and 73 Financial Report, 1949.

The 1950 Payments were as follows:

Ontario Bridge Company		
Concrete in place, 76.3 cu. yds. @ $19.00		$1,449.70
Excavation, 159.0 cu. yds. @ $2.50		397.50

GOLF CLUB BRIDGE

W. ½, Con. 1, East, Toronto & Chinguacousy Townships. This was a 50 ft. span steel truss, concrete floor, concrete abutments, 14 ft. roadway. The truss had been damaged by the flood in 1949, and was propped in the centre. The 1950 flood washed out under these. This bridge was in the estimates to be replaced but the flood made it more necessary than ever. Owing to the Diversion work in Brampton, it was decided to increase the span, and Tenders were called for a 60 ft. rigid frame concrete bridge with cantelever wing walls.

The following Tenders were received:

P. M. Finnegan, Weston	$11,720.00
A. Lothian, Alexandria	14,709.00
Patterson Const. Co., Brampton	17,930.00
Armstrong Bros., Brampton	18,100.00

The work was awarded to the Low Bidder, P. M. Finnegan, Weston.

It was found necessary to change the wing wall plans, and since they would encroach too much on private property, they were made parallel to the roadway. These changes increased the Contract price through increases in quantities of concrete and excavation by $3,000.00 making the total contract price $14,720.00. The bridge was completed except for painting the steel railing and grading the approaches. Enough fill was placed to put the bridge in use. The Contractor was very late getting the work done because of lack of help.

The following payments were made:

FRASER'S BRIDGE—BASELINE, E. ½, CON. 5, WEST

Townships of Toronto and Chinguacousy

This is an old narrow light steel bridge with a wooden floor.

Tenders were called for a new concrete bridge, 40 ft. span. The following Tenders were received:

P. M. Finnegan, Weston $6,240.00

Also a Tender from A. N. Pratt, of Laurel, but Mr. Pratt's Tender was not in accordance with the requirements of the Tender call. Mr. Finnegan had the Golf Club Bridge and was so late finishing it that this bridge was deferred to 1951.

RIVER DIVERSION AT ELDORADO

Lot 2, Con. 3 & 4, West, Chinguacousy

In 1949 it was found that the Credit River was changing its course, so $347.27 from the County and $187.13 from the Township of Chinguacousy was spent in removing a large gravel bar and cleaning out the Channel of the River. The gravel was built up in a bank to close off the new course, the river was following. The 1950 spring flood washed out this bank. It was decided to dig a new channel from the old main to the concrete bridge.

Tenders were called and six were received:

Hamilton Bros. Streetville	15cts. cu. yd.	$1,050.00
Onway Const. Co., Weston	19 " " "	1,330.00
Otter Const Co., Otterville	21 " " "	1,470.00
McDonald & Sullivan, Toronto	24 " " "	1,680.00
M. T. Mol Const. Co., Trenton	29 " " "	2,030.00
Armstrong Bros., Brampton	30 " " "	2,100.00

The work was awarded to Hamilton Bros. and was done late in 1950, but not paid for until 1951. In addition to the new channel as per tenders above, it was found necessary to have an agreement with the owners of the property where the new channel was excavated. The owners are Mr. David Morinis, of Toronto, and Mr. Wm. Roden, of Hamilton. Their deed requires that they cannot do anything to change the course of the river. In order to secure a rebase from this requirement before the channel was changed, the County agreed to construct a water hole for Mr. Wilson Fraser. This was in addition to the change in the river.

SIXTH LINE GRADING AND STABLIZATION

Clause 7 of the June Report of the Road Committee recommended that a mile of road on the Sixth Line at Sandhill be repaired with consolidated sand or fine gravel base.

The contract for hauling was let to Wallace Moffatt of Bolton, for loading sand at 20 cts. per cu. yd. and 10 cts. per yard mile for hauling; bank measurement.

The Chairman of the Road Committee, Roy Lavery, Reeve of Albion, sponsored this work and recommended sand pits in Con. 2, Lots 13 and 14. These pits were used but when opened up the sand would not pass the Dept. of Highways Tests, so considerable gravel was placed on the top to hold the sand.

Gravel, 1,792 cu. yds.	1,505.28
L. LaRose, 80 yds. gravel @ 15c	12.00
Cost	$3,615.43
There was at least 7 tons of Calcium Chloride used and not charged to this job—8 tons @ $35.42 on road	283.36
Actual Cost should have been	$3,898.79

The location of the work was opposite Lot 12, Albion and Lots 9 and 10, Albion south of Sandhill. About one mile including both sections.

The Account shows an additional amount of 660 cu. yds. gravel at a cost of $1,559.20, which should have been in Gravel Resurfacing, also an item of $30.00 for trees cut in grading the Sixth Line south of Woodhill. The Account, therefore, shows a total expenditure of $5,104.93 of which $3,614.53 is properly chargeable to this job, plus the Calcium Chloride.

EAST BOLTON BRIDGE

A new bridge over the Humber River will be required to complete the New Road. The river crosses the new line of road at a 50% angle and this required a careful survey of the proposed site and estimates of the cost of various types of bridges.

Cost of Survey .... $ 109.59

BRAMPTON CURB AND GUTTER

On Queen St. West, of McMurchy Ave., the street is a County Road, it was proposed to construct 2,870 lin. ft. of Curb and Gutter. After considerable discussion in 1949 and 1950 the County offered to build it, if the construction was in accordance with the Highway Improvement Act.

It was found that the work could be done and Tenders were called. One Tender was received but owing to an error in the advt.

the Tender was withdrawn. The advt. said 8,000 lin. feet instead of 2,870 lin. feet.

Tenders were called the second time and Armstrong Bros. at $3.00 per lin. ft. was the only bidder. This work was awarded late in the year so it was deferred until 1951.

JANUARY SESSION

First Day of the January Session, 1951

Council Chambers, Court House, Brampton, January 16, 1951.

Peel County Council met on the above date at 2 p.m. in accordance with the Municipal Act.

D. S. Dunton, Warden of Peel County for the year 1950, called the meeting to order and called on the Rev. J. A. McDermid, of St. Paul's United Church, Brampton, to take charge of the devotional exercises.

A vote of thanks to Mr. McDedmid was moved by Carmen Core and seconded by Fred Hostrawser.

Mr. Dunton then turned the meeting over to the Clerk.

The Clerk informed the Council that the following members had filed certificates with him, and would make up the Council of the County for the year 1951.

ALBION	J. E. Patterson, Reeve George E. Holtby, Deputy Reeve
CALEDON	John Scott, Reeve Edward Walsh, Deputy Reeve
CHINGUACOUSY	Fred Hostrawser, Reeve Wilbert Wilkinson Deputy Reeve
TORONTO TOWNSHIP	Sid Smith, Reeve Lloyd Herridge, Deputy Reeve
TORONTO GORE	J. N. Duncan, Reeve
BRAMPTON	J. A. McLaughlin, Reeve C. Carmen Core, Deputy Reeve
BOLTON	O. J. Hardwick, Reeve
STREETSVILLE	Dr. G. A. Montemurro, Reeve
PORT CREDIT	G. F. Skinner, Reeve J. C. Saddington, Deputy Reeve

The Clerk informed the Council that their first duty was the election of a Warden.

Moved by Fred Hostrawser—Seconded by W. J. Wilkinson:

That in the election of the Warden the course to be pursued shall be as follows:

1. That the names of all the candidates shall be given to the Clerk immediately and a vote taken on each candidate in rotation, and the candidate receiving the majority of votes of all members present shall be declared elected. In the event that no candidate receives a majority vote, the name of the candidate receiving the lowest number of votes shall be omitted from the next vote and the election continued in this way until some candidate has received a majority vote. Then every candidate who has been voted upon and dropped shall be pitted against the said candidate who received a majority vote in the first voting and a majority vote shall prevail until only one candidate is left who shall be declared elected.

Moved by J. N. Duncan—Seconded by Sid Smith:

That O. J. Hardwick, Reeve of Bolton be Warden for the year 1951.

Moved by Dr. Montemurro—Seconded by Carmen Core:

That J. A. McLaughlin, Reeve of Brampton be Warden for the year 1951.

Moved by E. Walsh—Seconded by G. F. Skinner:

That J. Scott, Reeve of Caledon Township be Warden for the year 1951.

Moved by G. E. Holtby—Seconded by Fred Hostrawser:

That H. E. Patterson, Reeve of Albion Township be Warden for the year 1951.

There being no more nominations, on motion of Sid Smith the nominations were closed.

Each of the canditates addressed Council and Mr. Scott and Mr. Patterson asked that their names be withdrawn.

The Clerk then asked for the vote on the first nomination which was carried and the Clerk declared Mr. O. J. Hardwick Warden of Peel County for the year 1951.

The Warden was conducted to his chair by his mover and seconded and subscribed to the oath of Office before Mr. A. G. Davis, K.C.

The Clerk asked Mr. Dunton to address Council before the Warden elect took over his duties. Mr. Dunton presented the Warden with a gavel.

The Warden then thanked the members of Council for the honor thus bestowed upon him and expressed his desire for their co-operation in conducting the affairs of the County for the present year.

Each member present assured the Warden of their entire support and expressed their confidence in his ability to fill the Office of Warden of Peel County.

The Warden called upon the Officials and several in the gallery for a few words.

Moved by Sid Smith—Seconded by L. C. Herridge:

That a Committee of five be appointed by balot to select the Standing Committees of County Council for the year 1951. Carried.

The Warden appointed Mr. N. L. Powell and Mr. D. S. Dunton to count the ballots for the standing Committee. Mr. Dunton informed the Council that the vote resulted as follows: Chairman: Hostrawser, Members: Duncan, Smith, Scott, and that a tie had resulted for fifth place and it was suggested that McLaughlin and Patterson sit on the Committee, six members, instead of five.

On motion Council adjourned to allow the Striking Committee to prepare their report, and after due deliberation brought in the report.

On motion the Report of the Standing Committee was adopted.

On motion Council adjourned until 10 a.m., Wednesday.

HENRY H. RUTHERFORD, O. J. HARDWICK,
Clerk. Warden.

Warden.

BY-LAWS

BY-LAW NUMBER 1154

A By-law to grant Imperial Oil Limited the authority to construct, operate and maintain pipe lines for the transmission of oil and petroleum products along and under certain lands in the County of Peel.

WHEREAS Imperial Oil Limited desires to construct one or more pipe lines together with related works and equipment necessary for the transportation of oil and its products (hereinafter called "the pipe line system") through certain portions of the territorial limits of the Corporation of the County of Peel.

AND WHEREAS Imperial Oil Limited has requested the Corporation of the County of Peel to grant to it the right, liberty, privilege and easement to construct, operate and maintain the pipe line system across, along and under certain of the roads and lands owned by the Corporation of the County of Peel.

NOW THEREFORE THE MUNICIPAL COUNCIL OF THE CORPORATION OF THE COUNTY OF PEEL, enacts as follows:

1. THAT Imperial Oil Limited, its successors and assigns, be and it is hereby authorized to construct, operate, maintain, inspect, remove, replace and/or repair the pipe line system at its expense and for so long as it desires to exercise the rights hereby granted across, along and under the roads and lands more particularly set out in Schedule "A" hereunto annexed and made a part hereof, the pipe line system to be laid under such roads and lands in accordance with standard pipe line practice and in conformity with specifications previously approved by the Municipal Engineer or such other person as may be appointed by the Corporation, upon the following terms and conditions, namely:

(a) That Imperial Oil Limited, its successors and assigns, will construct, repair and remove the pipe line system in such a manner as to cause a minimum of inconvenience to traffic.

(b) That Imperial Oil Limited, its successors and assigns, will upon completion of the construction of the pipe line system and of any replacement, maintenance, alteration, construction or removal work subsequent thereto fill in an excavations in the said road and lands and as far as practicable restore the surface thereof to the same condition as that in which it was found prior to the commencement of the work and to remove all equipment and rubbage, all to the satisfaction of the Municipal Engineer or such other person as may be appointed by the Corporation.

(c) That the construction, alteration, repair and removal of the pipe line system will be carried out without blocking or damaging existing drains.

(d) That except in the case of emergency at least twenty-four (24) hours' notice shall be given to the Clerk of the Corporation of the undertaking of any work hereby authorized.

(e) That the sum of $20 (Twenty Dollars) be paid by Imperial Oil Limited for the aforesaid authorization.

(f) That Imperial Oil Limited will protect, indemnify and save harmless the Corporation of the County of Peel from all claims, demands, loss, costs, damages and expenses which the said Corporation or its successors may at any time or times hereafter sustain or be liable for in consequence of the authorization hereby granted.

2. That the said authorization be confirmed by a Deed of Conveyance under the seal of the Corporation of a right, liberty, privilege and easement for the purposes aforesaid.

3. That this By-law shall come into force and take effect immediately upon the final passing thereof.

PASSED this 10th day of May, 1951.

HENRY H. RUTHERFORD, Chairman.

O. J. HARDWICK, Warden.

BY-LAW NUMBER 1155

A By-law to Equalize for County Purposes the Assessment of the Several Municipalities within the County of Peel for the year 1951.

WHEREAS under the provisions of the revised Assessment Act of the Province of Ontario, EVERY COUNTY COUNCIL, is required to equalize by By-law the assessment of several Municipalities of the County in order to produce a just relation between them for a basis of County Assessment,

THEREFORE the Corporation of the County of Peel, by the Council thereof, enacts as follows:

(1) That the Equalized Assessment of the several Municipalities of the County of Peel for the present year be as in the following schedule embodied herein:

Name of Municipality	Equalized Assessment Land and Buildings	Business Assessment	TOTAL
Albion	$ 1,463,394	$ 5,470	$ 1,468,864

Caledon	1,762,147	30,343	1,792,490
Chinguacousy	3,436,882	51,685	3,448,567
Toronto	14,537,917	1,717,385	16,225,302
Toronto Gore	870,512	74,800	945,312
Brampton	4,974,398	740,857	5,715,255
Bolton	406,621	59,820	466,441
Port Credit	2,624,153	377,722	3,001,875
Streetsville	505,135	80,450	585,585
TOTAL	$30,581,159	$3,138,532	$33,719,691

(2) THAT this Council is willing to have the Equalization of Assessment in case of appeal made by the County Judge.

PASSED this 10th day of May, A.D., 1951.

HENRY H. RUTHERFORD,
Clerk.

O. J. HARDWICK,
Warden.

I hereby certify the above to be a true and correct copy of Peel County By-law Number 1155, passed on the date and for the purpose above stated.

....,
County Clerk.

To the Warden and Council of the County of Peel.

Gentlemen—Pursuant to Section 86 -(1) of the Assessment Act I wish to report as follows:

The Townships of Caledon, Chinguacousy and Toronto Gore, the town of Brampton and the villages of Streetsville and Bolton are using the County system of valuation for local assessment purposes. The Township of Albion and Toronto and Village of Port Credit made a complete valuation with the exception of industrial properties but have not kept up with the new buildings. Therefore it was necessary to estimate the value of the industrial properties and the new buildings for equalization purposes.

The basis used for equalization for 1951 is the actual assessment of the six municipalities that used the County valuation for local purposes and for the other three municipalities the 1950 County valuation plus the estimated amount of increase they would have had if the County system of valuation had been used on the new buildings built since the 1950 assessment was made.

PROPOSED EQUALIZATION SCHEDULE—1951

	Local Assessment Land and Buildings	Equalized Assessment Land and Buildings	Business Assessment	Equalized Assessment and Business Assessment
Albion	$ 1,495,610	$ 1,463,394	$ 5,470	$ 1,468,864
Caledon	2,469,643	1,762,147	30,343	1,792,490
Chinguacousy	4,813,819	3,436,882	51,685	3,488,567
Toronto	9,744,845	14,537,917	1,717,385	16,255,302
Toronto Gore	1,243,625	870,512	74,800	945,312
Brampton	7,230,210	4,974,398	740,857	5,715,255
Bolton	590,725	406,621	59,820	466,441
Port Credit	2,255,705	2,624,153	377,722	3,001,875
Streetsville	736,266	505,135	80,450	585,585
Totals	$30,580,448	$30,581,159	$3,138,532	$33,719,691

The Townships of Toronto and Village of Port Credit are planning to use the County Assessment for local purposes for 1952, therefore next year it will not be necessary to estimate the equalized assessment as the actual assessments will also be the equalized assessment.

I wish to express my sincere appreciation for the co-operation received from the Councils and officials of the municipalities during the past year.

Respectfully submitted,

JOHN G. HOOPER,
County Assessor.

BY-LAW NUMBER 1164

A By-law to Authorize the Borrowing of $150,000.00 upon Debentures of the County of Peel for Construction and Improvement of Highways.

WHEREAS pursuant to the provisions of the Highways Improvement Act, R.S.O. 1950, Chapter 166, it is deemed advisable to raise by debenture the sum of $150,000.00 to meet the actual expenditure for the construction and improvement of highways in the County of Peel during the year 1951 under the said Act, upon the credit of the Corporation, to issue debentures therefor bearing interest at the rate of four per centum (4%) per annum, payable annually and to provide for the discount and the expenses incidental to negotiation and sale of such debentures;

AND WHEREAS it is expedient to make the principal of the said debt repayable in annual instalments during the period of ten years next after the date of issue of such debentures, of such amounts respectfully that, with the interest in respect of the debt, the aggregate amount payable for principal and interest in each year shall be as nearly as possible the same; subject to the statutory proviso that each instalment of principal may be for an even $100.00, $500.00 or $1,000.00 or multiple thereof, and, that notwithstanding anything herein contained, the annual instalments or principal and interest may differ in amount sufficiently to admit thereof;

AND WHEREAS the amount of the whole rateable property of the Municipality, according to the last revised and equalized assessment rolls of the local municipalities of which the County is composed, is $33,719,691.00.

AND WHEREAS there is no existing debenture debt of the Corporation.

AND WHEREAS more than two-thirds of the members of the County Council of the County of Peel present and voting hereon consent to the passing of this By-law;

AND WHEREAS by order date the   day of 1951, the Ontario Municipal Board has approved the purpose of the said borrowing and the passing of all requisite By-laws, including debenture By-laws;

THEREFORE the Council of the Corporation of the County of Peel, enacts as follows:

(1) For the purpose aforesaid the Corporation shall borrow upon the credit of the Corporation a sum not exceeding $150,000.00 and shall issue debentures therefor in sums of not less than $50.00 each. Each debentures shall bear interest at the rate of four per centum (4%) per annum payable annually and shall have coupons attached thereto for the payment of such interest.

(2) All the debentures shall bear the same date, shall be issued at one time and within two years after the date on which

the By-law is passed, may bear any date within two years and shall be made payable in annual instalments during the period of ten (10) years next after the date of issue thereof, and the respective amounts of principal and interest payable in each of such years shall be the amounts so designated in Schedule "A" hereto annexed.

(3) The debentures shall be payable as to both principal and interest in lawful money of Canada and may be made payable at such place or places in Canada as shall be designated thereon.

(4) The said debentures shall be sealed with the Seal of the Corporation and signed by the Warden or by some other person authorized by By-law to sign the same, and by the Treasurer. The said interest coupons shall be signed by the Treasurer and his signature thereon may be written, stamped, lithographed or engraved.

(5) Commencing in the year 1952 and thereafter in each year in which an instalment of principal of the said debt and interest become due, the Corporation shall levy and raise the specific sum shown for the respective year in the fourth column of the said schedule. Such sum shall be levied and raised by a special rate sufficient therefor, over and above all other rates, upon all the rateable property in the Municipality.

(6) The said debentures may contain a clause providing for the registration thereof pursuant to section 335 of the Municipal Act.

(7) Pending the sale of the said debentures, the Warden and the Treasurer may raise for the purpose aforesaid by way of loan on such debentures any sum of money not exceeding in all the sum hereby authorized to be borrowed and may hypothecate such debenture for such loan.

(8) The Corporation shall have the right, at its option, to redeem that portion of the said debentures maturing in the last year on any date prior to maturity at the places where and in the moneys in which the said debentures are expressed to be payable, upon payment of the principal amount thereof together with interest accrued to the date of redemption and upon giving previous notice of said intention to redeem by advertising once in the Ontario Gazette and once in a daily newspaper of general provincial circulation published in the City of Toronto, and once in a local newspaper, such notice to be advertised as aforesaid at least thirty (30) days before the date fixed for redemption. Notice of intention so to redeem shall also be sent by post at least thirty (30) days prior to the date set for such redemption to each person in whose name a debenture so to be redeemed is registered at the

address shown in the Debenture Registry Book.

Read a first time this Nineteenth day of June, 1951.

Read a second time this Nineteenth day of June, 1951.

Read a third time this Sixth day of July, 1951.

JULY REPORT OF THE LIBRARY COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Library beg to report as follows:

1. That the following members were present at the regular meeting held on Wednesday, June 20th, 1951. Col. R. V. Conover, I. W. Kellam, G. F. Skinner and C. C. Core.

After the reading of the minutes we had a report on the convention held at London at which Miss Stubbs, Col. Conover and G. F. Skinner were present.

One of the main subjects brought up at the convention was a proposed amendment to the Public Libraries Act of Ontario to allow for free County and District Libraries. We are of the opinion that this should be opposed and Col. Conover who is a member of the Central Executive feels likewise.

2. That the following Committee fees be paid:

J. N. DUNCAN. Leave Granted.

Fire Chief M. Gowland from Brampton was present and addressed Council re organizing Peel County for Civil Defence.

Moved by J. C. Saddington, seconded by C. Carman Core— And resolved that this Council recommend that the Fire Departments of the various municipalities of the County of Peel be organized under Deputy Fire Marshall Gowland in regards to National Defence and that any expenses incurred in connection with the organizational meeting be met by the County. Carried.

Moved by J. N. Duncan, seconded by C. Carman Core—That the Reeves and Deputy Reeves of each municipality be asked to attend the meeting of the Fire Chiefs of Peel County at the organization meeting to be held at Brampton, November 27th, 1951, at 8 p.m., and further that the Fire Chiefs be paid at same rate as County delegates. Carried.

Moved by J. C. Saddington, seconded by J. N. Duncan—Whereas many municipalities are having reassessments made which greatly increase the assessed values of all the properties within the municipality which in turn often reduces the grants to public school sections under the present Legislative Grants Regulations, and whereas in territorial districts special consideration is given whereby if the increased assessment is greater than 120 per cent of the assessment on which 1948 taxes were levied the basis for grant purposes is 120 per cent of the 1948 assessment.

Therefore be it resolved that the Department of Education be and is hereby petitioned to give the same consideration to southern Ontario as is given in territorial districts when making the regulations for grant purposes to Public Schools,

And be it further resolved that a copy of this resolution be forwarded to the Minister of Education, the local member of the Provincial Government, and to all County Councils in the province asking for their support. Carried.

3. We have a letter from the A. E. Wilson Company denying liability on behalf of the County re the claim of Mrs. Houston.

We recommend that this be filed.

4. We have a letter from the Board of Trustees of the Police Village of Malton asking that the shoulders of some of the County Roads in Malton be surfaced.

We recommend that this request be laid over until next year and the Engineer be instructed to send the Board of Trustees a letter stating the action taken by this Council.

5. We have a letter from Richard H. Pearson, Solicitor for Miss Clute, owner of part of Lot 6, Con. 2, N.D.S.T., complaining

about a ditch through her property. There is an award under the Drainage Act that should be completed very soon, and we recommend that the Engineer write to Mr. Pearson and give full information about the award.

6. We have a letter from the Village of Streetsville stating that four manhole covers have been covered by the new pavement at the south end of County Road in the Village.

We recommend that the Engineer be instructed to report at the next session, also advise the Village that the County will not accept any responsibility for any damages.

7. Under Section 28 Sub. Sec. 2 of the Highway Improvement Amendment Act of 1951, it is necessary to enter into an agreement with all Urban Municipalities to share the cost of maintenance of all connecting links. The Town of Brampton is the only Municipality in the County that has a connecting link—Queen St. West from Main Street to McMurchy Street. The County is to bear the cost on the centre twenty-two feet which is 62 3/10 per cent of the pavement.

We recommend that the Warden and Clerk be authorized to sign this Agreement in Triplicate. It has been signed by the Mayor and Clerk of Brampton.

8. Tenders were called for a new Truck to replace the KB7 International purchased in 1947. Tenders closed Oct. 15th. Only three tenders were received and new tenders were called to close October 29th.

The following tenders were received:

Giffen-Oshkosh Company, Toronto—		
One Oshkosh Four Wheel Drive Truck W212 Truck and 148 S.P. Frink Plow		$12,399.00
Additional equipment		361.15
A. M. Kerr Equipment Company, Toronto—		
One Model HR Four Wheel Drive Truck and 148 S. P. Frink Plow and additional equipment		12,723.70
J. A. McCleave & Sons, Brampton—		
International L194 Truck	$6,441.90	
	4,440.00	
Fully equipped		10,9881.90
W. E. Cooper Motors, Brampton—		
Ford Model F8. Fully equipped		5,100.00
Morrison Motor Sales, Brampton—		
Fargo Truck. Fully equipped		7,700.00
White Motor Company, Toronto—		
One Model WC22		6,396.00

The last four Tenders do not include the Frink 148 S.P. Snow Plow. This could be purchased for $2,700.00 plus our 118 S.P. Frink, that is four years old, and too light for a four wheel drive truck.

We recommend the purchase of an Oshkosh Truck No. W212 and Frink 148 S.P. Plow.

9. We recommend that a Supplementary Appropriation By-Law be passed for $85,000.00, making the total expenditure $710,000.00.

10. We recommend that the Toronto Township Water Commission be requested to see that their Contractors restore the ditches on the Third and Sixth Lines, where a new water main has been laid on the County Roads.

BY-LAWS

BY-LAW NO. 1171

A By-law To Provide For Additional Expenditure on the System of County Roads in the County of Peel, as Approved by Order in Council, During the Year 1951.

WHEREAS the Highways Improvement Act, Chapter 56, R.S.O., 1937, and amendments, requires that the Total Expenditure on County Roads and Bridges be provided for annually by County By-law,

THEREFORE, the Council of the Corporation of the said County, enacts as follows:

1. An additional sum of $85,000.00 is hereby appropriated from monies raised by levy, debenture and Government subsidy for additional expenditure on construction and maintenance of the roads and bridges under its jurisdiction during the year 1951 so that the combined schedule of expenditure under this By-law and By-laws number 1146 and 1153 will read as follows:

	Roads	Bridges and Culverts	Total
Construction	$343,000.00	$24,000.00	$367,000.00
Maintenance	270,000.00	15,000.00	285,000.00
Machinery repairs	1,000.00		1,000.00
New machinery	33,500.00		33,500.00
Miscellaneous	23,500.00		23,500.00
	$671,000.00	$39,000.00	$710,000.00

2. The said monies shall be expended under the direction of the duly appointed County Road Superintendent and on work performed in accordance with the Highway Improvement Act.

3. The Clerk shall transmit duplicate copies of this By-law to the District Office of the Municipal Roads Branch, Department of Highways of Ontario.

PASSED at Brampton, this fifteenth day of November, A.D. 1951.

REPORTS

DECEMBER REPORT OF THE EDUCATIONAL COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Education beg to report as follows:

1. We submit herewith the report for the year on education as presented by Mr. C. R. Hamilton, County Representative for the South Peel High School Area.

2. We recommend that no action be taken on the resolution of September 10th, 1951, as passed by the Toronto Township Council and forwarded to this Council for consideration.

The Committee feels that if any Government is asked to assume the entire costs of any service and upon being asked they did so then it is reasonable to expect that the said Government will insist on full control. Such a situation occurring would in the opinion of the Committee be a definite step backwards and a blow to our present system of democratic government which in these turbulent times should at all times be safeguarded.

3. The Committee is exploring the question of the Provincial Government assuming all capital costs only with no change in control and will report further on this at a later date.

4. The Committee recommends the re-appointment for the year 1952 of Mr. Grenville Davis as County representative on the Brampton High School Board and Mr. C. R. Hamilton as County representative on the South Peel High School Board.

Adopted December 13th, 1951.

J. C. SADDINGTON, J. A. McLAUGHLIN,
Chairman. Warden.

J. A. McLAUGHLIN,
Warden.

DECEMBER REPORT OF THE GOOD ROADS COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Good Roads beg to report as follows:

1. We have a letter from the Superintendent of the London

Division, Canadian Pacific Railway, requesting that Snow Plow Operators be particularly careful at all Railway Crossings.

We recommend a copy of this letter be sent to all Snow Plow Operators.

2. We have a letter from Messrs. Richardson and Shearer, Solicitors, for the Mellor Construction Company stating that they have been instructed to make a claim against the County for damage to a truck that was in collision with one of the County motor graders on September 15th. This claim has been referred to the Insurance Company.

We recommend that it be filed.

3. We also have a claim from Mrs. Geo. Bible for damage to her car amounting to $15.90.

This has been referred to the Insurance Company and we recommend that this claim be filed.

4. We have a report from the Canadian Good Road Association on their 1951 Convention.

We recommend that copies of this report be sent to the members of County Council.

5. We have finally secured a deed to the storage lot at Erindale. Tenders were called for a building 40 ft. x 60 ft.

We recommend that the tender of Streetsville Construction Company for a cement block building at $6,750.00 be accepted.

6. Tenders were called for wiring the new shed at Victoria yard. One tender was received, Mr. H. C. Silverthorn, amounting to $365.00.

We recommend that this tender be accepted.

7. We recommend that the County Engineer and the County Solicitor be instructed to secure information on widening of County Roads within one mile of Malton to 86 feet, and report to the January Session of Council.

Adopted December 13th, 1951.

J. N. DUNCAN,
Chairman.

J. A. McLAUGHLIN,
Warden.

DECEMBER REPORT OF THE REFORESTATION COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Reforestation beg to report as follows:

1. That the account from the Good Roads Department in the amount of $7.50 re delivering Tree Planter be paid.

Adopted December 13th, 1951.

G. E. HOLTBY,
Chairman.

J. A. McLAUGHLIN,
Warden.

DECEMBER REPORT OF THE PEEL MEMORIAL HOSPITAL COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Peel Memorial Hospital beg to report as follows:

1. The regular meeting of the Directors of Peel Memorial Hospital was held on Thursday, November 15th, 1951.

2. It is with satisfaction and pride that the Hospital Authorities advise that Peel Memorial Hospital has now joined with the Canadian Red Cross in the supplying of blood plasma. This means that Peel Memorial Hospital now makes no charge for blood transfusions and also that the Canadian Red Cross undertakes to supply free of charge the blood plasma required.

3. The Hospital has of necessity made a further revision in rates in order to meet continued increasing costs of operation. However the rates are still quite comparable with hospitals of like size. I assure you it is the desire of the Hospital Board of Directors to at all times, while supplying most efficient service possible, to keep hospital tariffs as reasonable as possible.

4. We recommend payment of the following committee fees and mileage:

J. C. Saddington	$10.80

Adopted December 13th, 1951.

C. R. HAMILTON

Port Credit, Ontario.

The Council of Peel County,
Brampton, Ont.
Gentlemen:

I have pleasure in submitting a review of South Peel High School Board affairs for the current year, the fourth year of the Board's existence during which time it has been my privilege to serve as your representative.

With the transfer, during the year, of certain public school sections to the Central Area, the South Peel High School Area now comprises School Sections Nos. 1 (Dixie), 2 (Cooksville), 4 (Erindale), 5 (Sheridan), 6 (Clarkson), 7 (Lakeview), 8 (Burnhamthorpe), 22 (Lorne Park), 23 (Queen Elizabeth) and Port Credit.

While the new addition to Port Credit High School is not yet completed, most of the class rooms were ready for occupancy in September enabling us to discontinue classes held in the Streetsville High School and in two rooms of the Cooksville Continuation School. All class rooms, including those in the portable built last year, are in use now and many classes are larger than they should be as the enrolment in September was 812. This has created some problems in organization and while arrangements are satisfactory now the expected increase in enrolment in September 1952 will certainly tax Port Credit facilities.

This emphasises the urgent need for the new high school to be erected at Cooksville the start of which has, unfortunately, been considerably delayed by a combination of circumstances, with which details I shall not burden you.

Owing to continued growth in the South Peel area as reflected in the increased public school enrolment it became obvious that the accommodation originally proposed would, in two or three years, be found inadequate.

In the circumstances, the Board decided that it would be folly to proceed with the original plan and submitted a new proposal to the Department of Education which was tentatively approved by letter dated April 16th, 1951. Approval was then obtained from the Township of Toronto, who must arrange for the debenture issue, and from the Village of Port Credit during June and the debenture by-law has since been submitted to the Ontario Municipal Board. Until all preliminaries are completed the Board are not in a position to authorize their architects to proceed with detail plans and specifications and call for tenders.

The revised Cooksville High School plan includes:

8 Class Rooms
1 Art Room
1 Library Class Room
1 Agriculture Room
1 Chemistry Lab.
1 Home Economics Room
1 General Shop
1 Gymnasium — Assembly
1 Cafeteria

at an estimated cost of $620,000.00.

When this new building is available South Peel High Schools will have accommodation for 1,200 students—about 800 at Port Credit and 400 at Cooksville, which should be sufficient for a few years at the present estimated rate of enrolment increase.

Circumstances have made it impossible to organize classes in shop-work, other technical subjects and home economics for the 1951-52 school year, but the Board has engaged a shop-work teacher to join the staff on January 1st, 1952, and he will proceed to organize courses and advise on the purchase of necessary equipment. We have also advertised for a home economics teacher to plan for these classes so both sections will be operating from September, 1952.

In my last report I referred to the increasing cost of education and this trend has continued through 1951. High salaries for teachers and for the caretaking and administrative staffs could not be avoided while the cost of transportation, which in 1950 was $9,900, has risen this year to $11,000 with 3 buses operating instead of 2. Transportation cost should be reduced somewhat when the Cooksville school is available.

In my opinion, for what it is worth, the time has come when consideration should be given to some new method of raising funds for educational purposes to relieve the burden on property owners, especially in areas like the south end of Toronto Township where unprecedented increase in population has made extensive school building programs necessary. In 10 years my municipal taxes have increased 125% mostly for school purposes and they will undoubtedly increase substantially again in 1952, which must be the experience of most of you gentlemen. What the answer is I do not know but it might be something for your committee on education to study.

The academic record in the South Peel area has been a source of gratification to the Board. In the Upper School examinations, for which papers are prepared and graded by the Ontario Department of Education, the pass results of South Peel students was 89.8% compared with the Provincial average of between 70% and 75%. In the lower school and term examinations written by the rest of the students between 83% and 85% were passes successfully, which is a tribute to our teachers and the industry of the students.

There are now 32 teachers on the staff of Port Credit High School under the principalship of Mr. W. J. Wood. During this term the staff was departmentalized with department heads for mathematics, languages, guidance, English, and commercial subjects. The departmental directors are responsible to the principal for the administration of their departments with regard to calibre of instruction and maintenance of suitable standards of each teacher in the department. Department directors as a group assist the principal in formulating and administering school policy in such matters as promotions, school activities, special or remedial classes, discipline, distribution of subjects, interpretation and adoption of regulations sent out by the Department of Education and, finally, to assume any special duties which the principal may find necessary to assign from time to time. With a staff of 32 and an enrolment of over 800, such organization is important for efficient conduct of school affairs.

During 1951 the Board held 12 regular and 4 special meetings, plus finance, academic, and transportation committee meetings and all members have given generously of their time to administrative affairs. How well we have succeeded is for you and the ratepayers to judge but, in my opinion, the interests of those sections comprising the South Peel High School Area have been efficiently served.

Yours faithfully,
C. R. HAMILTON, Vice Chairman,
South Peel High School Board.

AUDITOR'S REPORT

February 10, 1952

Warden and Council,
County of Peel,
Brampton, Ontario.

Gentlemen:

We have audited the accounts of the Corporation of the County of Peel for the year ending December 31, 1951, and submit herewith the following Report, together with Statements listed on the Index:

Report

Capital and Loan Fund Section

Debenture Liability, $150,000.00—During the year debentures of $150,000.00 were issued for Road Construction on the Sixth Line East of Peel County. These debentures will mature in 1961.

Investment in Capital Assets, $224,370.18—The Investment in Capital Assets was increased by an increase of $791.83 in the value of the County's interest in the Capital Assets of the Peel and Halton Home and by $20,590.16 due to expenditures on a new vault and additions to the Registry Office and Gaol.

Revenue Fund Section

Cash in Bank, $51,023.25—The amounts of $18,741.18 in the General Account and $32,282.07 in the Road Account have been verified by direct communication with your bankers. All monies received are deposited in bank accounts in the name of the Municipality and all payments are made by cheque.

Accounts Receivable, Sundry, $2,568.39—This represents charges for work done and for road material supplied to various people.

Due from Other Municipalities, $14,935.14—This represents charges against other municipalities for work done on boundary roads totalling $7,240.15 and sundry charges to other municipalities re Indigent Hospital Accounts and Children's Aid Societies totalling $7,694.99.

Due from Province of Ontario, $190,073.21—The estimated subsidy from the Province of Ontario on account of 1951 expenditures on the roads is $361,912.43 of which $172,029.46 was received in 1951, leaving a balance of $189,882.97 receivable as at December 31, 1951. The balance receivable from the Province of Ontario as at

December 31, 1951, consists of Weed Inspection Subsidy amounting to $190.24.

Equity in Current Assets of Peel and Halton Home 50% Interest, $10,083.31—This represents the County of Peel's interest in the Current Assets, less the Current Liabilities, of the Peel and Halton Home as at December 31, 1951.

Temporary Loan, $274,000.00—This bank loan of $274,000.00 has been confirmed by direct communication with your bankers. This loan has been arranged for the Good Roads System rather than for General County purposes.

Accounts Payable, $41,527.80—Accounts Payable is made up as follows:

General Accounts	$17,862.62
Road Accounts	23,665.18
Total	$41,527.80

We have examined vouchers paid in 1952 to date and believe that the above represents all the outstanding accounts of the Municipality, with the exception of an item of $12,760.15 paid in 1952 for a snow plow and attachments which was not delivered until December 31, 1951.

Due to Other Municipalities, $2,505.72—This represents the portion of collections received from Indigent Hospital Patients, due to the responsible municipalities.

Due to Province of Ontario, $7.60—This represents a 1951 account due to the Department of Reform Institutions not paid until 1952.

Deficit, $59,441.13—Due to the fact that the forms now in use show Highway and Road Expenditures on the General Revenue and Expenditure Account rather than on a separate statement, we have consolidated the accounts but we note below a detail of these items so that the portion of the account applicable to Roads may be seen separately from the balance of the County General Accounts:

Surplus—General Accounts as at December 31, 1950	$9,580.58	
Surplus—Road Account as at December 31, 1950	2,121.84	
		$11,702.42
Add: Adjustment of 1950 Hospital Accounts Receivable		20.96
		$11,723.38
Less: Adjustment of 1950 Road Subsidy	$ 185.67	

Adjustment of 1950 Road Accounts Receivable	75.94	
Old Hospital Accounts Receivable written off	248.28	
		509.89
		$11,213.49
Deduct Deficit for 1951		
General Account	$ 6,306.92	
Roads Account	64,347.70	
		70,654.62
Deficit as at December 31, 1951		$59,441.13

Taking into account the above items which affect General Account and those which affect Road Account, the above balance is made up as follows:

Deficit—Road Account as at December 31, 1951	$62,487.47
Surplus—General Account as at December 31, 1951	3,046.34
	$59,441.13

Revenue and Expenditure—Statement of Revenue and Expenditure Account showing details of the items entering into the calculation of the Deficit for the year of $70,654.62 is submitted herewith. We note below the breakdown of the Deficit for the year so as to show separately the portion applicable to General Account and to Good Road System.

Deficit for 1951—General Account	$ 6,306.92
Deficit for 1951—Good Roads System	64,347.70
Deficit for Year as above	$70,654.62

No payments have been received from Municipalities within the County on account of revenue received for services supplied on property exempt from assessment and taxes.

Health Unit—Capital and Revenue Fund Balance Sheets and Statement of Revenue and Expenditure Account of both the Health Unit and Health Unit-Special Dental and Sanitary are included in this Report.

Children's Aid Society—Statement of Receipts and Payments of the Children's Aid Society are included in this Report.

Library Co-Operative—Statement of Receipts and Payments of the Peel County Library Co-Operative is included in this Report.

AUDITOR'S CERTIFICATE

Subject to the report herein contained, I (we) hereby report that in my (our) opinion:

(1) All the explanations and information required have been obtained.

(2) The financial transactions which have come under (our) notice have been within the powers of the municipality.

(3) The audit has been conducted in accordance with the instructions of the Department of Municipal Affairs.

(4) The Balance Sheets, Revenue and Expenditure Account and Supporting Schedules are properly drawn up to exhibit a true and correct statement of the affairs as shown by the books of the municipality.

Peel and Halton Home

AUDITOR'S REPORT

Board of Management,
Peel and Halton Home,
Brampton, Ontario.

Gentlemen:

We have audited the accounts of the Peel and Halton Home for the year ending December 31, 1951, and submit herewith the following Report, together with the Statements listed on the Index.

In view of the fact that "The Homes for the Aged Act" has been amended and provides that "In computing the amount paid out for the operation and maintenance of the home, — the cost of operating and maintaing a farm in connection with the home shall not be included," we have revised the form and content of Statements submitted in prior years, and show Statement of Operating Account of Farm. In the case of some of the expenses which are common to both the operation of the home and the operation of the farm, we have arbitrarily allocated these items of expense as fairly as possible without more detailed information. In connection with the Capital Assets, we have not attempted to allocate these as between the Home and Farm as they are fully paid for and there are no charges in connection therewith in the Operating Accounts of the Home or Farm. The Current Surplus as at December 31, 1950, has been allocated on an arbitrary basis between the Home and the Farm as explained below.

Report

Current Assets and Liabilities

Cash on Deposit—General, $5,850.38—All monies received are deposited in the Bank Account in the name of the Peel and Halton Home. We have verified the amount on deposit by direct communication with your Bankers. All payments are made by cheque except petty disbursements made by the Superintendent from an Imprest Cash Fund of $25.00 charged to expense. No adjustment has been made in the Statements for the amount in the Imprest Cash Fund unexpended at December 31, 1951.

The total amount on deposit in the General Bank Account as at December 31, 1951, amounted to $6,554.32, but of this $703.94 represented prepaid maintenance for various inmates and this has been shown under the Trust Section and only the balance of $5,850.38 as shown as a Current Asset. This balance of $5,850.38 is divided between the Home and the Farm as follows:

Home	$3,357.67
Farm	2,492.71
	$5,850.38

Inventory, $14,316.25—Your Superintendent has supplied Inventory values of the food, livestock, etc., on hand as at December 31, 1951.

Current Surplus, $20,166.63—The Current Surplus as at December 31, 1950, was $16,904.07. We have arbitrarily allocated this $3,874.42 to the Home portion and $13,029.65 to the Farm portion. The inventory in connection with Farm operations at December 31, 1950, was $13,029.65 and we have assumed that in the years prior to December 31, 1950, the Farm operations had resulted in surpluses of amounts at least equivalent to the inventory on hand at December 31, 1950, and that any surpluses in excess of this from Farm operations have been applied to costs of operations of the Home. The surpluses from 1951 operations were $1,084.70 from the Home and $2,601.06 from the Farm. Allowances to Board members in 1951 were $423.20 and these were not charged against operations of the Home but have been charged against the Surplus. Allowances to Board Members have been shown in this manner in order that the Statement of Operating Account of the Home will be in the form required for the Department of Public Welfare which requires that "Payments to the Board or Committee should not be included in the Financial Report submitted to the Department."

Capital Assets and Liabilities

Land and Buildings, $85,670.00—Land and Buildings have been placed at the same value as at December 31, 1950. The capital improvements and repairs made in 1951 have not been capitalized.

Building Additions, $29,053.36 — There were no further charges in 1951 on Building additions.

Furniture and Fixtures, $9,970.46—Furniture and Fixtures are valued at $9,970.46, a valuation as supplied by the Superintendent. This is an increase during 1951 of $1,315.21.

Farm Implements, $6,676.45—Farm Implements are valued at the amount of $6,676.45, a valuation as supplied by the Superintendent. This is an increase in 1951 of $268.45.

Capital Surplus, $131, 372.27—Capital Surplus has been set at the value of the Capital Assets as these assets are fully paid for.

Trust Assets and Liabilities

General—Under various court orders, real and personal property of certain inmates has been vested in the Municipal Corporations of the Counties of Peel and Halton and, subsequently, the Counties of Peel and Halton transferred their interest to the Board of Management of Peel and Halton Home. The Board of Management, in some cases, has realized on the assets and applied the proceeds in payment of maintenance of the inmates, and in other cases they are receiving the income from the assets which they have been applying to the maintenance of the inmates, or have been dpositing in Special Trust Accounts for the inmates.

In some cases, proceeds from the realization of assets have not been deposited in Special Trust Accounts but have been deposited in the General Bank Account (see below).

A Supplementary Report is being submitted showing the detail of the assets held for individual estates.

Cash on Deposit, $1,805.09—Cash received on account of Special Trust Accounts is deposited in bank accounts in the name of "Peel and Halton Home — Special Trust Account," "Peel and Halton Home in Trust" and "Treasurer, County of Peel Trust Account." We have verified the amounts on deposit by direct communication with your bankers.

Cash on Deposit—Portion of General Bank Account representing Prepaid Maintenance for Various Inmates, $703.94 — The portion of the General Bank Account which represents prepaid maintenance at at December 31, 1951, has been shown as a Trust Asset. We have verified the amount on deposit by direct communication with your bankers.

Dominion of Canada, 3% Bonds, $500.00—This is a bearer bond held in a safety deposit box and was examined by us.

Estates of Inmates—re Invested Funds and Unrealized Assets, $3,009.03—This represents the total assets held in Trust, being administered by Peel and Halton Home for the benefit of various inmates.

Statements of Operating Accounts

Operating Surplus of Home for 1951, $1,084.70—Statement of Operating Account for the year 1951 shows an operating surplus for the year of $1,084.70. Produce from the farm operated in connection with the Home has been charged to expenditures of the Home. Department of Public Welfare regulations provide "Where a Home operates and maintains a farm in connection with the Home and uses its produce, the Home shall be charged with the current monthly wholesale price of the produce in the locality in which the Home is situated." We have not checked the prices of the produce against current monthly wholesale prices, but the prices appeared to be reasonable and may have been, in some instances, less than current monthly wholesale prices.

Following the practice of former years, belances owing to the Home on account of any inmates and any accounts outstanding as at December 31, 1951, have not been set up.

Operating Surplus of Farm for 1951, $1,601.06—Statement of Operating Account for the year 1951 shows an operating surplus for the year of $2,601.06. Produce from the farm used by the Home has been charged to the Home at prices which appear to be reasonable (see above).

Allowances to Board Members, $23.20—Allowances to Board Members has been shown as a separate charge to the Surplus Account since the Department regulations require that it should not be included in the Financial Report submitted to the Department.

General

Fidelity Bond—The following Fidelity Bond is in force:

John Gregg Hooper, Secretary-Treasurer	$5,000.00

Good Roads

COUNTY OF PEEL

Expenditure on the County Road System during 1951.
To the Warden and Members of the Council of the County of Peel.
Gentlemen:

I beg to submit herewith the detailed statement of money expended in accordance with the Regulations of the Department of Highways of Ontario on the Peel County Road System during the period January 1st, 1951, to December 31st, 1951.

The tabulated statements, declarations etc., required by the Department of Highways in submitting the petition for the subsidy have also been prepared and submitted.

The mileage of County Roads is 143.2. The mill rate was 5 mills and in June Debentures were issued for $150,000.00 when it was decided to pave the road from Woodhill to Malton and to put a consolidated gravel base from Woodhill to Caledon East. The pavement requires a seal coat in 1952 and the base north of Woodhill was completed except where grading at bridges and bridge and culvert extensions are necessary. To do this the total expenditure including loans repaid of $507,000.00 was $1,235,218.95. The amount submitted for Subsidy was $700,078.65 and the items not allowed for Subsidy brings the total expenditure to $71,678.23. This leaves a deficit on the year of $41,076.83 if the Auditors had reported in the same manner as in previous years. This year they added Accounts Payable and show a deficit of $62,487.47. Every monthly meeting of the Committee is to pay accounts for the previous month. I see no difference between July and January.

A start has been made on building roads that will stand up to modern traffic and this should be added to every year. To-day's traffic demands better roads. All County Road allowances should be widened to at least 86 feet so that the ditches could be placed far enough away from the travelled portion to allow them to do their job. With a 66 ft. road the ditches are filled with snow all winter and spring and are useless at the very time they are needed.

A detailed summary of the work done during the year follows:

N. L. POWELL, B.A.Sc.,
Registered Professional Engineer,
County Engineer & Road Superintendent.

GOLF CLUB BRIDGE

W½, Con. 1 East, Toronto and Chinguacousy Twps.

This bridge was built in 1950 but final payments were not made until 1951, and the grading and gravel was nearly all in 1951. Only enough grading was done in 1950 to let traffic over the bridge.

The 1950 expenditure was	$14,402.43
The 1951 expenditure was	10,180.45
Total Cost	$24,582.88

See page 64, 1950 report for details of 1950 expenditure.

GRADING, SEVENTEEN SIDEROAD, FIRST LINE EAST

Twenty years ago a Contract was let for filling the two water holes, immediately East of the First Line, but the Contractor, J. C. Wiggins, was using tractors and scrapters and when the fill gave way the job was stopped, as the equipment was not suitable for the job.

In March tenders were called for filling the holes with a shovel and trucks. The following tenders were received:

C. Coghlin & Sons, Listowel	20½	cts.	cu.	yd.
John Patterson Const. Co., Brampton	30	"	"	"
Armstrong Bros., Brampton	32	"	"	"
Bolton Construction Co., Bolton	38	"	"	"
Cox Construction Co., Hillsburg	38	"	"	"
Onway Construction Co., Toronto	42	"	"	"
M. Nellis, Acton	50	"	"	"
James Booth, Brampton	50	"	"	"
F. Poce Construction Co., Toronto	59	"	"	"

The job was awarded to the low bidder, C. Coghlin & Sons. They put a one yard North West Dragline on the job and a H.D. 7 A.C. tractor and Bulldozer on the work and three trucks. The job was very poorly managed. Many times only one truck was working. The Dragline was rented and the owner took it away in about a month and after some delay Mr. Coghlin brought a small shovel on the job. This required many repairs and one delay was for a new engine in the shovel. This was nearly three months of the delay.

While the machines were on the job all summer and only taken away at the first snowfall the amount of work done was not great. The water hole at the first line corner appears to have finally been filled, water is not going through. A shovel and trucks will be rented in 1952 to finish it. The first hole at the first line was gravelled, culverts installed and the first line intersection widened.

The Contractor, a young man, did not want to have to leave his first contract unfinished. The amount of fill has not been measured.

GRADING AND GRAVEL BASE

6th Line North—Woodhill to Caledon East

In June, Debentures for $150,000.00 were issued to cover the cost of improving the Sixth Line from Malton to Caledon East. With the Subsidy this allowed the County to spend $300,000.00 and $200,000.00 of this was alloted to the road north of Highway No. 7 at Woodhill.

Tenders were called for supplying and hauling the gravel and three tenders were received:

Armstrong Bros., 8 cts. per ton mile
Consolidation—Bovaird's Pit 34 cts.
Parr's Pit ...... 79 cts. crushed
McLeod's Pit 32 cts. Pit run
Metcalf Pit ... 22 cts. Pit run
J. C. Duff, Bolton, 8 cts. per ton mile
Consolidation—Any pit .... 40 cts.
Mellor Const. Co., Acton, 7 cts. per ton mile
Consolidation—Any pit .... 29 cts.

Gravel to be paid for by the County in all Pits.

The work was awarded to Armstrong Bros. from Woodhill north and to Mellor Const. Co. from Caledon East, South.

The quality of the gravel caused some changes as the work progressed. Mellor Const. Co. found McLeod's pit on Lot 29, Albion, west half Con. 1 excellent and did the work from Caledon East to 22 Sideroad, Chinguacousy, 16 lots. There was no suitable gravel in Bovaird's and only about 1,000 cu. yds. in Melcalf's so Armstrong Bros. used the gravel from Parr's pit from Woodhill to Lot 16, Chinguacousy, 11 lots, less several places left to be graded after the culverts were extended at Lots 13 and 14 and 16, Chinguacousy, also Lot 20. From Lot 16 to Lot 22 the gravel was taken from Donnelly's pit, Lot 14, Con. 2 East, Chinguacousy.

At last the County has one road with a foundation for pavement sufficient to carry modern traffic. All road authorities recommend from 12 ins. to 18 ins. of gravel. This road has about 12 inches and in many places more, where depressions were levelled up.

PAVEMENT AND BASE COURSE

Woodhill to Malton, 6th Line East

Out of the Debenture Sale $100,000.00 was allotted to this road and tenders were called for additional base gravel and a pavement. Tests on this road showed a depth of 4 ins. to 8 ins., on the centre averaging about 5 inches and at the side not over 2 to 3 inches.

Two tenders were received for the Granular Base:

Armstron Bros., $1.48 per ton Class A Crushed

J. C. Duff, Ltd., $1.59 per ton Class A Crushed
consolidated with a roller.

For the pavement one tender was received for a Penetration Pavement 6 inches in depth.

Bruell Paving Co., Toronto, $58,725.00, and was accepted.

Five tenders were received for a 6 inch hot mix pavement ranging from $76,595.00 to $85,555.00.

The work was late getting started and will have to be given the final seal coat in 1952. The Village of Malton, Lot 11, was not done. It should be regraded first.

NEW ERINDALE SHED

A site for a shed and yard at Erindale was finally located.

It is immediately west of Stockill's Service Station on the south side of Dundas Street, and is partly on the road level and partly in the river flats. It is 200 ft. by 200 ft. For years we have been looking for a site for a yard on the Highway near Erindale but no one wanted to sell a lot at a reasonable price.

Finally the purchase was made from Mr. C. P. Hotchkiss but the final deed was delayed all summer until the Department of Highways completed their survey of the widening of Dundas Street. Tenders were called for a building 40 ft. by 60 ft. and the work given to Streetsville Const. Co., but since the work was not done in 1951 full details of tenders, etc., will be shown in the 1952 report.

GRADING AND ROAD MAINTENANCE EAST OF MALTON

Toronto Gore, Lots 10-11, Con. 7 and 8, Southern Survey

A factory to manufacture Aircraft Engines is being erected at the centre of Lot 10, Con. 7, under the supervision of A. V. Roe Co. The County was asked to grade and pave his road from Malton to the York County Line.

The Council did not consider that it was an obligation on the County to pave a road to carry non-residents of the County to work in a factory that might not be taxable.

The A. V. Roe Co. agreed by letter to bear all the cost of maintenance up to May 1st, 1952, over and above this normal maintenance that would be required if the plant had not been built.

NEW MACHINERY

Trojan Loader

Tenders were called in 1950 for a front end Loader to load sand, gravel and snow. These machines vary greatly in horsepower and capacity.

The Committee accepted the tender of the Gordon Dickson Co. of Toronto for a Trojan Loader, ¾ cu. yd. bucket at $8,185.00. This machine is driven by large front wheels and steers by the smaller rear wheels. The operator has a clear, close view of the bucket when working and there is no danger to the operator from the moving arms.

The machine was on trial and was paid for in 1951.

New L-194 International Truck

Tenders were also called for a new truck in October, 1950, but delivery was not made until Feb. 5, 1951. Tenders also included a snow plow. This new equipment was to replace a K.B. 7 International Truck purchased in 1945 and a S.P. 118 Frink Plow, ten years old.

Tenders were as follows:

J. A. McCleave & Sons, Brampton

L-194 International Truck (5 tons)	$ 6,338.75

MINUTES

JANUARY SESSION

FIRST DAY OF JANUARY SESSION

Council Chambers, Court House, Brampton, January 15, 1952.

Peel County Council met on the above date at 2 p.m., in accordance with the Municipal Act.

Mr. J. A. McLaughlin, Warden of Peel County for the year 1951 called the meeting to order and called on the Rev. L. K. Chubb, of the Baptist Church, Brampton, to take charge of the devotional exercises.

A vote of thanks to Mr. Chubb was moved by Fred Hostrawser.

Mr. McLaughlin then turned the meeting over to the clerk.

The clerk informed the council that the following members had filed certificates with him, and would make up the council of the county for the year 1952.

Albion—J. E. Patterson, Reeve; George E. Holtby, Dep.-Reeve.

Caledon—John Scott, Reeve; Edward Walsh, Deputy Reeve.

Chinguacousy—Fred Hostrawser, Reeve; Wilbert Wilkinson, Deputy Reeve.

Toronto Township—Sid Smith, Reeve; L. C. Herridge, Deputy Reeve.

Toronto Gore—J. N. Duncan, Reeve.

Brampton—C. Carman Core, Reeve; W. George Thompson, Deputy Reeve.

Bolton—O. H. Downey, Reeve.

Port Credit—G. F. Skinner, Reeve; J. C. Saddington, Deputy Reeve.

Streetsville—Dr. G. A. Montemurro, Reeve.

The clerk informed the council that their first duty was the electing of a Warden.

Moved by C. Carman Core, seconded by W. George Thompson,

That the election of the Warden the course to be pursued shall be as follows:—

That the names of all the candidates shall be given to the clerk immediately and a vote taken on each candidate in rotation,

and the candidate receiving the majority of votes of all members present shall be declared elected. In the event that no candidate receives a majority vote, the name of the candidate receiving the lowest number of votes shall be omitted from the next vote and the election continued in this way until some candidate has received a majority vote. Then every candidate who has been voted upon and dropped shall be pitted against the said candidate who received a majority vote in the first voting and a majority vote shall prevail until only one candidate is left who shall be declared elected.
Carried.

Nominated by G. A. Montemurro, seconded by E. Walsh—That Mr. J. Scott, Reeve of the Township of Caledon be Warden for the year 1952.

Nominated by C. Carman Core, seconded by O. H. Downey—That Mr. J. E. Patterson, Reeve of the Township of Albion be Warden for the year 1952.

Nominated by L. C. Herridge, seconded by E. Walsh—That Mr. Sid Smith, Reeve of the Township of Toronto be Warden for the year 1952.

Nominated by Fred Hostrawser, seconded by W. George Thompson—That Mr. J. N. Duncan, Reeve of the Township of Toronto Gore be Warden for the year 1952.

There being no more nominations, on motion by C. Carman Core, the nominations were closed.

Each of the candidates addressed council and Mr. Smith and Mr. Duncan asked that their names be withdrawn.

The clerk then asked for votes on the nominations of Mr. Scott and Mr. Patterson, with the result that Mr. Patterson received a majority vote, and the clerk declared Mr. Patterson Warden of Peel County for the year 1952.

The Warden was conducted to his chair by his mover and seconder and subscribed to the oath of office before Mr. A. G. Davis, K.C.

The clerk then asked Mr. McLaughlin to address council before the Warden elect took over his duties. Mr. McLaughlin presented the Warden with a gavel.

The Warden then thanked the members of council for the honor thus bestowed upon him and expressed a desire for their cooperation in conducting the affairs of the county for the present year.

Each member present assured the Warden of their support and expressed their confidence of his ability to fill the office of Warden of the County of Peel.

The Warden called upon the officials and several in the gallery for a few words.

Moved by C. Carman Core, seconded by G. F. Skinner—That a committee of five be appointed by ballot to select the standing committees of County Council for the year 1952. Carried.

The Warden apointed Mr. McLaughlin to count the ballots for the select committee. Mr. McLaughlin informed the council that the vote resulted as follows: Chairman, Scott; members, Smith, Core, Hostrawser and Duncan.

On motion the council adjourned to allow the striking committee to prepare their report. After due deliberation the select committee brought in their report, and on motion the report was adopted.

FEBRUARY REPORT OF THE GOOD ROADS COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Good Roads beg to report as follows:

1. On Tuesday, January 29th, at the request of the A. V. Roe Co. of Malton, your Committee met three representatives of the A. V. Roe Company in the Office of the Deputy Minister of Highways of Ontario at the Parliament Buildings.

The A. V. Roe Company stated that the new engine plant east of Malton would have a large number of employees in the Spring. The present road past the Airport has all the traffic it can handle now. This will make it necessary to improve and pave the old Malton Road east from Malton.

Your Committee made it clear that they considered that the County of Peel had done the County's share of the expense necessary to carry employees of the A. V. Roe Company to and from work by paving the road from Malton to Woodhill as well as work on other roads leading to Malton. If it is necessary to pave a road to bring non-resident employees to a non-taxable plant, the plant should bear the cost of said paving in the opinion of your Committee, and this point of view was made clear at the meeting.

Since the above meeting our Engineer has been asked by the A. V. Roe Company to prepare a plan to show where the road should connect with the road in the County of York, so as to eliminate two sharp curves.

We recommend that the Engineer prepare this plan as soon as possible.

2. We recommend that G. E. Bonham, County Road Foreman, in the South end of the County for fifteen years, be made General Foreman of County Roads at a yearly salary of $3,500.00 per year from Feb. 16th, 1952, and that tenders be called for a Pick-up Truck for his use.

Also that Charles Curran, Asst. Foreman for ten years, be made Foreman of the Southerly half of the County from the same date at $1.20 per hour.

This change is necessary for closer supervision of the County roads and at the same time give the Engineer more time for the Engineering part of the work on the roads.

Adopted February 8th, 1952.

J. S. SCOTT, J. E. PATTERSON,
Chairman. Warden.

FEBRUARY REPORT OF THE OLD PEOPLE'S HOME COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Old Pople's Home beg to report as follows:

Your Special Committee re Peel-Halton Home met on Friday, January 25th, 1952.

1. We recommend that the Committee be given authority to call tenders for sewers to be connected with the Brampton Sewage System.

This will involve:

a. An agreement with the Town of Brampton re using their sewage disposal plant.

b. Permission from the Department of Highways to install sewers along Number 10 Highway.

c. Hiring an Engineer to prepare plans and to call tenders.

d. Estimated cost of the sewers $10,000.00.

2. We recommend payment of the following Committee Fees and Mileage:

J. S. Scott	$12.20
Fred Hostrawser	9.40
J. E. Patterson	5.60
J. A. McLaughlin	8.00

Adopted February 8th, 1952.

FRED HOSTRAWSER,
Chairman.

J. E. PATTERSON,
Warden.

J. C. Saddington	$10.80

Adopted April 10th, 1952.

J. C. SADDINGTON, J. E. PATTERSON,
Chairman. Warden.

To the Warden and Council of the County of Peel.

Gentlemen—Pursuant to Section 86 (1) of the Assessment Act I beg to report as follows:

With the exception of the Township of Albion each of the Municipalities in the County have used the County system of valuation for local assessment purposes for 1952 taxes.

The Township of Albion made a complete valuation under this County system in 1949 but have not kept it up to date. It was therefore necessary to estimate the increase each year since the valuation was made.

	Actual Assessments			
Municipality	Land	Bldgs.	Total	Land
Albion	1,089,250	416,868	1,506,118	1,111,370
Caledon	1,148,773	1,382,701	2,531,474	1,148,773

TOTALS	12,995,745	32,988,936	45,984,681	13,017,865
Business				4,002,430
Total Rateable Assessment				49,987,111

The Township of Toronto did not use the County system of valuation for assessment on some properties. It was therefore necessary to make an adjustment in the assessment of that Township for County equalization.

The basis used for County equalization in the other Municipalities was the assessment as made by the local assessors to be used for general taxation in the Municipality for 1952.

The following is the proposed equalization schedule for 1952.

County Valuation Bldgs.	County Valuation Total	Equalized at 95.9% County Valuation	Equalized Assessment	Total Equalized Plus Bus.	Percentage of 1953 Levy
963,310	2,074,680	1,989,618	5,826	1,995,444	4.00

Respectfully submitted this 10th day of April, 1952.

JOHN G. HOOPER,
County Assessor.

BY-LAWS

COMMITTEE RE SETTLEMENT PEEL - HALTON HOME

Court House, Brampton,
March 20th, 1952.

Special Committee set up by Peel and Halton County Councils met on the above date to discuss a settlement of the Peel-Halton Home.

Present at this meeting were: Messrs. J. E. Patterson, F. Hostrawser, and J. Scott from Peel County. Messrs. J. Wickson, K. Y. Dick, G. Currie, J. Hargrave and K. A. MacDonald from Halton County. Also present Mr. J. Hooper, Secretary-Treasurer, Peel-Halton Home and Mr. H. Rutherford, Clerk-Treasurer of the County of Peel.

On motion Mr. Dick was appointed Chairman and Mr. Rutherford, Secretary.

Mr. Dick reviewed the situation to date at the Home and pointed out that this Committee should try to arrive at a figure of settlement, and that this figure be referred to each County Council for approval.

Mr. Dick read the Auditor's statement for the year 1951.

Moved by Mr. Patterson, seconded by Mr. Hargrave—That each County appoint a local Auctioneer to set values for the purpose of a split on the Stock and Chattels and House Furnishings, and report back to this Committee, and that each County pay their own Auctioneer. Carried.

Moved by Mr. Currie, seconded by Mr. Scott—That the time limit be set for the 15th of April, 1952, for the Auctioneer's Report to be made to this Committee. Carried.

Moved by Mr. Currie, seconded by Mr. MacDonald—That one man be appointed from each County to place a value on the land and buildings, exclusive of the House at the Peel-Halton Home, and to report to this Committee by the 15th of April, 1952, each County to pay their own expenses in connection with this valuation. Carried.

Moved by Mr. Hostrawser, seconded by Mr. Currie—That the valuation of land be made on the understanding that the farm be operated in connection with the Home for the Aged. Carried.

Moved by Mr. Wickson, seconded by Mr. Hostrawser—That

Messrs. Dick, Currie, Patterson and Scott be a delegation to look into the matter of an interview with the Department of Public Welfare and the sitting members from Peel and Halton re subsidy on the payment that Peel will make to Halton in connection with the settlement of the Home for the Aged. Carried.

On motion the meeting adjourned until the 22nd of April, 1952, or earlier on notice.

HENRY H. RUTHERFORD,
Secretary.

K. Y. DICK,
Chairman.

Court House, Brampton,
April 22nd, 1952.

The Committee re settlement of the Peel-Halton Home met on the above date at 2.30 p.m.

Members present: Messrs. J. Wickson, K. Y. Dick, G. Currie, J. Hargrave and K. A. MacDonald from Halton County. Messrs. J. E. Patterson, J. Scott, F. Hostrawser, S. Smith and J. A. McLaughlin from Peel County. Also present Mr. J. G. Hooper, Secretary-Treasurer of the Peel-Halton Home and Mr. H. Rutherford, Clerk-Treasurer of the County of Peel.

Mr. K. Y. Dick, Chairman, presided.

Minutes of the March 20th meeting were read and on motion by Mr. Wickson, the minutes were adopted as read.

Mr. Dick pointed out that after the Secretary had talked to the Honourable T. L. Kennedy it had been decided not to visit the Department of Public Welfare re subsidy on the money that Peel would pay to Halton, at the present time.

Moved by Mr. McLaughlin, seconded by Mr. MacDonald—That the Chairman open the valuations that had been received. Carried.

The valuations were as follows:

Chattels:	
Mr. Elliott, Halton County	$26,539.34
Mr. McKinney, Peel County	17,411.00
Farm, Less Home:	
Mr. Grice, Halton County	$34,200.00
Mr. McBride, Peel County	11,500.00

Moved by Mr. McLaughlin, seconded by Mr. Currie—That the Committee adjourn for fifteen minutes so that the Committee from each County could meet separately. Carried.

The meeting adjourned for fifteen minutes.

Mr. McLaughlin, on behalf of Peel County offered Halton County $30,000 for their interest in the Home.

Mr. Currie, on behalf of Halton County, said that Halton County would be willing to accept $65,000.00 for their interest.

After some discussion, it was moved by Mr. McLaughlin, seconded by Mr. Hostrawser—That the Committee adjourn for five minutes. Carried.

The Committee adjourned for five minutes.

Mr. Dick informed the meeting that Halton Committee felt that they would be willing to accept $50,000.00 for their interest in the Home.

Mr. McLaughlin informed the meeting that the Peel Committee felt that they would be willing to pay Halton County $40,000.00 for Halton's interest in the Home.

On motion the meeting adjourned until Monday the 12th of May, at 2.30 p.m. at the Court House, Brampton.

HENRY H. RUTHERFORD, K. Y. DICK,
Secretary. Chairman.

Court House, Brampton,
May 12th, 1952.

The Committee met on the above date at 2.30 p.m.

Members present: From Halton County, Messrs. K. Y. Dick, G. Currie, J. Hargrave, J. M. Wickson and K. A. MacDonald. From Peel County, Messrs. J. A. McLaughlin, F. Hostrawser, J. Scott and J. E. Patterson. Also present, Mr. J. G. Hooper, Secretary-Treasurer of the Peel-Halton Home.

Mr. K. Y. Dick, Chairman, presided.

Minutes of the April 22nd meeting were read and on motion by J. E. Patterson the minutes were adopted as read.

Moved by Mr. Scott, seconded by Mr. MacDonald—That Mr. J. G. Hooper act as Secretary of the meeting owing to the absence of Mr. H. Rutherford. Carried.

Mr. Dick reported that the members of the Committee from Halton County had held a meeting since the joint meeting and had come to the conclusion that their offer to accept $50,000.00 for the Halton interest in the Home was a very reasonable offer and that settlement should be made on that basis.

Members from Peel voiced their opinion that the offer made by Peel of $40,000.00 was a reasonable one, and after some discussion, Moved by Mr. Scott, seconded by Mr. Wickson—That the meeting adjourn for fifteen minutes to allow the Committee from each County to meet separately. Carried.

The meeting adjourned for fifteen minutes.

Mr. McLaughlin reported that the Peel members felt that in view of the fact that the highest valuation as made by the valuators was approximately $80,000.00, Peel would be severely criticized if more than $40,000.00 was offered for Halton's one half interest.

Mr. Currie reported that the Halton Committee could not agree to taking less than the $50,000.00.

Mr. Hargrave suggested that the original offer by Halton to accept $65,000.00 and the offer made by Peel of $30,000.00 be averaged which would make the settlement $47,500.00.

The Peel members suggested that the highest possible offer that they could make would be $45,000.00.

Moved by Mr. McLaughlin, seconded by Mr. Patterson—That the meeting adjourn for ten minutes to allow the Halton Committee to consider the final offer of $45,000.00 as suggested by the Peel members. Carried.

The meeting adjourned for ten minutes.

Mr. Dick reported that the Halton Committee were unable to agree to less than $47,500.00, but they would bring the matter before the Halton County Council at their next meeting.

Moved by Mr. McLaughlin, seconded by Mr. MacDonald.

That the meeting adjourn to meet again Wednesday, May 21, at 8 p.m. Carried.

HENRY H. RUTHERFORD, K. Y. DICK,
Secretary. Chairman.

Court House, Brampton,
May 21st, 1952.

The Committee re settlement met on the above date at 8 p.m.

Members present: From Halton County, Messrs. K. Y. Dick, G. Currie, J. Hargrave, J. M. Wickson and K. A. MacDonald. From Peel County, Messrs. J. A. McLaughlin, F. Hostrawser, J. Scott, S. Smith and J. E. Patterson. Also present, Mr. J. G. Hooper, Secretary-Treasurer, Peel-Halton Home, and Mr. H. Rutherford, Clerk-Treasurer, County of Peel.

Mr. K. Y. Dick, Chairman, presided.

Minutes of the May 12th meeting were read and on motion by Mr. Wickson the minutes were adopted as read.

Mr. McLaughlin reported that the Peel members felt that they could not increase their figure of $45,000.00.

Mr. Wickson reported that as the Halton County figure was $47,500.00, and so only $2,500.00 separated the two Counties, Halton would be willing to split the difference with Peel and accept $46,250.00.

Moved by Mr. Scott, seconded by Mr. Hargrave—That the meeting adjourn for ten minutes to allow the Peel Committee to consider the Halton Committee offer. Carried.

Mr. McLaughlin reported that the Peel Committee would be willing to pay $46,000.00 to Halton, in 1953 for Halton's share of the Home, and that Halton should be charged $5,000.00 for maintenance in 1952 up to June 30th.

Mr. Wickson reported that the Halton Committee would accept the Peel offer, and that minutes of settlement should be drawn up on that basis, the minutes of settlement to be reported to and confirmed by each County Council.

Mr. Dick on the suggestion of the joint committee drew up minutes of settlement, which were signed by all members present, the Chairman and the Secretary.

Moved by Mr. Currie, seconded by Mr. Hostrawser—That the meeting adjourn. Carried.

Mr. Dick, Chairman, thanked the members of the Committee for their co-operation in completing the settlement. Mr. McLaughlin spoke on behalf of the Peel members, congratulating the Committee on their work.

The meeting adjourned.

HENRY H. RUTHERFORD, K. Y. DICK,
Secretary. Chairman.

MINUTES OF SETTLEMENT

Brampton, 21 May, 1952.

At a joint meeting of the Peel-Halton Negotiating Committee held in the Court House at Brampton, this date, it was agreed that each half of this Joint Negotiating Committee will recommend to its respective County Council that settlement be as follows:

(1) That Peel pay Halton $46,000.00 for Halton's share in the Peel-Halton Home.

(2) That Halton's share of the operating costs of the Peel-Halton Home for the period 1 January 1952 to 30 June 1952 be $5,000.00 of which sum $2,500.00 has been paid.

The Warden informed Council that the meeting had been called for two reasons, first to consider the application of the Trans Northern Pipe Line Company to cross County Roads with their pipe line running through the south end of the County and secondly to consider an agreement that had been submitted by A. V. Roe Canada Limited with respect to the County Road running east from the four corners at Malton.

Mr. D. L. Weinert of the Trans Northern Pipe Line Company was present and addressed Council asking that a permit be issued granting his company permission to cross County Roads in the south end of the County.

Moved by J. S. Scott, seconded by E. Walsh—That the Warden and Clerk be authorized to sign a permit and to affix the Corporate Seal to the said permit, granting the Trans Northern Pipe Line Company permission to cross County Roads in the south part of the County. Carried.

The Clerk read a draft agreement from the Ontario Department of Highways and the A. V. Roe Company Limited with respec the County road running east from the four corners at Malton.

On motion Council adjourned for five minutes to permit the Council to study the plans of the County road at Malton.

Council resumed.

Moved by S. Smith, seconded by J. N. Duncan—That this Council accept the draft agreements as presented by A. V. Roe Canada Limited and the Department of Highways of Ontario and that the Warden and Clerk be authorized to sign the said agreements on behalf of the County of Peel, and that the County Engineer be instructed to call tenders immediately.

S. Smith asked that the vote on this resolution be recorded and the vote resulted as follows:

For the resolution: Duncan 1, Herridge 2, Holtby 1, Scott 1, Smith 2, Thompson 2, Wilkinson 1, Patterson 1. Total 11.

Against the resolution: Core 2, Downey 1, Montemurro 1, Saddington 1, Walsh 1. Total 6.

Absent: Hostrawser and Skinner.

The resolution was carried.

After singing the National Anthem Council adjourned to the next regular meeting or at the call of the Warden.

HENRY H. RUTHERFORD, J. E. PATTERSON,
Clerk. Warden.

AUGUST REPORT OF THE AGRICULTURAL COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Agriculture beg to report as follows:

1. We recommend that the account submitted by Russell Jenkins, County Weed Inspector, in the amount of $78.44 be paid.

2. Whereas it has become a fact that the Packing House workers have been granted a raise in wages and furthermore the Packing House Industry has served notice that the said raise in wages will be added to the price of meats paid by the consumer, and as it is a well known fact that in all such cases the actual practice has been to reduce the price of livestock and farm produce to the producer rather than pass it on to the consumer;

Therefore Be It Resolved that this Council petition the Federal Minister of Agriculture and the Provincial Minister of Agriculture to carry out an investigation into the Packing House Industry in all its various ramifications and that the floor price on all live stock and produce be increased to a parity price with labor whereby the producer may be enabled to at least obtain the cost of production;

And that a copy of this resolution be forwarded to all County Councils in the Province of Ontario.

Adopted August 14th, 1952.

G. E. HOLTBY,
Acting Chairman.

J. E. PATTERSON,

Chairman. Warden.

THIRD REPORT OF THE TREE CONSERVATION COMMISSION

To the Warden and Council of the County of Peel.

Your Committee on Tree Conservation beg to report as follows:

Owing to the increasing use of oil and gas and the cost of cutting wood, wood is fast becoming obselete as a source of fuel and some of the farmers who still own large bushes never use wood. In fact two of the old arts associated with the bush have become almost forgotten, Maple Sugar making and Soap making.

Your Committee had only one complaint to investigate during the past year, in Chinguacousy Township a resident laid a complaint to your Chairman. Upon investigation I decided the complaint was largely clearing up an old orchard and not by the cutting of illegal timber, as the wood was being used by the owner.

We recommend payment of the following committee fees:

John Graham, 1 day and mileage	$ 9.90
John Anderson, 1½ days and mileage	16.62

Adopted November 20th, 1952.

JOHN ANDERSON,
Chairman.

J. E. PATTERSON,
Warden.

Your Committee on County Library Co-operative beg to report as follows:

The General Meeting of the Peel County Library Board was held on Wednesday evening, November 26th, 1952, in the Brampton Public Library.

1. The meeting was well attended by representatives of most of the member libraries and was addressed by Miss Davis.

2. Col. R. V. Conover and Miss Gardiner gave a detailed report of the Library activities for 1952.

3. We recommend payment of the following Committee Fees:

Col. R. V. Conover	$8.00
R. E. Finkle	8.00
W. G. Thompson	8.00

Adopted December 11th, 1952.

W. G. THOMPSON,
Chairman.

J. E. PATTERSON,
Warden.

DECEMBER REPORT OF THE GOOD ROADS COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Good Roads beg to report as follows:

1. We have a letter from Messrs. Jackson, Partridge and Van Every, Solicitors for the Township of Toronto, thanking the Council for certified copies of By-laws re King Paving Company.

We recommend that this letter be received.

2. We have an acknowledgement from the A. E. Wilson Company re claim of Dr. J. M. Abbott. This claim has been referred to the Canadian Automobile Service Association for their attention.

We recommend that this letter be filed.

3. We have a letter from the Canadian Bank of Commerce of Weston enclosing a cheque for $83,333.00 re Malton Road and A. V. Roe Co. This cheque has been deposited in the County Account.

4. We have a petition from the Residents of Wildfield asking for 30 Mile Limit signs to be placed on the roads, one-half mile each way from Wildfield.

We recommend that the Engineer be instructed to see if any of these roads meet the requirements of the Highway Traffic Act. If they do meet the requirements to erect the necessary signs and that a copy of the Regulations be sent to Mrs. I. Milligan, Secretary of the Wildfield Community Association.

5. We have a letter from the Canadian National Railways suggesting that accounts for crossing be submitted quarterly instead of monthly, and asking for our approval of this change.

We recommend that approval be given.

6. Roy Ellis of Sand Hill, who has been employed by the County Roads Department for about fourteen years, was off work from Oct. 15th until Dec. 8th and in Hospital most of the time.

The County Roads pay one-half of Blue Cross which took care of his Hospital Bill, but the County Roads have no plan of sick pay to assist in other expenses.

Your Committee allowed him one-half pay of time lost.

We recommend approval of Council for this action. We also recommend that the 1953 Council consider setting up a policy re sick pay.

7. Tenders were called for two Snow Plowing units north of Brampton and one for the Malton Area.

The following tenders were received:

Bruell Paving Company (Malton Area)

G.M.C. Truck with Plow

Plowing time	$5.50 per hour
Standing time	$5.50 per day
Helper	$1.10 per hour

We recommend that this tender be accepted.

Also Armstrong Bros. Construction

1 International K.8 with Plow

Plowing time	$ 4.25 per hour
Standby time	$10.00 per day
Extra man	$10.00 per day

I International Tandem Truck with Plow

Plowing time	$ 5.25 per hour
Plowing time	$10.00 per day
Extra man	$10.00 per day

We recommend that this tender be accepted for the plowing time and standby time and the County to supply the extra man.

8. Tenders were called to close Dec. 9th for the steel deck for Bolton Bridge. The Bridge Companies asked for an extension of time and no tenders were received.

We recommend that the time be extended to Dec. 22nd and that your Committee be authorized to deal with any tenders received on that date and also to pay outstanding accounts.

Adopted December 11th, 1952.

J. S. SCOTT,
Chairman.

J. E. PATTERSON,
Warden.

DECEMBER REPORT OF THE PEEL MEMORIAL HOSPITAL COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Peel Memorial Hospital beg to report as follows:

1. The regular monthly meeting of the Board of Governors was held on November 22nd, 1952.

2. The meeting discussed apart from routine business, ways and means of making the public Hospital Conscious. There is a great need for public support of hospitals not only in Brampton but across the province generally.

3. We recommend payment of the following fees and mileage:

J. C. Saddington	$10.80

Adopted December 11th, 1952.

J. C. SADDINGTON,
Chairman.

J. E. PATTERSON,
Warden.

COUNTY OF PEEL

AUDITOR'S REPORT

January 20, 1953

Warden and Council,
County of Peel,
Brampton, Ontario.

Gentlemen:

We have audited the accounts of the Corporation of the County of Peel for the year ending December 31, 1952, and submit herewith the following Report, together with Statements listed on the Index:

Report

Capital and Loan Fund Section

General Fixed Assets—Included among the General Fixed Assets is the Peel County Manor which has been set up at a valuation of $108.226.42 (Schedule No. 3). Prior to June 30, 1952, the County of Halton owned a 50% interest in the Peel and Halton Home and as of this date a settlement was arrived at whereby the County of Peel was to pay the County of Halton $46,000.00 for their equity in the Peel and Halton Home. On the basis of this settlement, we have established the total value of the Peel and Halton Home at twice the amount which Peel was to pay Halton, or, in other words, a total of $92,000.00. Subsequent to June 30, 1952, the Peel and Halton Home was re-named the Peel County Manor and the valuation of this Manor has been increased to $108.226.42 due to capitalizing capital expenditures made subsequent to June 30, 1952, which expenditures were made from revenue.

Minutes of settlement have been seen in connection with the settlement between the County of Peel and the County of Halton but to date no formal Agreement has been approved by Council nor has any by-law in connection therewith been passed.

General Government Civic Offices have been increased from a valuation of $158.684.05 as at December 31, 1951, to $174,364.36 as at December 31, 1952 (See Schedule No. 3). An addition to the Registry Offices was completed at a cost of $12,560.31 and additional Jury Room facilities, with expenditures to December 31, 1952, of $3,120.00, were made during 1952 (See Schedule No.

12D). In connection with the Jury Room facilities, further payments of approximately $900.00 will be required in 1953 to pay for the balance of the contract price and the architect's fees.

Accounts Payable, $46,000.00—Under the terms of settlement with the County of Halton, the County of Peel is required to pay $46,000.00 to the County of Halton on June 30, 1953, for the County of Halton's equity in the Peel and Halton Home. This amount is payable without interest.

Revenue Fund Section

Cash in Bank, $37,891.14—The amounts of $24,745.09 in the General Account and $13,146.05 in the Road Account have been verified by direct communication with your bankers. All monies received are deposited in bank accounts in the name of the Municipality and all payments are made by cheque.

Accounts Receivable, Sundry, $13,373.26—This represents charges for work done and for road material supplied to various people totalling $10,792.76 and $2,580.50 for sundry County receivables.

Due from Other Municipalities, $12,536.84.—This represents charges against other Municipalities for work done on boundary roads totalling $7.459.59 and sundry charges to other Municipalities re Indigent Hospital Accounts and Children's Aid Societies totalling $5,077.25.

Due from Province of Ontario, $209,689.22—The estimated subsidy from the Province of Ontario on account of 1952 expenditures on roads is $346,220.42 of which $139,992.39 was received in 1952, leaving a balance of $206,228.03 receivable as at December 31, 1952. In addition, there were amounts due of $3,461.19 for Weed Inspection and Administration of Justice.

Net Current Assets less Liabilities of Peel County Manor, $12,368.56—This represents the County of Peel's equity in the current assets less current liabilities of the Peel County Manor as at December 31, 1952. Details of the assets and liabilities of the Peel County Manor are shown in a separate statement which is included in this Report and comments on the various assets are made in a section on the Peel County Manor below.

Temporary Loan, $230,000.00—This bank loan of $230,000.00 has been confirmed by direct communication with your bankers. This loan has been arranged for the Good Roads System.

Accounts Payable, $62,076.74—Accounts Payable is made up as follows:

General Accounts	$11,343.71
Road Accounts	50,733.03
Total	$62,076.74

We have examined vouchers received to date in 1953 and understand that the above represents all the outstanding accounts of the municipality except for some accounts for nominal amounts only which may not have been presented to date.

Due to Other Municipalities, $1,484.50—This represents the portion of collections received re Post San Care due to the responsible municipalities in the amount of $812.50 and a Law Enforcement Account due totalling $672.00.

Deficit, $22,935.93—Due to the fact that the form now in use for Revenue and Expenditure Account for Counties includes Highway and Road Expenditures rather than on a separate statement, we have consolidated the accounts of the Road Department with the General County Accounts but we note below a detail of these items so that the position of the account applicable to Roads may be seen separately from the balance of the County General Accounts.

Deficit Road Account as at December 31, 1952	$44,448.40
Surplus General Account as at Dec. 31, 1952	21,512.47
Deficit as at December 31, 1952	$22,935.93

The above does not include any surplus or deficit of the Peel County Manor which is shown as a separate item (See below).

Surplus—Peel County Manor, $12,368.56—On the Revenue Fund Balance Sheet of the County of Peel we have not shown the individual Current Assets or Liabilities of the Peel County Manor but have shown the net valuation of such assets (See above). As at December 31, 1952, the Peel County Manor had a surplus of $12,368.56 which is equal to the net current assets less liabilities (See Separate Statements for the details entering into the calculation of this Surplus).

Revenue and Expenditure—Statement of Revenue and Expenditure Account showing details of the items entering into the calculation of the Deficit for the year of $21,891.42 is submitted herewith. We note below a break-down of the Deficit for the year so as to show separately the portion applicable to General

Account and to Good Roads System:

Deficit for 1952—Good Roads Systems	$43,622.82
Surplus for 1952—General Account	21,731.40
Deficit for 1952	$21,891.42

The deficit in the Road Account as at December 31, 1951, and the Surplus in the General Account as at December 31, 1951, were included in the respective revenues and expenditures for Good Roads System and General Accounts to arrive at the Deficit and Surplus as shown above.

Health Unit—Capital and Revenue Fund Balance Sheets and Statement of Revenue and Expenditure Account of both Health Unit and Health Unit—Special Dental and Sanitary are included in this Report.

Children's Aid Society—Balance Sheet and Revenue and Expenditure Account of the Children's Aid Society are included in this Report as well as Balance Sheet and Revenue and Expenditure Account of Protection Funds and Statement of Receipts and Payments—Trust Account.

Library Co-Operative—Statement of Receipts and Payments of the Peel County Library Co-Operative is included in this Report.

Peel County Manor

General—Prior to June 30, 1952, the affairs of what was then the Peel and Halton Home were managed by a Board of Management. Subsequent to June 30, 1952, the Home became the property of the County of Peel as set out above and has been re-named Peel County Manor and is now being administered by a Committee of County Council. We wish to point out that the expenditures in connection with the Peel County Manor have been approved by the Committee of County Council but such expenditures do not appear to have been brought before County Council for their further approval and we would recommend that in the future such approval be given to expenditures made in connection with the Peel County Manor.

Current Assets and Liabilities

Cash on Deposit—General, $7,425.79—All monies received are deposited in the Bank Account in the name of the Peel County Manor. We have verified the amount on deposit by direct communication with your Bankers. All payments are made by cheque except petty disbursements made by the Superintendent from an Imprest Cash Fund of $25.00 charged to expense. No adjustment has been made in the Statements for the amount in the Imprest Cash Fund unexpended at December 31, 1952.

The total amount on deposit in the General Bank Account as at December 31, 1952, amounted to $7,825.79 but of this $400.00 represented prepaid maintenance for various inmates and this has been shown under the Trust Section and only $7,425.79 shown as a Current Asset.

Inventory, $11,242.50—The Superintendent of the Peel County Manor has supplied inventory values of the food, livestock, etc., on hand as at December 31, 1952.

Current Surplus, $12,368.56—Statement is included herewith showing the allocation as between the Home and the Farm and the changes in the Surplus from December 31, 1951, to December 31, 1952. As at December 31, 1952, the Home had a deficit of $3,071.88 and the Farm a Surplus of $15,440.44, which left a net surplus of $12,368.56.

Statement of Operating Accounts

Operating Deficit of Home for 1952, $7,412.00—Statement of Operating Account of Home for the year 1952 shows an operating deficit for the year of $7,412.00. Produce from the Farm operated in connection with the Home have been charged to expenditures of the Home in accordance with the regulations of the Department of Public Welfare. The prices charged appear to have been reasonable, although no attempt was made to check them in detail.

For the year 1952 there has been included as Accounts Receivable any amounts owing by inmates for maintenance which are reasonably sure of being collected. The total of such accounts is $782.15.

There has been charged to expenditures all accounts known to have been incurred in 1952 but not necessarily paid before December 31, 1952.

Operating Deficit of Farm for 1952, $289.85.—Statement of Operating Account for year 1952 shows an Operating Deficit of $289.85. Produce from the Farm used by the Home has been charged to the Home at prices which appear to have been reasonable (See above).

Allowances to Committee Members, $494.80.—Allowances to Committee Members has been shown as a separate charge to the

Surplus Account since the Department regulations require that it should not be included in the Financial Report submitted to the Department.

Refund of Sales Tax re 1951, $398.58.—This represents Sales Tax charged on 1951 purchases which was refunded upon application by the Manor in 1952. As this revenue has to do with prior year's operations it has been credited to Current Surplus and allocated between Home and Farm on as equitable a basis as possible.

Capital Assets and Liabilities

Land, Buildings, Equipment and Furnishings, $92,000.00.—The County of Peel as of June 30, 1952, took over the County of Halton's 50% equity in the Peel and Halton Home and agreed to pay $46,000.00 for this 50% equity. In view of this, we have set the value of the land, buildings, equipment and furnishings at $92,000.00 as at June 30, 1952.

Equipment and Furnishings Acquired Subsequent to June 30, 1952, $16,226.42—This represents purchase of items of a capital nature from Current Funds after June 30, 1952, the date on which the County of Peel acquired full interest in the Peel County Manor, and consequently, were not included in the valuation at that date.

Trust Assets and Liabilities

General—Under various Court Orders personal property of certain inmates was vested in the Municipal Corporations of the Counties of Peel and Halton. Subsequently, the Counties transferred their interest to the Board of Management of the Peel and Halton Home. The Board of Management realized on the real property of certain inmates and applied the proceeds in payment of maintenance of these inmates. Certain of the balances of these proceeds are in Trust Bank Accounts while the remainder are in General Account. With the purchase of the interest of the County of Halton in the Home by the County of Peel, the County of Peel now operates the Peel County Manor by a Committee appointed by Council and this Committee will now be responsible for the administration of these Trust Assets. A supplementary report is included showing the detail of the assets held for individual estates.

Cash on Deposit, $1,712.27—Cash received on account of Special Trust Accounts is deposited in the proper Trust Accounts which are now in the name of the Peel County Manor. We have verified the amounts on deposit by direct communication with your bankers.

Cash on Deposit—Portion of General Account Representing Prepaid Maintenance for Various Inmates $400.00—The portion of the General Bank Account which represents prepaid maintenance for two inmates as at December 31 1952, has been shown as a Trust Asset. We have verified the amount on deposit by direct communication with your bankers.

Dominion of Canada, 3% Bond, $500.00—This is a bearer bond held in a Safety Deposit Box and was examined by us. We understand that this Bond now belongs to the estate of the deceased inmate and is being held pending claim.

Estates of Inmates—re Invested Funds and Unrealized Assets, $2,612.27—This represents the total assets held in trust being administered by the Peel County Manor Committee for the benefit of various inmates and the estate of a deceased inmate.

AUDITOR'S CERTIFICATE

Subject to the report herein contained, (I) (we) hereby report that in my (our) opinion:

(1) All the explanations and information required have been obtained.

(2) The financial transactions which have come under (our) notice have been within the powers of the municipality.

(3) The audit has been conducted in accordance with the instructions of the Department of Municipal Affairs.

(4) The Balance Sheets, Revenue and Expenditure Account and Supporting Schedules are properly drawn up to exhibit a true and correct statement of the affairs as shown by the books of the municipality.

GOOD ROADS

COUNTY OF PEEL

Expenditure on the County Road System during 1952.

To the Warden and Members of the Council of the County of Peel.

Gentlemen:

I beg to submit herewith the detailed statement of money expended in accordance with the Regulations of the Department of Highways of Ontario on the Peel County Road System during the period January 1st, 1952 to December 31st, 1952.

The tabulated statements, declarations, etc., required by the Department of Highways in submitting the petition for the subsidy have also been prepared and submitted.

The mill rate was 8.5 mills. This raised $268,117.36 for County Roads and $18,500.00 for the first payment on the Debentures issued in 1951.

Details on the Expenditures are shown on the following pages. The largest was for the new road east of Malton, which is nearly completed.

Traffic is increasing every year. The travelling public demand roads safe for travel at maximum speeds at all times of the year. Wages and Material costs are increasing. At any reasonable tax rate it is impossible to produce the roads asked for by the motorist. We are doing our best but it is very difficult to even try to satisfy everyone. As your Engineer, I will try to spend the money available to the best advantage, but if we are to stay within our budget no extra work can be added during the year.

Respectfully submitted,

N. L. POWELL, B.A. Sc.,

Registered Professional Engineer,

County Engineer and Road Superintendent.

GRADING ON SEVENTEEN SIDEROAD EAST W½, CON. 2

Filling Two Sinkholes

This job was let in 1951 to C. Coghlin & Sons, of Listowel @ 20½ cents cu. yard, the lowest of nine tenders. See Page 75 of 1951 Report.

In 1951 C. Coghlin & Sons were paid $3,000.00. The contractor spent all summer filling one hole. Left the job when first snow came. He was told he was finished. He only worked now and then. The westerly hole has been satisfactory, no sinking in 1952.

Other Accounts paid in 1951:

Borrow Pit	$ 375.00	
Cutting trees	7.00	
Gravel—1,390.05 tons	2,043.53	
County Labor & Mileage	77.54	
Total in 1951	$5,503.07	
1952—C. Coghlin & Sons—Final Estimate		$ 319.98
C. Coghlin & Sons—per Ross Hanna		80.00
		$399.98

In 1952 the second hole appeared to require very litle more fill. We started to fill it by day labor. After one week it started to sink and has not stopped yet.

The County spent the following:

Labor	359.24
Machinery Rental	5,607.54
Dynamite	81.00
Fencing	84.53
J. C. Duff—Gravel 154.05 tons	310.30

GRADING ~~5th~~ 4TH LINE WEST, LOTS 6 AND 7

TOWNSHIP OF CALEDON

Grading and Gravel on New Grade

Tenders received for cutting two small hills to improve the line of sight.

Two Tenders were received:

H. S. Beer, Alton, 5,000 cu. yds. @ 30 cents cu. yd.
Wilson Bowles, Caledon East, 5,000 cu. yds. @ 30 cents.

The work was awarded to the low tender, H. S. Beer

Paid on first estimate	$1,500.00

Work completed except for trimming, too wet to finish.

The Gravelling was done by the County:

Levels and Cross-Sections on two miles of Road	302.95

MALTON SIDEROAD—EAST OF MALTON

In 1950 the A. V. Roe Company advised the County that a large plant was to be constructed one-half mile east of Malton. This plant would have several thousand employees and the Company asked the Counties of Peel and York to pave the road, known as the Old Malton Road. The County Council of Peel County insisted that for normal County Road traffic a good gravel road was all that was required.

If the construction of a factory said to be a Dominion Government Plant on which there was no assurance that any taxes would be paid, required the road to be widened, graded and paved, the owners of the plant should pay the cost of the road improvement.

A number of meetings were held with the A. V. Roe Company, York County and the Ontario Department of Highways. The County of Peel submitted an estimate of cost of their share of the road, just over 1½ miles, this work required a seven foot cut in front of the new plant and a new location through the farms in Concession Eight. This estimate was $218,000.00 for a road of Provincial Highway Standard. The York County estimate was $435,000.00 for 4½ miles following the Old Malton Road and using the old pavement in part.

Finally the A. V. Roe Company made an offer of $250,000.00 towards the cost of the new road, and the Department of Highways made a very generous offer of the usual subsidy of 50% on road construction and 80% on bridges, and signed an agreement stating that the payment from the A. V. Roe Company would not be deducted from the total expenditure for the purpose of subsidy.

This means that Peel County received one-third of the $250,000.00 and York County two-thirds.

Peel County share $83,333.33 not to exceed five-thirteenths of the cost of the road.

ROAD EAST OF MALTON

Tenders were called for building this road on a unit cost basis and the totals of the tenders were as follows:

Peel Const. Co. Ltd., Brampton	$139,495.00
King Paving Co., Oakville	162,757.00
G. W. Porter Co., Toronto	188,021.00

JANUARY SESSION

FIRST DAY OF JANUARY SESSION

Council Chambers, Court House, Brampton, January 20, 1953.

Peel County Council met on the above date at 2 p.m. in accordance with the Municipal Act.

Mr. J. E. Patterson, Warden of Peel County for the year 1952, called the meeting to order. Mr. Patterson welcomed the members to Council and presented Mrs. Fix, the Deputy Reeve of the Township of Toronto with a bouquet of roses, pointing out to Mrs. Fix that she was the first lady member of County Council in its 85 year history.

Mr. Patterson then turned the meeting over to the Clerk.

The Clerk informed the Council that the following members had filed certificates with him, and would make up the Council of the County for the year 1953:

Albion—J. E. Pattersons, Reeve; George E. Holtby, Deputy Reeve.

Caledon—John Scott, Reeve; Edward Walsh, Deputy Reeve.

Chinguacousy—Wilbert Wilkinson, Reeve; Alex. McKinney, Deputy Reeve.

Toronto Township—Anthony Adamson, Reeve; Mrs. Mary Fix, Deputy Reeve.

Toronto Gore—J. N. Duncan, Reeve.

Brampton—C. Carman Core, Reeve; W. George Thompson, Deputy Reeve.

Bolton—O. H. Downey, Reeve.

Port Credit—J. C. Saddington, Reeve; S. B. Bradley, Deputy Reeve.

Streetsville—W. C. Arch, Reeve.

The Clerk informed the Council that in accordance with the Municipal Act, and the number of Municipal Electors that resided in the Village of Port Credit, that the Reeve of Port Credit would have two votes in Council.

The Clerk informed the Council that their first duty was the electing of a Warden.

Moved by O. H. Downey, seconded by J. N. Duncan—That in the election of the Warden the course to be pursued shall be as follows: That the names of the candidates shall be given to the Clerk immediately and a vote taken on each candidate in rotation, and the candidate receiving the majority of votes of all members present shall be declared elected. In the event that no candidate receives a majority vote, the name of the candidate receiving the lowest number of votes shall be omitted from the next vote and the election continued in this way until some candidate has received a majority vote. Then every candidate who has been voted upon and dropped shall be pitted against the said candidate who received a majority vote in the first voting, and a majority vote shall prevail until only one candidate is left, who shall be declared elected. Carried

Nominated by J. N. Duncan: That Mr. C. C. Core, Reeve of the Town of Brampton be Warden for the year 1953.

Nominated by O. H. Downey: That Mr. J. S. Scott, Reeve of the Township of Caledon be Warden for the year 1953.

Nominated by W. Wilkinson: That Mr. A. Adamson, Reeve of the Township of Toronto be Warden for the year 1953.

There being no more nominations, on motion by A. Adamson, the nominations were closed.

Each of the candidates addressed Council and Mr. Adamson asked that his name be withdrawn.

The Clerk then asked for votes on the nominations of Mr. Core and Mr. Scott, with the result that Mr. Scott received a majority vote, and the Clerk declared Mr. Scott Warden of Peel County for the year 1953.

The Warden was conducted to his chair by his mover, and subscribed to the oath of office before the County Clerk.

The Clerk then asked Mr. Patterson to address Council before the Warden elect took over his duties, Mr. Patterson presented the Warden with a gavel.

The Warden then thanked the members of Council for the honor thus bestowed upon him, and expressed a desire for their co-operation in conducting the affairs of the County for the present year.

Each of the members present assured the Warden of their support and expressed their confidence of his ability to fill the office of Warden of the County.

The Warden called upon Mr. Powell, County Engineer and several in the gallery for a few words.

Moved by J. C. Saddington, seconded by S. B. Bradley—That a committee of five be appointed by ballot to select the standing committees of County Council for the year 1953. Carried.

The Warden appointed Mr. McLaughlin and the Clerk to count the ballots for the select committee. Mr. McLaughlin informed the Council that the vote resulted as follows: Chairman, Core; Members, Wilkinson, Saddington, Patterson and Duncan.

On motion the Council adjourned to allow the striking committee to prepare their report. After due deliberation the select committee brought in their report, and on motion the report was adopted.

On motion Council adjouned until 10 a.m., Wednesday.

HENRY H. RUTHERFORD, J. S. SCOTT,
Clerk. Warden.

REPORTS

FEBRUARY REPORT OF THE EDUCATIONAL COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Education beg to report as follows:

1. Letter from the Department of Education regarding supplementary examinations, dated February 2nd, 1953.

Your Committee recommends acknowledgment of this letter setting forth a request for a serious review of the Department's attitude in view of the overcrowding of schools. We feel that it is unenconomical to hold a pupil back for a year as a result of failure in one or two slubjects.

2. Letter from William H. Millward, St. Catharines, dated January 27th, 1953.

Your Committee recommends acknowledgment and that endorsation of the resolution be forwarded to Hon. Walter Harris, Minister of Immigration, Mr. Harry P. Cavers, P.M., for the County of Lincoln and the Hon. Minister of Education for Ontario.

3. Letter from J. D. Thompson, St. Thomas, Ontario, dated January 29th, 1953.

Your Committee recommends that owing to the exemption proviliges given rural lands regarding Local Improvements and assessment advantages as against urban property we do not at this time favour any change in the levying of Educational costs.

4. Letter from the County Council Section of the Ontario School Trustees and Ratepayers' Association dated January 28th, 1953.

Your Committee recommends that this letter be received and filed.

5. Letter from the Hon. W. J. Dunlop, Minister of Education dated January 30th, 1953.

Your Committee recommends that this letter be received.

6. Letter from L. C. Kennedy, Clerk of the United Counties of Stormont, Dundas and Glengarry, dated February 11th, 1953.

Your Committee recommends that the resolution regarding High School Trustees be held in abeyance for the time being.

Adopted February 19th, 1953.

MARY FIX,
Chairman.

J. S. SCOTT,
Warden.

REPORTS

MARCH REPORT OF THE EDUCATIONAL COMMITTEE

To the Warden and Council of the County of Peel.

1 Your Committee on Education beg to report as follows:

Replies have been received as follows regarding our recent recommendation that the Department of Education consider tying school grants to standard department approved school buildings.

(1) Haldimand County Council concurred in the resolution but requested further information.

(2) County of Welland requesting more information.

(3) County of York expressed interest and requested further information.

(4) County of Lincoln endorsed the resolution.

(5) Halton County endorsed the resolution.

(6) County of Ontario did not endorse it.

We recommend advising the Counties which have requested further information "that the idea behind the resolution was to assure a maximum of efficiency with a minimum of expense and to keep educational expenses down to a democratic level. It should be pointed out that in the fast growing Municipalities extravagances in school buildling have been alarming. We need more actual school rooms and one way we can be assured of having them is to "cut out frills" as the Honourable Mr. Dunlop recently said, and we can increase our school room accommodation by so doing.

Adopted March 12th, 1953.

MARY FIX,
Chairman.

J. S. SCOTT,
Warden.

MARCH REPORT OF THE PRINTING COMMITTEE

To the Warden and Council of the County of Peel.

MARCH REPORT OF THE AGRICULTURAL COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Agriculture beg to report as follows:

1. That letters from Middlesex, Halton and the United Counties of Northumberland and Durham endorsing our stand on the use of vegetable oil in dairy products be received.

2. Weed Inspection: An amount of $1,000.00 has been provided in the budget for Weed Control.

We recommen dthat an additional Weed Inspector be appointed for South Peel, if a suitable man can be secured and that the Agricultural Committee be instructed to investigate and report to the April Session.

3. That we approve the attached program of the Peel County Conservation Committee.

PROPOSED ACTIVITIES OF THE PEEL COUNTY CONSERVATION COMMITTEE

1. To instigate a programme to promote the building of farm ponds as per the attached outline. Estimated expenditure $1,000.00.

2. To carry out an educational programme in connection with barberry and buckthorn eradication throughout the County

and to attempt a complete clean-up on a one township basis, supplying necessary materials. Estimated expenditure $400.00.

3. To attempt some definite grassland rejuvenation projects in the areas in the north townships where erosion and low fertility have seriously lowered the production potential. Estimated expenditure $200.00.

4. To organize a Soil Testing Programme on a township basis in Caledon in 1953 with a sample from every farm as an objective. Group meetings to be held in the full months to discuss the results with the individual farmers concerned. Advertising the project and the meetings to be paid from the grant. Co-operation of the Soils Department already promised. Estimated exepnditure $100.00.

5. If possible, to undertake to secure a co-operator who would do some demonstration work on the value of deep tillage and subsoiling over a period of years.

PROPOSED POLICY TO PROMOTE BUILDING OF FARM PONDS IN PEEL COUNTY

OBJECTIVE: To promote the conservation resources in the County.

PURPOSE OF PONDS:

1. To provide water supply for livestock.
2. To provide water for fire protection.
3. To provide water for irrigation and spraying.
4. To assist in control of soil erosion.

FINANCIAL ASSISTANCE: The County of Peel, through its Conservation Committee, in co-operation with the Ontario Department of Agriculture, proposes to pay 33 1/3 percent of the cost of approved ponds up to a maximum of $50.00 for any one pond er farm—the aggregate total of such subsidies paid by the Committee not to exceed $1,000.00 in 1953.

REGULATIONS:—

1. Farm ponds eligible for a subsidy under this policy must have aminimum capacity of 250,000 gallons (e.g. 8' x 50' x 100.).

2. Applicants must complete a "Request for Pond Survey", which forms may be secured from the Brampton office of the Ontario Department of Agriculture and returned to the Secretary, J. W. McCullough, Dept. og Agiculture, Brampton.

3. All applications will be submitted by the Secretary of the Peel Conservation Committee to the Department of Agricultural Engineering, Ontario Agricultural College, a representative of which Department will investigate the proposed site for suitability and utility.

4. In all cases the engineer who inspects the site will prepare duplicate reports of his decision — one copy to be forwarded directly to the applicant, the other copy to the Secretary of the Peel Conservation Committee, Ontario Department of Agriculture, Brampton. Where the application is approved, the report of the applicant will be accompanied by a plan or such suggestions for the construction of the ond as may be deemed advisable.

5. The Committee has agreed to work in co-operation with established River Authorities and grants will be available only where River Authority grants are not applicable. (At present a similar grant of $50.00 is available through the Humber Valley Authority.)

6. Upon completion of the pond, properly fenced, the owner must advise the secretary of the Peel Conservation Committee who, in turn, will arrange for a final inspection by the Department of Agricultural Engineering, duplicate copies of report of this final inspection will be prepared, one copy to be forwarded to the farm owner and one copy to the Secretary of the Peel Conservation Committee.

7. Within thirty days of such pond approval the owner must submit a detailed statement of expenditure, with vouchers attached, to the Secretary of the Peel Conservation Committee, J. W. McCullough, Brampton.

8. Upon receipt of statement of expenditures where a pond has been approved, the Secretary shall, with the approval of the chairman of the Peel Conservation Committee, issue a cheque to the owner for 33 1/3% of the cost, up to a maximum of $50.00.

9. The Committee strongly recommend that ponds' banks be seeded to grasses at the earliest possible date following completion.

Adopted March 12th, 1953.

A. McKINNEY,
Chairman.

J. S. SCOTT,
Warden.

Warden.

APRIL REPORT OF THE PEEL MEMORIAL HOSPITAL COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Peel Memorial Hospital beg to report as follows:

1. The regular meeting of the Board of Governors was held Thursday evening, March 19th, 1953.

2. The chairman reported that a grant of 16,000.00 would be received from the Government, under the new regulations.

3. No replacement for Miss Shaw had yet been made, but the Committee reported progress.

4. A committee was appointed to arrange for observation of Florence Nightingale Day in connection with Brampton Centennial. Accounts were passed for payment and routine business attended to.

5. We recommend payment of the following fees and mileage:

S. B. Bradley	$10.80

Adopted April 9th, 1953.

S. B. BRADLEY, J. S. SCOTT,
Chairman. Warden.

APRIL REPORT OF THE TREE CONSERVATION COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Tree Conservation beg to report as follows:

1. That we have received three complaints, regarding cutting trees during winter season. Your chairman investigated one on Lot 4, Concession 5 West, Chinguacousy, and found that a recent purchaser of a farm had been cutting unaware of the existence of the by-law.

2. Your chairman, Mr. Gage and Mr. Graham, investigated two complaints of March 23rd, one on Lot 32, Concession 5 Chinguacousy, where we found cutting taking place, but were unable to find the owner of the property until your chairman interviewed the former owner, who informed me that he had sold 7 acres to two Dutchmen, who were cutting the wood for their own use with the intention of opening a stone quarry.

3. The second investigation led us to Lot 25, Concession 4, were found the by-law being violently violated, this property having been purchased by the Cheltenham Brick Works, a number of years ago, and timber cut off, and has grown with second growth. We estimated that over 200 cords has been cut, during the past winter, and that 90% of this is undersize, and your committee are referring this to the consideration of the Council.

4. We recommend the following expenses:

W. H. Mcaugherty, April 9th, 1 day, $7.50 20 miles, $1.40	$ 8.90
John Graham, March 28th, ½ day, $4.50; April 9th, 1 day, $7.50; 30 miles, $2.10	13.10

John Anderson, Feb. 2nd, ½ day, $4.50; 44 miles, $3.08; March 23rd, ½ day, $4.50; March 27th, ½ day, $4.50; 34 miles, $2.38; April 9th, 1 day, $7.50; 34 miles, $2.38	27.84

Adopted April 9th, 1953.

J. ANDERSON,
Chairman.

J. S. SCOTT,
Warden.

Toronto Township	1,610.80
Total	$2,394.30

Adopted April 9th, 1953.

J. C. SADDINGTON,
Chairman.

J. S. SCOTT,
Warden.

REPORT OF THE COUNTY ASSESSOR

To the Warden and Council of the County of Peel.

The Assessment Act, Section 86, Subsection (1) directs that the County Assessor shall report to the County Council before the first day of June of every year on the assessments made in each municipality. And such report shall form the basis for equalization under Section 87. I, therefore, beg leave to submit the following report:

The Township of Albion is the only municipality in the County not using the County of Peel Manual for local assessment purposes, but an appraisal has been made of the township for County Equalization. It will be necessary, however, to estimate the increase over last year's equalized assessment for the present equalization schedule, as new buildings have not been appraised by using the County Manual in 1952.

The Assessors in the other municipalities, I believe, have made an honest effort to make an equitable assessment by following the assessment act, and by using the County of Peel Manual as a guide.

The Town of Brampton have includedi ntheir assessment, an amount for business assessment on florists to the amount of $159,835.00, which at present, is under litigation as to the liability of such assessments, and may be proven in the courts to be null and void.

The Township of Toronto which is the most difficult municipality in the County to assess, owing to the tremendous growth and the many different types of property, have this year made up the assessment rolls by using the County system of assessment. Therefore, it will not be necessary to make any adjustment in the local assessment for County purposes.

There is no doubt that some minor adjustment may be necessary to level out the local assessments. However, I feel that no adjustment is necessary for County Equalization purposes.

Properties exempt from taxation are taking on a serious aspect, shown by the following figures:

Municipality	Exemptions	Percentage of Total Assesment
Albion	$ 102.350	6.30
Caledon	73,252	2.76
Chinguacousy	126,043	2.42
Toronto	9,377,990	25.38
Toronto Gore	15,250	1.81
Brampton	1,033,379	11.00
Bolton	45,810	6.60
Port Credit	308,205	6.12
Streetsville	94,415	10.35

Included in Streetsville exemptions is an amount of $22,275, which is exempt by fixed assessment except for school purposes, relief, etc.

In the Township of Toronto $6,956,365 is on properties used for industrial purposes by agents of the Crown and if operated by private enterprise would be subject to an additional 60% business assessment. There is some doubt as to whether this property is exempt from taxation and this could only be decided in the courts. John S. Entwistle & Company in their Municipal Provincial Audit Report of November 27th, 1952 recommend that no policy of accepting payment in lieu of taxes be adopted until it is established beyond doubt that the municipality has no power to assess and tax the companies operating for the Crown.

In regard to the Entwistle report, some of the statements made are not correct regarding County Equalization. On Page 71, the following is reported: "In 1950, the County Assessor reviewed the Township Assessor's Files, which then included revised assessments on some properties, revisions having been made on the basis of the county manual and made up the county valuations of Township properties by including therein the revised residential and farm assessments, and additions to five industrial assessments made up by the County Assessor, this latter to the amount of $1,127,660. The process of equalization of assessments with the county for the years 1950 and 1951 involved the inclusion of amounts applied directly to certain industrial establishments and so far as 1951 is concerned, this is the only adjustment made."

The facts are that no assessments were made on that basis for the 1950 or 1951 rolls, and it would be very easy to establish that fact by looking at the assessment rolls. This in turn, gives no authority for the statement on page 72: "If the County Assessor's figures for those particular industrial assessments were correct, applying the mill rates for the sections in which the properties are situated gives rise to an amount of additional taxes of $94,614 for 1951, and $96,753 for 1952."

The equalization for 1950 and 1951 was made from appraisals of all types of property on the basis of the County Manual, and if the figures used for equalization had been used for local assessment, it certainly would not have raised any additional taxes on industrial property in 1951, but in 1952 the additional taxes would have been greatly in excess of the figures quoted in the report.

Again on page 71, the report states that "The notification of intention by the County Assessor to include these amounts (additions for industrial asssesments) in the equalized assessments statement did not come to the executive officer of the township until after the township roll was closed, and the township rates struck."

As the roll is closed on November 30th and the rates struck in March, it would be an impossibility to notify the township previous to closing the roll, as the equalization report is often not made until May of the following year, and in any events, I have always disclosed any information regarding the equalization whenever asked for it.

Having met several times with the men making up the Entwistle report, it may have been partly my fault that the report regarding County Equalization is in error, as I evidently did not make it clear to them, but it is quite evident from various statements made in the report under the heading, "County Levies," that it was misunderstood.

The following attached schedule shows the equalized assessments identical to the local assessments with the exception of the township of Albion. In that township, the equalized assessment is increased by adding to the local assessment ,the amount of $602,177, which was arrived at by using the appraisals made by using the County Manual and estimating the increase since the appraisals were made.

REPORTS

MAY REPORT OF THE EDUCATION COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Education beg to report as follows:

1. Letters numbered 1, 2 and 3 from the United Counties of Stormont, Dundas and Glengarry, the County of Hastings and the County of Waterloo, advise that no action is being taken regarding Peel County's resolution re tying school grants to standard, department approved Buildings. Your committee recommends that these letters be filed.

2. Letter from Town of Perth, April 21, 1953, regarding an increase in Motor Vehicle tax to cover road costs. Your committee recommends that this letter be acknowledged and that attention be called to the Peel County resolution re, tying school grants to standard department approved buildings be studied. Great economics are now being effected in some of the fast growing municipalities by a business-like approach to reducing school building costs and we feel that an increase in Motor Vehicle tax is not the only answer to the tax problems arising from schools and roads. We would like further information before contemplating any action.

Adopted May 7th, 1953.

MARY FIX,
Chairman.

J. S. SCOTT,
Warden.

BY-LAWS

BY-LAW No. 1233

Being a By-Law to Provide Pensions for Employees.

WHEREAS The Municipal Act provides that by-laws may be passed by all municipalities for providing pensions for employees or any class thereof:

THEREFORE the Council of the Corporation of The County of Peel ENACTS AS FOLLOWS:

1. The municipality shall enter into an employees' Retirement Annuity Contract in the form set out in the Plan attached hereto and forming part of this by-law, and the Warden and the Clerk are hereby authorized and directed to execute all documents, and do all things necessary in connection therewith, and the Clerk is hereby authorized and directed to affix the seal of the municipality to all such documents.

2. The Council annually shall provide in the current estimates the sum required to pay for the annuities to be purchased by the municipality under the Plan for those employees who from time to time become members of the Plan; and annually shall pay the said sum in one instalment to the Insurer.

3. The Municipal Treasurer shall record the payments by members of the Plan in a separate account and shall remit same to the Insurer.

(a) The municipal auditor shall audit all transactions in connection with the pension plan and shall report annually to the municipal council and his report shall be contained in the annual municipal audit.

4. Every employee who elects to join the Plan shall sign a form of application for membership in the Plan which shall authorize the municipality in writing to deduct from his salary or wages his payments under the Plan.

5. Every employee who applied for membership in the Plan shall be given a copy of this by-law at the time of application.

6. Every person who becomes an employee after the effective date of the Plan shall be required as a condition of his employment to join the Plan as provided therein.

7. Every employee who joins the Plan shall be deemed to have joined it upon the terms and conditions contained in this By-law.

8. It shall be the duty of the Treasurer:

(a) To keep a list of all member employees under the Plan in which shall be set out the name and age of each, the time when he entered the service, of the municipality, a cumulative record of his service, the amount of his salary or wages from time to time, the name, address, age and relationship of each beneficiary nominated by him under the Plan, his Normal Retirement Age, and his earlier retirement age according to the Plan.

(b) To keep a correct list of all member employees and former member employees who have retired or who have terminated their employment or whose employment has been terminated and the amount of the annuity to which each became or will become entitled to under the Plan.

(c) To keep such other statistical and other records relative to the Plans as may be required.

(d) To report to the council on or before the first day of February in each year.

(1) The names of all member employees who have retired from the service of the municipality or have died during the last calendar year.
(2) The salary or wages of each member employee at the time of his retirement or death.
(3) The cause of retirement.

(e) Generally to do all things necessary in connection with the administration of the plan.

9. Any member employee who calims to be entitled to be retired before his normal or earlier retirement age on account of disability shall make his claim to the treasurer who shall report thereon to council.

10. The municipality shall provide such clerical assistance, stationery, postage, printing, office and filing equipment as may be necessary to enable the Clerk and Treasurer to carry out their duties under this By-law.

11. This By-law shall not be amended so as to adversely affect the benefits or rights of the member employees, or any of them, or be repealed unless such amendment or repeal shall first have been assented to by a majority vote of all member employees; nor shall the said By-law be reepaled or amended without the approval of the Department of Municipal Affairs.

Read a first and second time this 6th day of August, 1953.

Read a third time and finally passed this 6th day of August, 1953.

HENRY H. RUTHERFORD,
Clerk.

J. S. SCOTT,
Warden.

Age 56	61st birthday
Age 57	62nd birthday
Age 58	63rd birthday
Age 59	64th birthday
Age 60	65th birthday

3. CONTRIBUTIONS

(a) **For Future Service**

(1) EMPLOYEE — Each member of the Plan will contribute a percentage of his earnings at least equal to that contributed by his employer.

(2) EMPLOYER — For each member of the Plan the Employer will contribute an amount equal to 5% of the employee's earnings for service rendered after the effective date of the Plan (hereinafter referred to as Future Service Contributions).

(b) The contributions of a member will be deducted from his earnings by the Employer and remitted to the Insurer at the end of each annual period together with Employer contributions for the same period.

4. AMOUNT OF RETIREMENT ANNUITY

(a) **Future Service** (being service rendered by a member after the effective date of the Plan). Each member of the Plan will receive, at Normal Retirement Date, subject to the terms of this Plan, the amount of annuity purchased by the contributions made by the member himself and by the Employer on his behalf for Future Service.

5. PAYMENT OF RETIREMENT ANNUITY

The Retirement Annuity will commence on the retirement date of the member and will be payable in monthly instalments as long as he lives, provided that sixty monthly instalments will be paid as an annuity in any event.

6. OPTIONAL TYPES OF ANNUITY

In place of the normal type of annuity, as described in section 5 above, a member may at any time more than five years before his retirement annuity commence or within six months from his date of registration with the Insurer, choose any one of the following types provided the cost to the Employer is not herebyby increased:

(a) Joint and Survivorship Annuity—providing a smaller annuity but payable during the lifetime of the member and another persons, generally his wife, and continuing until the death of the survivor.

(b) Annuity payable for life but 120 annuity instalments guaranteed in any event.

(c) Annuity payable for life and ceasing with the last instalment due before the date of death.

(Information will be supplied by the Insurer on request, as to the approximate amount of annuity that would be received under any one of these options.)

7. TERMINATION OF EMPLOYMENT

(a) No pension plan provided in accordance with this paragraph shall permit any cash withdrawal except where the monies standing to the credit of an employee will produce an annuity of less than $50 at Normal Retirement Date, and the plan shall provide that in that case the employee shall be paid the sum equal to his contributions together with interest thereon upon leaving the service of the municipality or local board.

(b) Subject to clause (a), a pension plan shall provide that where an employee leaves the service of municipality or local board before reaching normal retirement age he shall receive a paid-up policy providing for such annuity, commencing on retirement date and payable in monthly instalments, as the funds standing to his credit, together with interest thereon, will then purchase.

(c) Subject to Section 16, no pension plan provided in accordance with this paragraph shall permit the assignment or transfer of any annuity or any instalments payable thereunder.

(d) Subject to Clauses (a) and (b), all payments of the municipality or local board and the employee together with interest on the sum of both shall vest in the employee when paid or earned.

(e) If a member is convicted of a criminal offence arising out of a breach of trust, embezzlement or fraud committed in the course of his service, he will thereby forfeit any right to or in respect of all contributions made by the Employer on his behalf, or to any payment calculated by reference to any such contributions under this Plan if notice of the conviction is received by the Insurer before payment is made to the member, or to his designated beneficiary or legal representatives.

8. RE-EMPLOYMENT

Any member whose employment has been terminated and who is subsequently re-employed by the Employer will, for purposes of this Plan be considered a new employee.

9. EARLY RETIREMENT

A member may be permitted to retire on the first day of any month for reasons of sickness or disability as determined by the Employer. The amount of annuity thereupon payable to the Member will be on a reduced scale.

10. DEATH BENEFITS

(a) Before Retirement

(1) If a member dies before the first instalment of his Retirement Annuity is due, whether or not he is in the employ of the Employer at the date of death, an amount equal to the contributions he has made under the Plan will be paid to his designated Beneficiary in a lump sum.

(2) In addition, the amount equal to the Future Service Contributions paid on his behalf by the Employer, will be paid to his designated beneficiary in a lump sum.

(b) **After Retirement**

If a member dies after the first instalment of his Retirement Annuity has become due and before sixty monthly annuity payments have been received, the annuity payments will be continued to his designated Beneficiary as they become due, until sixty monthly payments in all have been made. However, if a member has elected an optional type of annuity, the death benefits, if any, will be determined accordingly.

11. ABSENCES FROM WORK

Authorized absences from work shall not constitute termination of employment for purposes of this Plan, but will be governed as follows:

(a) If the member received pay, contributions will continue and he will be entitled to all benefits as though he were actually at work.

(b) If the member does not receive pay, contributions will cease but any benefits previously purchased will not be affected. Upon return to active service, contributions will be resumed.

12. LIMITATION OF ASSIGNMENT

(a) The Retirement Annuity and other benefits under the Plan are not assignable, whether by voluntary action or by operation of law.

(b) A member may not borrow against his contributions nor withdraw them at any time.

13. RIGHT TO EMPLOYMENT OR BENEFITS

Participation in this Plan will not give any member the right to be retained in the service of the Employer, or any right or claim to benefits, unless the right to such benefits has specifically accrued under the terms of this Plan.

14. ADMINISTRATION OF THE PLAN

The Employer reserves the right to decide all matters arising in the administration and interpretation of the Plan. It will be the obligation of the Employer to pay over to the Insurer the contributions collected from the members, together with the contributions required to be made by the Employer under the Plan and it will be the obligation of the Insurer to pay benefits as set out in this Plan in accordance with contributions received.

15. TRANSFER OF PENSION FUNDS

Where an employee,

(1) becomes a member of the Civil Service of Ontario or Canada;

(2) Becomes an employee of another municipality, or

(3) becomes a member of the staff of any board, commission or public institution established under any Act of the Ontario Legislature;

the council may by by-law authorize the transfer of, or may transfer, the whole or any part of any money standing to the credit of the employee in connection with a pension plan or fund established for employees of the municipality or a local board, to any like plan or fund maintained to provide superannuation benefits for the members of such civil or civic service or such staff, as the case may be.

REGULATIONS UNDER THE PLAN

1. PROOF OF AGE

(a) At the time of joining the Plan, or as soon thereafter as possible a member will send to the Insurer a birth or baptismal certificate, as proof of his date of birth. The birth or baptismal certificate will be returned to the member.

(b) If a birth or baptismal certificate cannot be obtained, the member will submit a **Statutory Declaration** as to the date of birth by parent, or a copy of the entry of his date of birth in the family Bible, certified to be a true copy by a Lawyer, Justice of the Peace, Notary Public or Commissioner for Taking Oaths.

(c) If such cannot be obtained, the member will submit a Statutory Declaration by a responsible person having cause to know of his date of birth, stating that no other documentary proof of age can be obtained.

(d) If such cannot be obtained, the member will himself submit a **Statutory Declaration** as to his date of birth, stating that no other proof of age can be obtained.

2. BENEFICIAY

Each Employee, on becoming a member of the Plan, may designate any person as his Beneficiary to receive such sums as may me payable on or after his death, reserving the right to change the Beneficiary from time to time with the assent of the

Insurer. If, on the death of the member, there should be no living designated Beneficiary with respect to himself, such sums as would otherwise be payable to his designated Beneficiary will be payable to the legal representatives of the member.

3. EVIDENCE OF MEMBERSHIP

Each member of the Plan will receive from the Insurer evidence that he has been included as a Member of the Plan.

4. TERMINATION OF SERVICE

A member shall be demed to have finally terminated his service when, in the opinion of the Employer, he has terminated his employment without reason to believe that he will be further employed.

5. SUSPENSION OF SERVICE

A member shall be deemed to have suspended his service when he is temporarily off duty without pay for any reason other than on account of illness or accident, except as otherwise provided herein, or in the Plan.

6. SERVICE TO COUNT TOWARDS EMPLOYER'S SHARE OF RETIREMENT ANNUITY

In computing a member's period of service towards the Employer's share of Retirement Annuity, the following regulations shall prevail:

Service to be included

(a) All time worked with any or all Departments of the Employer or all time worked and paid or contributed to in whole or in part by the Employer.
(b) All time lost on account of absence for reasons of illness, where a member is paid for such absence.
(c) All time lost on account of absence for reasons of illness, where a member is not paid for such absence but is considered as being on sick leave.
(d) All time lost on account of seasonal lay-offs where a member is not paid for such absence, but who qualifies as a permanent employee.
(e) All time of employment with previous employers who transferred funds under section 16 of this Plan.

7. DISABILITY

"Disability" as set out in the Plan shall be interpreted to mean that a member has furnished medical testimony satisfactory to the Employer that he is unable to continue further at his employment.

REPORTS

NOVEMBER REPORT OF THE EDUCATION COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Education beg to report as follows:

1. That letter has been received from Mr. Willis, Brampton High School acknowledging maps. It is recommended that this letter be filed.

2. A letter from South Peel Board of Education (Nov. 5, 1953) acknowledging a cheque for $166.66, representing one-third of a $500 grant to the Department of Agriculture in the new Thos. L. Kennedy High School. It is pointed out that the school has been open and should receive a grant for two-fifths rather than one-third of a year and request is made for an additional $33.34. Your committee recommends that this additional amount be forwarded.

3. A letter of October 27th, 1953 from Brampton High School District Board requesting $500.00 grant for its Agricultural Course. It is recommended that a cheque for $500.00 be forwarded.

4. Your Committee would like to recommend that Mr. B. C. Smith, Port Credit, be the County Representative on the South Peel Board and that Mr. A. G. Davis be County Representative to the Brampton High School District. Both gentlemen are willing to accept the appointment.

Adopted November 19th, 1953.

MRS. MARY FIX,
Chairman.

J. S. SCOTT,
Warden.

Mr. A. Adamson, 1 meeting, mileage	13.00
Mr. J. S. Scott, 3 days' mileage	12.60

4. Pursuant to the Committee's Report to County Council at its November Session, a meeting of the Committee was held on Friday, November 25th, 1953, with Mrs. W. Yarranton and Dr. W. H. Brydon in attendance.

Searching inquiries were made concerning details of the operation of the Home and the care and comfort of the residents and as a result of these inquiries, this Committee agrees unanimously, that the present Superintendent, Mrs. Yarranton, is doing everything within her power to accommodate and care for the residents in every way possible, but due to the antiquated buildings, the outdated kitchen equipment and lack of proper facilities to care for the more infirm, there are matters involved in the ordinary every day living of the residents which this Board feels can only be improved upon when structural changes in accommodation have been accomplished and proper classification of the residents has been made; special care being provided for those unable to care for themselves. In this latter regard, Dr. Brydon has been requested to classify all residents and advise the Board immediately of his efforts to place infirm residents in hospitals, or other Homes equipped to care for the infirm.

The Committee further recommend that new construction be planned on the present site, and that the Board be authorized to engage an architect immediately for consultation as to the quantity, and type of construction required and that the architect be instructed to liase with the Provincial Department of Welfare.

Adopted December 17th, 1953.

W. WILKINSON,
Chairman.

J. S. SCOTT,
Warden.

Chairman. Warden.

THE SOUTH PEEL BOARD OF EDUCATION

Report on Activities of The South Peel Board of Education for 1953

The municipal elections returned to office all of the former trustees from the three wards. In Port Credit, Mr. Jack Whyte was returned to office by acclamation and Mr. K. S. Braid replaced Mrs. Winnifred Young, also by acclamation. Mr. B. C. Smith received the County Council appointment to the Board.

The Board established in January new salary schedules for its teaching staff which set the minimum for public school teachers at $2200 and the maximum at $4400. High School teachers start at $2800 and $3000 respectively for non-specialist and specialist and may proceed to maximums of $5200 and $5400 by $200 annual increments. In addition, a cumulative sick leave plan was established whereby teachers may carry over a percentage of the unused portion of their 20 days' sick leave allowance until they have accumulated 200 days, the equivalent of one teaching year, which they may use in the event of illness without loss of pay.

Specialists in art, reading and music were engaged for the public schools for this school term. Mrs. Pearl Walpole, the Reading Consultant, is responsible for introducing a developmental reading program. She tests pupils and groups them according to their ability. Each group is then brought along at a speed in keeping with their capacity to learn.

The Art Supervisor, Mr. R. W. Umphrey, visits classrooms and offers suggestions on how art may be co-ordinated with other subjects in the course of study. He arranges exhibitions and and attempts to stimulate an interest in art and art appreciation.

The Director of Music, Mr. C. L. Bird, co-ordinates the work of four music supervisors. He is also attempting to establish instruction in instrumental music in public and high schools where instruments are available.

A special curriculum co-ordinating committee, under the Chairmanship of Mr. W. J. Wood ,principal of the Port Credit High School, prepared a new course of study in social studies which was introduced in all schools in The South Peel area in September. At the present time, the committee is working on a new course of study in English. Under the direction of Mr. A. A. Martin, the Public School Inspector for this area, an in-service training program involving grade teacher meetings, has proven very successful.

Along with the developmental reading program in the public schools, an experiment is being conducted with the unit system of promotion. This method cuts across the traditional grades and divides a normal year into three units. However, if a child can do four units, he is permitted to do so but remains in the same grade; if he can only do two units by the end of the year, he is not held back but advanced to the next grade where he is then given work at unit three level. This method is designed to keep children progressing at the proper academic rate of advancement without removing the child from students of his own age.

This fall, evening classes in woodwork, sewing, arts and crafts, commercial subjects, and English for new Canadians were introduced in the high schools at Port Credit and Cooksville, with an enthusiastic response from the citizens of South Peel.

The Board established its own maintenance staff last January under the direction of Mr. R. J. Brown. With one assistant, plus temporary summer help, the Superintendent of Maintenance has decorated, renovated and repaired a great number of schools as well as providing new cupboards, bicycle racks, backstops, incinerators, etc. The pressure of repair work in the 16 schools has prompted the Board to increase the staff for next year's work to four men and supply them with a truck. The success of the maintenance department to date in improving the conditions of the schools at a greatly reduced cost to bringing in contractors, has been most encouraging.

To the administrative staff, consisting last year of the Business Administrator, one secretary and a bookkeeper — two accounts clerks, one part-time secretary and an Assistant Administrator — Mr. W. H. Porter — have been added. This staff will have to be increased again next year when the new schools are open and the Board's central storeroom and distribution centre are set up.

The new $60,000.00 Board offices, equivalent to three classrooms, in the Mineola Road school, will provide accommodation for the above-mentioned staff, the special supervisors, the attendance officer and a meeting place for the Board.

The 1953 school building program involved the construction of the new Applewood, Owenwood and Lyndwood public schools, an addition to Lorne Park and the completion of the Thomas L. Kennedy High School in Cooksville. The Board has received considerable publicity for having built permanent schools at a cost per classroom less than any other community in Ontario. This reduction in cost has not been at the sacrifice of quality but through simplicity of design and elimination of all waste space and unnecessary refinements.

Despite the addition of these 20 new public school classrooms, the Board was obliged to build 8 portable rooms at schools which were overcrowded. Two more rooms will have to be opened in January and two classes at Lyndwood placed on a staggered time table.

The high school situation is well in hand, for the present school term, with the Kennedy High School relieving Port Credit High School oin grades 9 and 10. The success to date of the experiment in intermediate schools at the Thomas L. Kennedy, where grades 7, 8, 9 and 10 are accommodated, has influenced the Board to seek Department of Education approval to continue this type of organization in a new high school to be opened in Lakeview in September, 1955. Until this school is available, both Port Credit and Thomas L. Kennedy High Schools will be severely overcrowded in the 1954-55 school term. The Board has already selected sites for future high schools in Applewood West and Lorne Park.

The 1954 building program, already planned and initiated by this year's Board, includes the construction of 47 additional classrooms at an estimated cost of $895,000.00. This huge program is larger than normal as the Board plans to establish kindergartens throughout the area where there is a sufficient enrolment. Due to economic reasons, the Board was obliged this year to discontinue the seven kindergartens that were in operation when they took office. With the Township financial standing considerably improved, it is the Board's intention to again provide these facilities.

The potential growth of the school system in this area presents a very real problem for the Councils of Port Credit and Toronto Township insofar as debenture payments and operating costs for new schools are concerned. Without any increase in population and maintaining the same birth rate, the present public school enrolment of 5150 will be almost doubled by 1960. Based on the recent growth of the area, it is quite possible that this enrolment could be tripled by 1960. It is not difficult to imagine, as well, the limitations of our present high school facilities when the wave of increased public school registration graduates into secondary school. A certain amount of relief from the heavy costs of new schools will come from the money levied for schools on new subdividers. However, this source will not provide for the schools required to meet the demands of children of residents and the new home-owners building on existing vacant lots.

An analysis of the current financial operations of the Board to the end of November indicates an anticipated deficit of $5,000.00 in the public schools and a surplus of $8,000.00 for secondary schools. The public school deficit results from the construction of one portable classroom in excess of the number provided for in the estimates.

The 1953 budget provided $761,596.50 for public and $320,168.12 for secondary schools. Approximately 30% of the public schoo lfigure and 35% of the secondary have been received in provincial grants. The balance, totalling $736,264.00, was raised by local taxation. The educational rate in the South Peel area of the Township of Toronto, was 29.9 mills. On home assessment of $3,000.00, this would mean a school tax of $89.70 or just under 45c per school day. If one has three children in school, it would work out to 15c per pupil per day. The only means of preserving the present tax rate is to have the area assessment increase in proportion to the demands for services. As far as education is concerned, that can only be achieved through increased industrial or commercial assessment because in the next six years, the potential demand from the present residents in the area will double the costs without increasing the assessment.

The trustees have received from the staff, the Councils, the Toronto Township Planning Board, newspapers and citizens, the support, co-operation and encouragement for which they would like me to extend, on their behalf, their sincere appreciation.

LESLIE HUGHES,
Chairman.

December 16th, 1953

To the Members of the County Council:

I take great pleasure in presenting the South Peel Board of Education Report for the year 1953.

I attended 34 meetings of the Board during 1953 and would like to take this opportunity to express my thanks to you for appointing me to the Board. If you deem it advisable to again appoint me as your Representative, I can assure you I will again do my best in 1954.

(Signed) B. C. SMITH

Peel County Manor
Current Assets and Liabilities

Cash on Deposit—General, $3,262.00—All monies received are deposited in the Bank Account in the name of Peel County Manor. We have verified the amount on deposit by direct communication with your Bankers. All payments are made by cheque, except petty cash disbursements made by the Superintendent from an Imprest Cash Fund of $25.00 charged to expense. No adjustment has been made in the Statements for the amount in the Imprest Cash Fund unexpanded at December 31, 1953.

The total amount on deposit in the General Bank Account as at December 31, 1953, amounted to $3,462.00 but of this $200.00 represented prepaid maintenance for one inmate and this has been shown under the Trust Section and only $3,262.00 shown as a Current Asset.

Inventory, $11,383.08—The Superintendent of the Peel County Manor has supplied inventory values of the food, livestock, etc., on hand as at December 31, 1953.

Current Surplus, $13,394.73—Statement is included herewith showing the allocation as between the Home and the Farm and the changes in the Surplus from December 31, 1952 to December 31, 1953. As at December 31, 1953, the Home had a deficit of $1,292.06 and the Farm a surplus of $14,686.79, which left a net surplus of $13,394.73.

Statement of Operating Accounts

Operating Surplus of Home for 1953, $1,391.74—Statement of Operating Account of Home for the year 1953 shows an operating surplus for the year of $1,391.74. Produce from the Farm operated in connection with the Home have been charged to expenditure of the Home in accordance with the regulations of the Department of Public Welfare. The prices charged appear to have been reasonable, although no mention has been made to check them in detail.

For the year 1953 there has been included as Accounts Receivable any amounts owing by inmates for maintenance which are reasonably sure of collection. The total of such accounts is $312.59, which includes an amount outstanding from 1952 of $171.59.

There has been charged to expenditure all accounts known to have been incurred in 1953, but not necessarily paid before December 31, 1953.

Operating Deficit of Farm for 1953, $900.94—Statement of Operating Account for year 1953 shows an operating deficit of $900.94. Produce from the Farm used by the Home has been charged to the Home at prices which appear to have been reasonable (See above).

Allowances to Committee Members, $53.80—Allowances to Committee Members has been shown as a separate charge to the Surplus Account since the Department regulations require that it should not be included in the Financial Report submitted to the Department.

Refund of Sales Tax re 1952, $589.17—This represents Sales Tax charged on 1952 purchases which was refunded upon application by the Manor in 1953. As this revenue has to do with prior year's operations it has been credited to Current Surplus and allocated between Home and Farm on as equitable a basis as possible.

Capital Assets and Liabilities

Land, Buildings, Equipment and Furnishings, $110,227.92—Land, Buildings, Equipment and Furnishings have increased from a total valuation of $108,226.42 as at December 31, 1952 to $110,227.92 as at December 31, 1953.

Trust Assets and Liabilities

General—As at December 31, 1953, no Trust Assets were being administered other than cash as all other assets which had been under administration had been realized or turned over to the administrators of the estate of a deceased inmate. Certain of the balances are in Trust Bank Accounts while one is included in the General Account. A supplementary report is included showing the detail of the assets held for individual estates.

Cash on Deposit, $1,564.33—Cash received on account of Special Trust Accounts is deposited in the proper Trust Accounts in the name of Peel County Manor. We have verified the amounts on deposit by direct communication with your bankers.

Cash on Deposit—Portion of General Account representing Prepaid Maintenance for one Inmate, $200.00—The portion of the General Bank Account which represents prepaid maintenance for one inmate as at December 31, 1953, has been shown as a Trust Asset. We have verified the amount on deposit by direct communication with your bankers.

Estates of Inmates, $1,764.33—This represents the total assets held in trust being administered by the Peel County Manor Committee for the benefit of various inmates.

GOOD ROADS

COUNTY OF PEEL

Expenditure on the County Road System during 1953.

To the Warden and Members of the Council of the County of Peel.

Gentlemen:

I beg to submit herewith the detailed statement of money expended in accordance with the Regulations of the Department of Highways of Ontario on the Peel County Road System during the period January 1st, 1953, to December 31st, 1953.

The tabulated statements, declarations, etc., required by the Department of Highways in submitting the petition for the subsidy have also been prepared and submitted.

The mill rate was 6 mills. This raised $281,479.54 for County Roads and $18,500.00 for a payment on the Debenture issued in 1951. Details of Expenditures are shown on the following pages.

A program of paving County roads should be established. Present day traffic is too great to be carried on gravel surfaces. The cost of maintenance is too large a proportion of our expenditure.

Respectfully submitted,

N. L. POWELL, B.A.Sc.,

Registered Professional Engineer,

County Engineer and Road Superintendent.

BOLTON EAST BRIDGE

Tenders were received in June, 1952, for rigid frame concrete bridge. Work started in September. The foundations were found to be very soft and piling was necessary. This required 40 ft. piles and it was decided to change to a steel deck.

Tenders were called to close in December, 1952, and only two tenders were received:

Dominion Bridge Company, Toronto	$13,180.00
Hamilton Bridge Company, Hamilton	14,289.00

The work was awarded to the Dominion Bridge Company and delivery was made in June, 1953. The piling and concrete work was done by P. M. Finnigan of Weston who was low bidder on the original tender call.

1953 expenditures were as follows:

ROAD EAST TO MALTON

Lots 10 and 11, Concessions 7 and 8, Toronto Township, including diversion in Lot 10, Con. 8.

Grading, paving, two bridges and one culvert extension.

Tenders were called in 1952 on a unit cost basis and Peel Construction Company at $139,495.00 were the lowest of four tenders.

Most of the work was completed in 1952 but some paving was left and checking of quantities.

The following is the final estimate. It will be noted that the amount of granular base had to be increased by 25298.35 tons @ $1.70 per ton — $43,007.20 owing to Concession 8 being soft and also by widening the base or width of road foundation. Two new bridges were built instead of extending the old ones, increasing the tender price of the bridges by $10,516.00 plus extra cement and steel.

GRADING ON THE 6th LINE EAST

When the road from Woodhill to Caledon East was gravelled in 1951 the hills were not done, pending grading. This was completed in 1953. Soft spots were found at Tullamore School and at Lot 19, Chinguacousy, and the stream moved at Wilson's, Lot 14, Toronto Gore. The location of the work was as follows:

Lots 12 & 13, Chinguacousy and Toronto Gore	1400 ft.
Lots 14, Chinguacousy and Toronto Gore	1500 ft.
Lots 16, Chinguacousy and Toronto Gore	2000 ft.

CHINGUACOUSY TOWNSHIP

1st Line East, Lots 6 to 10 inclusive and Ten Sideroad, Lots 10/11, Con. 1 East.

On January 22, 1953, By-law No. 1218 was passed adding the above roads to the County roads. This By-law was approved on March 26, 1953.

The County gravelled this road, consolidating the gravel by watering the gravel and packing it with a wobble wheel roller. It was then oiled with a prime asphalt.

INGLEWOOD

A claim was made by Mr. J. W. McConnell, owner of the west half of Lot No. 2, Con. 1 west, Caledon, for damage to his property said to have been caused by water crossing the road from Lot No. 2, Con. 2 west. The insurance company settled the claim but the County was required to do some work including paving 600 feet of road. The culverts on the west side were increased in size from 15" diameter to 18" diameter. An entrance culvert was placed at Mr. McConnell's gate. The additional cost of the work caused by the settlement would be $113.50 for culverts plus labor placing them, also the pavement at $1,468.89 which would not have been laid but for the claim and the plans for a drainage award $80.50 which was not used.

A By-Law to Authorize the Borrowing of Certain Monies from the Royal Bank of Canada to Meet the Current Expenditure of the Corporation of the County of Peel for Good Roads Purposes for the Year 1954.

WHEREAS it is necessary to borrow the sum of $680,000.00 from the Royal Bank of Canada to meet the now current expenditure on Good Roads in the County of Peel for the year 1954, until the time the taxes levied therefore can be collected, and the grant of money received from the Provincial Government, and the proceeds received from the sale of debentures;

NOW THEREFORE the Municipal Corporation of the County of Peel, by the Council thereof, enacts as follows:—

(1) That the Warden with the Treasurer of the said Corporation be and they are hereby authorized under the seal of the Corporation to borow from the Royal Bank of Canada the sum of $680,000.00 as the same may be required from time to time to meet the now current expenditure of the said Corporation as well as the amount carried over from 1953.

(2) That the Warden and Treasurer aforesaid be and they are hereby authorized to pay or allow the said Bank interest, on the said sum of $680,000.00 at the rate of 4½ per cent per annum, or the best rate of interest available which may be paid, or allowed in advance by way of discount or otherwise however they deem best.

(3) That the said sum of $680,000.00 so to be borrowed shall be made payable on or before the 31st day of December 1954, and the promissory note or notes of the said Corporation if any, given therefore, if made payable before the 31st day of December 1954, may be renewed by the said Wardn and Treasurer from time to time, but no renewal thereof shall fall due later than the 31st day of May, 1955.

(4) That the promissory note or notes of the said Corporation sealed with the Corporate Seal and signed by the Warden and Treasurer of the said Corporation, be given from time to time as required, in security, for the amounts borrowed from time to time under the provisions of this by-law.

(5) That the giving of such renewal note or notes as aforesaid shall not be deemed satisfaction to the said Bank of the advance or interest, but as evidence only of indebtedness.

HENRY H. RUTHERFORD,
Clerk.

J. C. SADDINGTON,
Warden.

BY-LAWS

BY-LAW NUMBER 1247

A By-law to approve the installation of two obstruction light poles together with the necessary cables between Lots ten and eleven in the Fifth Concession East of Hurontario Street.

WHEREAS HER Majesty the Queen in the Right of the Government of Canada has requested permission to install two obstruction light poles together with the necessary cables, and to maintain the same in perpetuity on the road allowance between Lots ten and eleven in the Fifth Concession East of Hurontario Street.

NOW THEREFORE, the Municipal Corporation of the County of Peel, by the Council thereof, enacts as follows:

1. That the laying and construction of obstruction light poles and underground cables between Lots ten and eleven in the Fifth Concession East of Hurontario Street be and the same hereby approved.
2. The said approval and ratification hereby granted in clause one of this by-law is subject to the terms, conditions and provisoes contained in an Agreement dated the eighteenth day of February, 1954.

PASSED in open Council this eighteenth day of February, A.D. 1954.

J. C. SADDINGTON, HENRY H. RUTHERFORD,
Warden. Clerk.

TO: HER MAJESTY THE QUEEN IN THE RIGHT OF CANADA
THE COUNTY OF PEEL in the Province of Ontario, being the owner of the Road allowance between Lot Ten (10) and Lot Eleven (11), in Concession Five (5), East of Hurontario Street, in the Township of Toronto of the said County, hereby offer and agree that in consideration of the sum of One Dollar ($1.00) receipt of which is hereby acknowledged, to give Her Majesty the Queen, in the Right of Canada, the right, power and authority to enter on the said road allowance and to erect, construct and maintain in perpetuity two (2) obtsruction light poles and to lay and maintain in perpetuity an underground cable to the said poles.

The above mentioned poles to be located as follows:

Pole 1 - At a point measured approximately 870 feet northerly from the most southeasterly angle of Lot 11, in Concession 5.

Pole 2 - At a point measured approximately 1185 feet northerly from the most southeasterly angle of Lot 11, in Concession 5.

1. Provided that the said obstruction light poles and cable shall be installed in a manner and at a depth satisfactory to the County Road Superintendent so that the said installation shall not in any way impede or hinder any road grading or road work of any kind required to be done by the said County.

2. That the said installation shall not be so placed as to interfere with any future local improvement such as sewers, watermains, gas mains or other local improvements requiring to be installed on the said Highway, and Her Majesty the Queen, in the Right of Canada, will porvide the said County with Engineer's plans and specifications showing the exact location of the obstruction light poles and cable as and when completed.

3. And further that in the event of the said installations proving in future, to be impeding or hindering any such road work or local improvement work, that Her Majesty the Queen, in the Right of Canada, will, at her own expense and when required to do so, reinstall or reconstruct the said obstruction light poles and cable to remove the obstruction.

4. That Her Majesty the Queen, in the Right of Canada, will indemnify and save harmless the said County of and from all claims for damages or otherwise that might accrue to the said County in respect of the construction and future maintenance or reconstruction of the said obstruction light poles and cable.

On receipt of the Notice of Acceptance of this offer, the County will execute such further agreement to run with the said land as may be required.

DATED AT Brampton, 18th day of February, 1954.

HENRY H. RUTHERFORD,
Clerk.

BY-LAW NUMBER 1262

A By-law authorizing the borrowing of $250,000.00 upon debentures for County Home purposes.

WHEREAS it is expedient to borrow for construction, alterations, and equipment for the County Home for the Aged a sum not exceeding Two Hundred and Fifty Thousand Dollars ($250,000.00) upon the credit of the Corporation, to issue debentures therefore bearing interest at the rate of four per centum (4%) per annum payable annually and to provide for the discount and the expenses incidental to negotiation and sale of such debentures;

AND WHEREAS it is expedient to make the principal of the said debt repayable in annual instalments during the period of ten years next after the date of issue of such debentures, of such amounts respectively that, with the interest in respect of the debt, the aggregate amount payable for principal and interest in each year shall be, as nearly as possible, the same;

AND WHEREAS the amount of the whole rateable property of the municipality, according to the last revised assessment roll thereof is $69,239,003.00.

AND WHEREAS the amount of the existing debenture debt of the Corporation, exclusive of local improvement debts secured by special rates or assessments, is $124,500.00, and no part of the principal or interest of such debt is in arrear;

AND WHEREAS By Order dated day of 19 the Ontario Municipal Board has approved the purposes of the said borrowing and the passing of all requisite by-laws, including debenture by-laws;

THEREFORE the Council of the Corporation of the County of Peel enacts as follows:

1. For the purpose aforesaid the Corporation shall borrow upon the credit of the Corporaton a sum not exceeding Two Hundred and Fifty Thousand Dollars ($250,000.00) and shall issue debentures therefore in sums of not less than $50.00 each. Each debenture shall bear interest at the rate of four per centum (4%) per annum payable annually and shall have coupons attached thereto for the payment of such interest

2. All the debentures shall bear the same date, shall be issued at one time and within two years after the day on which this By-law is passed, may bear any date within such two years and shall be made payable in annual instalments during the period of ten years next after the date of issue thereof, and the respective amounts of principal and interest payable in each of such years shall be the amounts so designated in Schedule "A" hereto annexed.

3. The debentures shall be payable as to both principal and interest in lawful money of Canada and may be made payable at such place or places in Canada as shall be designated thereon.

4. The said debentures shall be sealed with the seal of the Corporation and signed by the head of the Council, or by some other person authorized by by-law to sign the same, and by the Treasurer. The said interest coupons shall be signed by the Treasurer and his signature thereon may be written, stamped lithographed or engraved.

5. Commencing in the year 1955 and thereafter in each year in which an instalment of principal of the said debt and interest become due, the Corporation shall levy and raise the specific sum shown for the respective year in the fourth column of the said Schedule. Such sum shall be levied and raised by a special rate sufficient therefore, over and above all other rates, upon all the rateable property in the municipality.

6. The said debentures may contain a clause providing for the registration thereof pursuant to Section 335 of the Municipal Act.

7. Pending the sale of the said debentures, the head of the Council and Treasurer may raise for the purposes aforesaid by way of loan on such debentures any sum or sums of money not exceeding in all the sum hereby authorized to be borrowed and may hypothe-

cate such debentures for such loan.

8. The Corporation shall have the right, at its option, to redeem that portion of the said debentures maturing in the last year on any date prior to maturity at the places where and in the moneys in which the said debentures are expressed to be payable, upon payment of the principal amount thereof together with interest accrued to the days of redemption and upon giving previous notice of said intention to redeem by advertising once in the Ontario Gazettee and once in a daily newspaper of general provincial circulation published in the City of Toronto, and once in a local newspaper, such notice to be advertised as aforesaid at least thirty (30) days before the date fixed for redemption. Notice of intention so to redeem shall also be sent by post at least thirty (30) days prior to the date set for such redemption to each person in whose name a debenture so to be redeemed is registered at the address shown in the Debenture Registry Book.

(2) THAT this Council is not willing to have the Equalization of Assessment in case of appeal made by the County Judge.

PASSED this 20th day of May, A. D. 1954.

HENRY H. RUTHERFORD,
Clerk.

J. C. SADDINGTON,
Warden.

TO THE WARDEN AND MEMBERS OF THE COUNCIL OF THE COUNTY OF PEEL

Pursuant to Chapter 24, Section 86, Subsection (1), which directs that the County Assessor shall report to the County Council before the first day of June in every year and such report shall form the basis for Equalization under Section 87; I beg leave to submit the following report;

For the most part, the work of the assessors in the local municipalities has been fairly satisfactory. The volume of work has been steadily increasing, especially in the Township of Toronto and to a lesser degree in the Town of Brampton; but in all municipalities there is an increase in assessment and population.

In the smaller municipalities it is sometimes difficult to employ a permanent assessor because it is only a part time job. Once a satisfactory assessor has been found, every effort should be made to keep him, as it takes time and experience along with the necessary qualifications to make a good assessor. The Village of Streetsville has experienced the greatest difficulty along this line, having had a different assessor almost every year. Another alternative is to have one assessor work in two municipalities in order to make it a full time job.

The Town of Brampton has increased in population to over 10, 000, which reduces the business assessment rate on retail merchants from 35% to 30% of the assessed value (Section 6, Subsection (1), Clause (i).

I have made a number of appeals to Courts of Revision to correct errors or omissions and in one case, a difference of opinion between the local assessor and myself. Most of the appeals were on small properties with the exception of two industrial assessments, which the Court of Revision increased $597,840, including business assessments.

Properties exempt from taxation are increasing each year, due to new schools, churches, etc. However, the Orenda Engine Plant at Malton has been purchased by A. V. Roe Company, which reduces the exemptions in the Township of Toronto. The following figures show the exemptions in each municipality:

Albion	$102,600	Caledon	$ 81,132
Chinguacousy	134,618	Toronto	3,197,650
Toronto Gore	24,350	Brampton	1,035,549
Bolton	45,540	Port Credit	387,288
Streetsville	100,365		
TOTAL	$5,109.092		

The total taxable assessment in the County, including land buildings and business assessments has increased from $57,334,830 for 1953 to $69,239,003 for 1954; and population from 54,875 to 64,343.

The Township of Albion is the only municipality not using the County Manual for 1954 taxation but are now preparing to use it for the next assessment roll.

The proposed equalization schedule which is attached hereto shows the equalized assessments identical to the actual assessments as made by the local assessors with the exception of the Township of Albion. In that Township, the equalized assessment is increased by adding to the local assessment the amount of $647,420, which was arrived at by using the appraisals made by using the County Manual and estimating the increase since the appraisals were made.

Respectfully submitted his 20th day of May, 1954.

JOHN G. HOOPER,
County Assessor.

JUNE REPORT OF THE GOOD ROADS COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Good Roads beg to report as follows:

1. We have a letter from the Department of Highways enclosing a copy of an Order in Council approving of By-laws No. 1258 and 1260 as of June 10th, 1954.

By-law No. 1258 adds the road allowance between Lots 5/6, Con. 1 to 6 and part of Con. 7 East, Toronto Township to the County Roads.

By-law No. 1260 removes the Clarkson Road, Toronto Township, Con. 2, South of Dundas Street, Lots 27 & 28 from County Road System.

We recommend that this letter be filed.

2. We have a letter from A. V. Roe Company, dated May 25th, re cost of reconstruction of Old Malton Road stating that they have been unable to get a reply to a request for the final cost of this road. The report of the County Engineer is that a statement of expenditure to May 30th has been supplied and an estimate of land costs still to be paid. This report was sent after a phone call confirmed the type of statement required.

We recommend that this letter be filed.

3. We have a letter from the Board of Transport Commissioner for Canada re an error in Spelling "Peel" as "Pell" and requesting the County correct the Order in Council re construction of a pipe line.

We recommend that the Clerk make the correction and that this letter be filed.

4. We have a letter from Mr. Eric Holmes of Caledon East, dated June 2nd and inquiring why he had not had any report of his accident. This letter was sent to the Insurance Company and we recommend that the copy be filed.

5. We have a letter from the Clerk of Brant County, with a resolution, re speed limits at school zones and motor vehicles stopping when buses are taking on or discharging passengers.

We recommend that this Resolution be endorsed by this County.

6. Tenders were called for paving Con. 3 West, 27 Sideroad, Ching. Tenders were based on Contractor mixing road mulch, spreading, rolling and hauling Asphalt. The County to supply gravel on the road and pay for the Asphalt. Four Tenders were received, for the work based on an estimated 1100 cu. yds. to a mile.

Royal Asphalt Co., Guelph	2.78 per cu. yd.
Peel Const. Co., Brampton	3.04 per cu. yd.
Municipal Spraying Co., Toronto	3.15 per cu. yd.
Bruell Paving Co., Toronto	3.35 per cu. yd.

The estimated cost per mile is $8,000.00 based on the low tender and we recommend that the Royal Asphalt Company tender be accepted

7. We have a letter from the Board of Transport Commissions for Canada re the Clarkson Road Crossing asking for our submission on the report of the Canadian National Railways.

We recommend that the Engineer advise the Board that this road has been reverted to the Township of Toronto.

Adopted June 17th, 1954.

E. WALSH,
Chairman.

J. C. SADDINGTON,
Warden.

We recommend that your Committee bring in a report on this Resolution at the next meeting of Council.

7. We have a letter from the Council of the County of Perth with a Resolution asking that subsidies under the Municipal Drainage Act now paid to rural Municipalities be extended to include Urban Municipalities and asking this Council to endorse the Resolution.

We recommend that your Committee consider this Resolution and report.

8. We have a copy of the Agreement between the County Council and the Council of the Village of Streetsville re paving part of County Road No. One in the Village as approved by the Minister of Highways.

We recommend that this Agreement be filed.

9. We have a copy of Order No. 84023 of the Board of Transport Commissioners of Canada re Trans Canada Pipe Lines Limited.

We recommend that this Order be filed.

10. We have a request from the Chief Municipal Engineer, Department of Highways for the County Road Levy and Equalized Assessment of each Municipality in the County.

This request was answered by the Clerk on June 24th.

We recommend that it be filed.

11. The following tenders were received for Paving on the County Road in Streetsville.

Armstrong Bros., Brampton, Ontario	$79,384.00
Warren Paving Company, Toronto	$83,750.50
K. J. Beamish Const., Toronto	$84,910.00
Hagersville Asphalt Paving, Toronto	$86,407.50
Godson Contracting, Toronto	$86,977.00
Standard Paving Company, Toronto	$91,551.00
Curran & Briggs Limited, Toronto	$109,920.00

We recommend that the Tender of Armstrong Bros. Construction be accepted, this being the lowest tender.

12. Tenders were called for a one ton-pickup truck to replace a Ford Truck that had been used for more than 60,000 miles. The tenders were as follows:

Stonehouse Sales, Brampton,			
one 1954 Ford Model F-250	$2,184.00		
Less trade in allowance	1,036.00		
		$1,148.00	
Plus lettering		10.00	
Net Cost			$1,158.00
J. A. McLeave & Sons,			
one International Model R130	$2,466.75		
Trade in	1,026.75		
Net Cost			$1,440.00
Parkinson Motors, Snelgrove,			
one 1954 Mercury, 1 ton pick up			
Price	$2,426.00		
Trade in	940.00		
Net Cost			$1,486.00

We recommend that the Tender of Stonehouse Motors be accepted at $1,158.00

13. Tenders were called for a new loader to replace the Trojan Loader purchased in 1950.

Thirteen tenders were received on several makes and models.

Gordon Dickinson Ltd, Trojan L. H. No. 75. Net	$5,300.00

JULY REPORT OF THE INSURANCE COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Insurance beg to report as follows:

1. The Special Committee set up to deal with the County Insurance met with representatives of the Frank Cowan Company on Thursday evening June 24th.

As a result of that meeting your committee authorized the following:

(a) That an appraisal of all County Buildings be made.

(b) That the Clerk be instructed to notify the heads of all Departments that a complete list of all Equipment and Building contents be supplied to this committee as soon as possible.

In connection with (a)

Prices for the appraisal were received from two companies.

The H. E. Hooper Appraisal Co. Ltd. was engaged at a cost of $400.00.

In connection with (b)

List of Equipment and supplies have been received from the following:— County Home, County Library, Crown Attorney, County Jail, Registry Office, Caretaker, County Clerk and Children's Aid. Inventories have not been received from the Road Department and Health Unit.

2. Your committee met again on Monday evening June 28th.

3. We recommend that the Frank Cowan Agency be appointed Insurance Brokers for all Peel County Council Insurance with the

exception of the farm buildings, Livestock and Equipment at the Peel Manor.

4. We recommend that the broker deal with the present insurance policies at the Peel Manor at their discretion.

5. Should it be deemd advisable to cancel any other insurance policies they shall first advise the finance committee of County Council and secure their approval.

6. We recommend that Insurance on the Court House, Peel Manor, Registry and Caretakers Residence be on a replacement cost.

7. We recommend the following to Council:

(a) Equipment Insurance:

We recommend that the Frank Cowan Company recommendation be accepted with $100.00 deductable collision coverage, on the Fleet Policy.

That the Automobile non-owned liability be extended as per the Cowan recommendation to cover all non-owned liability.

That the Municipal Equipment Floater policy be extended to cover the two County Weed Sprayers.

That this coverage include the farm Tractor at the County Home.

Bonds:

(b) We recommend tha the Cowan recommendation be accepted and that a blanket policy covering all County Employees for $10000.00 with an additional $15000.00 on the Clerk-Treasurer.

(c) Boiler Insurance:

Due to the fact that certain alterations are being made at the County Home we recommend that the boiler insurance be left as is, until the new boiler house is completed at the Home.

(d) Liability Insurance:

We recommend that the Cowan recommendation be accepted and that our present liability policy be increased to an inclusive limit of $200,000.00, This new policy would cover all County operations.

(e) Compensation Insurance:

We recommend that the Cowan recommendation be accepted and that all the compensation be included in one policy instead of the existing three policies.

(f) Councillors Accident Insurance:

We recommend that the Cowan recommendation be accepted and that all Councillors be insured under an accident policy covering members while on County business.

(g) Valuable Papers:

We recommend that no insurance be placed on valuable papers at this time.

8. Your committee recommends that the Health Unit Board be asked to have all their Insurance brought up to date.

9. We recommend that the Children's Aid Board be requested to have all their insurance brought up to date.

10. We recommend that the Library Board be requested to have all their Insurance brought up to date.

11. We recommend that as far as possible all Insurance mentioned in clauses 8, 9, and 10 of this report be incorporated with County Insurance so the number of policies might be kept to a minimum with no overlapping of coverage.

12. We recommend payment of the following committee fees and mileage:

J. C. Goodfellow	2 meetings	28.00
W. J. Wilkinson	2 meetings	24.80
E. Walsh	2 meetings	25.60

BY-LAWS

BY-LAW NUMBER 1264

A By-law to authorize the Warden and Clerk to execute a contract between The R. Timms Const. & Eng. Ltd., and the Municipal Corporation of the County of Peel.

WHEREAS the Municipal Corporation of the County of Peel has entered into a contract with The Timms Const. & Eng. Ltd. for building an addition and making alterations to Peel County Manor;

NOW THEREFORE, the Municipal Corporation of the County of Peel, by the Council thereof, enacts as follows:-

1. THAT the Warden and Clerk be and they are hereby authorized to execute an agreement between The R. Timms Const. & Eng. Ltd., of Welland and the Municipal Corporation of the County of Peel for building an addition and making alterations to Peel County Manor.

PASSED in open Council this 22nd day of July, A.D. 1954.

HENRY H. RUTHERFORD,
Clerk.

J. C. SADDINGTON,
Warden.

THIS AGREEMENT made in triplicate this 1st day of March 1954.

Between:

THE CORPORATION OF THE VILLAGE OF STREETSVILLE
hereinafter called "the local municipality"
OF THE FIRST PART.

- and -

THE CORPORATION OF THE COUNTY OF PEEL
hereinafter called "the County"
OF THE SECOND PART.

Whereas section 27 of the Highway Improvement Act provides that the Council of a local municipality which is not separated from the County may enter into an agreement with the Council of the County providing for the construction of a pavement wider than 22 feet on any county road in such local municipality;

And whereas the local municipality is not separated from the county and the following street therein forms part of the County Roads system of the County, namely:

County Road Number One; being Queen Street extending north westerly from "Maiden Lane" to the northerly limits of the road allowance between Lots five and six. Township of Toronto and being part of the road allowance between Concessions four and five, W.H.S. of the said Township.

NOW THEREFORE THIS AGREEMENT WITNESSETH that in consideration of the premises and the covenants hereinafter contained, the parties hereto hereby covenant and agree the one with the other as follows:

(1) The County will construct an asphalt concrete pavement thirty-seven feet wide for a distance of 3260 feet and having a total area of 13,591 square yards on the said street including any necessary grading, sidewalk replacement, shouldering, underdrainage and granular base and will consruct any curbs, gutters, catchbasins, sanitory or storm sewers or drains and any other special work required in connection with the construction of the said pavement at a total estimated cost of $97,000.00.

(2) The local municipality will pay the entire cost of the construction of the curbs, gutters, catch basins, sanitary or storm sewers or drains and special work on the said street estimated at $17,000.00.

(3) The balance of the cost of constructing the pavement will be borne and paid by each of the parties in accordance with sub section 6 of the said section 27 of the Highway Improvement Act as follows:

63 per cent by the County and
37 per cent by the Local Municipality

(4) Upon completion of the construction of the said pavement and upon the receipt of a statement of the expenditures made by the County certified by the County Road Superintendent, the Local Municipality shall pay its proportion of such expenditures to the County.

(5) The party doing this work under this Agreement will furnish the Engineer for the other party with all plans, specifications, contracts, measurements and information relating to the work which he may require and give him or his agen free access to the work at all reasonable times for the purpose of inspecting the same and permit

him or his agent to examine all books, accounts, records and correspondence in relation thereto.

(6) This agreement will not have any force or effect unless approved in writing by the Minister of Highways and upon being so approved shall be deemed to have come into force and effect on the day and year first above written.

IN WITNESS WHEREOF the parties have affixed their corporation seals attested by the hands of their respective officers duly authorized in that behalf.

SIGNED, SEALED AND DELIVERED

REPORT OF THE WELFARE COMMITTEE

To the Warden and Council of the County of Peel. August 19th, 1954.

Your Committee on Welfare beg to report as follows:

Peel County Council by resolution of May 20th, 1954 requested an investigation of the City of Toronto Emergency Shelter Unit, commonly known as "the Army Camp", at Lakeview, in the Township of Toronto, and resolved further that reports from appropriate authorities be obtained and be compiled into a brief and forwarded to the Government of Canada and to the City of Toronto.

Reports from the following have been obtained: Provincial Department of Public Welfare, Provincial Office of the Fire Marshall, County Probation Officer, County Crown Attorney, County Children's Aid Society, County Health Unit, Township Hydro-Electric Power Commission, Township Water Department, Township Police Department.Appropriate City of Toronto by-laws and minutes relating to Emergency Shelter were also obtained. These documents are herewith tabled.

This Emergency Shelter consists of 28 hutments of an old Army Camp, and houses approximately 211 families of 1100 persons. Both land and buildings are owned by the Government of Canada and leased to the City of Toronto which supplies education for over 450 children within the camp. The City directly operated these buildings as emergency rental housing until the beginning of 1949. In November of 1948 tenders were called from private companies for the purpose of placing this rental housing under private management. The tender of Harold V. Locke Realty was accepted. This company offered to undertake the management and operation for a fee based on the savings in the net operating costs, 75% of the savings in costs to be retained by the company and 25% by the City. Since March 1949, this company has operated this and other City of Toronto Emergency Shelters on this basis.

The City pays a grant of $7500.00 to the Township of Toronto for Police Protection and $2340.00 for the services of a social worker attached to the Peel County Children's Aid. Except for this protective service no control is exercised over the operation of the camp by any authority within Peel County. Residents of the camp are City of Toronto residents.

The following are excerpts from the reports received and indicate in summary the social and physical conditions which have come to exist:

Excerpts from the report of the Provincial Department of Welfare, Brampton Office, (Miss T. E. Mullarkey):

"About 20% of the total case load for Peel is located in this housing unit for Mother's Allowance and Old Age Assistance" . . . . "Desertion cases . . . represent 25% of the area case load" . . . "it is very evident that living conditions in camp have deteriorated badly over the period of occupancy" . . . "Generally speaking it is also evident that families with previous record of poor living conditions and a multiplicity of social problems comprise the major portion of occupancy, which is not conductive to reducing the problems involved."

Excerpts from the report of the Provincial Fire Marshall's Office (Mr. H. E. Jordan):

"I recommend that:

(a) The smokepipe of the coal-burning stove in the general store be properly supported and equipped with a weatherhood, and a clearance of at least 18" be provided between the pipe and the paper wrapper on the mineral wool insulation;

(b) separate storage be provided, if possible, for the drums of fuel oil which are at present in the general store;

(c) and inspection of all electric wiring in the general store be made by the area inspector of the Hydro Electric Power Commission;

(d) only 15 amp. fuses be utilized in lighting circuits throughout the premises;

(e) a clearance of at least 2 inches be provided between steam lines and combustible fibreboard;

(f) unneccessary oil spillage be avoided at the power house;

(g) all school doors be equipped with hardware which does not permit locking against exit travel;

(h) substantial non-combustible supports be provided for the outdoor oil storage tanks supplying the burners in the new school building, and either the vent pipes of these tanks be extended to terminate outside of the wooden enclosures or the enclosurers be adequately ventilated;

(i) electrical wiring of the loud speaker system in the main school building be repaired.

Excerpt from the report of the Peel County Probation Officer, (Mrs. N. Horwood):

"I have been greatly disturbed by conditions that exist at the Emergency Housing" . . . "conditions that are making a serious breakdown in self-respect, honesty, sobriety, respect for the right of others, regard for law and the principles of good citizenship" . . . "the known increase in crime in this area would indicate an alarming situation for the future should present conditions be allowed to continue" . . . "The Army Camp is not a desirable place for human habitation" . . . "we owe it to the children especially to petition the City of Toronto to find suitable living quarters" . . . "and I would like to go on record suggesting a complete demolition of all buildings . . . at the earliest possible date."

Excerpt from the report of the Crown Attorney (A. Grenville Davis, Q.C.);

"I have not had time to prepare a statistical report - - - perhaps there are more cases in Family Court and Juvenile Court than in Magistrates' Court. The last case I had there was a young lad of about seventeen who was convicted of theft. He pleaded guilty and during the course of the evidence it was revealed that a mother and father and eight children were living in a four room apartment. It seems to me that this speaks for itself so far as living conditions for that partcular family is concerned."

Excerpt from the report of the County Children's Aid Society, (A. E. Kilpatrick):

"Slum atmosphere has developed to a large extent" . . . "The camp is not being improved" . . . "(There are) 6 unmarried parent cases, four of these girls with second child" . . . . "In our opinion this type of communal living is taking too heavy a toll on the children and there is an ever mounting disintegration of good citizenship."

Excerpt from the report of the County Health Unit (G. H. MacDonald, M.D., M.O.H.):

A. Apartments are three, four or five rooms, A few are self-contained but the majority are not and the occupants use communal toilets and laundry rooms.

	No.	Adults	Children	Total	Av. per room
5 room apts.	10	20	56	76	1.5
4 room apts.	70	169	305	474	1.7
3 room apts.	109	208	345	553	1.7
	189	397	706	1103	1.6

There were 452 pupils registered in school, including 76 in kindergarten. The kindergarten enrolment for next year is 54.

B. Emergency Housing Administrators attempt to locate large families in the larger apartments and move tenants, from time to time to make the most equitable use of the accomodation. Taking the overall picturė, the above figures would not indicate overcrowding, but, in some instances, the family size might be nine or ten.

The provisions of the Public Health Act require that in lodging houses, tenements, etc., size of the sleeping rooms be such that six hundred cubic feet of air space be provided for each occupant. On this basis a considerable number of the 3 and 4 room apartments are grossly overcrowded. Ten apartments occupied by families having 4 or more children were measured. The average cubic air space in the sleeping rooms provides only approximately 191 cubic feet per person. Even if all space in the apartment is considered as sleeping space, the average is still only 451 cubic feet per person. Conditions are further aggravated in that a number of rooms, occupied for sleeping, have no windows. Under such crowded conditions it is virtually impossible to segregate sexes for sleeping. The following table details the apartment measured.

All ceiling heights are nine feet.

Hut & Apt. No.	Family Name	Occupants		Kit-chen.	Living	Bed Room	Bed Room	Total no. cu. ft.	Sleep room cu. ft.	Total cu. ft. per occ.	Sleep rm. cu. per occ.

Grounds and Exterior

The general impression is one dilapidation. Exterior tar paper has partially removed from many of the huts presumably by the children. Many of the entrance steps are in poor repair. The grounds are littered with paper and other items of refuse. There is no attempt to maintain lawns, and little attempt to keep grounds clear of refuse. Roads are rough, full of holes and poorly surfaced.

Lavatories and Washrooms

The larger multifamily huts with 14 or 16 apartments had toilet and washrooms combined with three showers and four toilets for women and a similar arrangement for men. A six apartment hut would have two showers and toilets each for men and women. Generally the fixtures were in good order and their number adequate. However, the washrooms had an appearance of dilapidation with rough, worn or rotting wood floors, glass missing from windows and boarded up with plywood and damaged walls. Public lavatories and washrooms require impervious floors and walls and an adequate system of maintenance.

Infestations

The services of a fumigator are available weekly. Some three or four disinfestations are done weekly for those who desire it. There were no complaints regarding rats. Evidence of bedbug infestation was noted in 2 apartments visited and a family of skunks has apparently taken up residence under Hut 1.

Corridors

Corridors were narrow. The walls were lined by Gypboard broken in many places and patched with plywood. Floors were of bare, worn wood and the boards ran crosswise to the halls making cleaning difficult.

Sewage Plant

This consists of a bar screen, a large septic tank of approximately 32,000 gallons and a device for chlorinating the effluent to the extent of about 20 p.p.m. (estimated). Treatment is inadequate in that the effluent becomes septic shortly after discharge into the receiving stream. This small creek procedes to the lake entering a lagoon which is presently being filled by the Village of Long Branch with selected refuse. Results of samples taken both above and below the sewage plant indicate gross pollution (see appendix).

Apartments

Four apartments were visited during the afternoon. They were clean well kept and provided a marked contrast to the corridors and washrooms. There were no complaints regarding heating. Of ten apartments visited and measured during the week of August 2nd - 5 were found to be dirty and untidy while the remainder showed evidence of good housekeeping.

D. Recommendations

1. It is recommended that the Camp cease to be used for living accommodation and that the buildings be torn down, or utilized for some purpose other than housing.

2. If this establishment is to be used for some time to come, it is essential that the following improvements be made:

(a) Remove the communal washrooms and lavatories and redesign the huts to provide self-contained family units, complete with watercloset shower and outside entrance.

(b) Reconstruct the sewage disposal plant to produce a satisfactory stable effluent.

(c) Provide a minimum of 600 cubic feet of space per person in sleeping rooms.

(d) Provide permanent foundations for all buildings and more durable covering for outer walls.

(e) Provide at least one window in every room used for living quarters.

(f) Improve roadways and grounds and provide adequate staff to prevent the accumulation of refuse.

(g) Replace all worn and broken floors and interior walls and paint all interior walls and ceilings.

Excerpt from the report of the Township of Toronto Police Department (Chief G. McGill):

"deplorable conditions . . . we have had an average of six to a dozen calls every 24 hours" . . . "charges range from robbery with violence, armed robbery, rape, incest, indecent assault, theft, breaking and entering, non-support, and creating a disturbance" . . . . . "children have been burned to death and drowned . . . and others killed or injured by explosives when they were wandering . . . on the Ranges formerly used for grenade practice" . . . "the walls are paper thin . . . it is common occurrence for drunken persons to congregate in these halls and in the toilets shouting and swearing" "it seems that good persons have to live and raise children in such appalling conditions that it is no wonder that the children grow up to be criminals" "men of the camp cohabit with other women . . . we do know that this has gone on when the children are sleeping in the same room, well knowing that the man with their mother was not their father."

The members of the Welfare Committee of Peel County Council have twice as a group visited the Army Camp at Lakeview and found corroborative evidences of the above statements.

The report of the Medical Officer of Health, if read in full, covers satistically certain aspects of the overcrowding in this camp. The Committee besides undertaking a general examination sought to investigate the living conditions in certain families in which juvenile and other delingquency had been brought to court and in three instances from 4 to 8 children plus their parents were living in apartments with only one bedroom.

Dilapidation was evident in all public area. The Committee noted not only torn tar paper walls, broken windows, patched wall board in corridors, rotted wooden floors, unkept grounds and litter but also graphic and literary obscenities and in one building a corridor floor was so rotted that it appeared dangerous. Upon inquiring it was found that the building had been condemned although still lived in.

The highest rent encountered by the Committee was said to be $112.00 per month.

The Committee recognize that much dilapidated and old housing exists in every Canadian Municipality but this camp concentrates dilapidation excessively in one place, and under the present system of private maintenance provides no incentive to the landlord to improve conditions. Besides this army camp is of the cheapest construction and designed for temporary and disciplined military occupancy and not for family use.

Some tenant families, especially in the smaller huts, have made attempts to improve the exterior look of their building but the generally sordid atmosphere made such attempts inaffective.

Possibly the most morally and spiritually depressing aspect of this concentration of 210 families into one dilapidated camp is the place of the means for family privacy due to the presence of communal toilets and washing facilities and the ease of transmission of sound from one apartment to another through the walls. Further your Committee is informed that as of June 1, 1954 an increased scale of rents was put into effect.

The new rental scale of rentals is as follows:

(1) That there be no maximum rent, the rent scale to be extended beyond $80.00 where the income is in excess of $345.00 per month.

(2) that there be no change in rents now paid by families with an income less than $200.00 per month.

(3) after verification of the income of each family, the rent scale to be applied in accordance with the formula of the Housing Authority of Toronto for determining rent, and

(4) that the graded rent scale for families with income of $200.00 per month or more effective from June 1, 1954.

Upon the basis of the evidence contained in reports and upon our own investigation, we are of the considered opinion that the residents of the Army Camp, under the new rent scale, in many instances are being exploited, and are being provided with a type of dilapidated housing which is certain to increase personal demoralization, family break-up, mental health ailments, and further impoverishment. We believe that the resultant costs to the public of Ontario and to the ratepayers of the City of Toronto greatly exceed the "savings in net cost", arrived at chiefly by maintaining the buildings in dilapidated conditon. We are shocked that such housing owned by the Government of Canada and leased by the City of Toronto should be allowed to exist in Canada and resent its location in the County of Peel.

The Welfare Committee, therefore begs to recommend to Peel County Council that they take the following action;

1. Request the Government of Canada to cancel the lease of this camp to the City of Toronto so that it may be demolished within six months.

2. Recommend to the City of Toronto that it cease to operate its emergency shelter under such an irresponsible rental arrangement.

3. Request the City of Toronto to improve the physical conditions in the Lakeview Camp immediately and maintain it in improved condition until its demolition.

4. Request the Metropolitan Municipality of Toronto to construct additional subsidized rental housing in partnership with the Federal

and Provincial Governments under the appropriate sections of the National Housing Act to provide for the type of family who have been forced to seek shelter at the Lakeview Camp.

5. Your committee recommends that the Welfare Committee along with the County Solicitor meet with the Board of Control, City of Toronto to present this Report.

6. Your committee further recommends that the Warden of the County, Chairman of the Welfare Committee, Reeve Nance Horwood and the Federal Member of Parliament for Peel make representation to the Dominion Government at Ottawa.

7. We recommend payment of the following Committee Fees and Mileage:

W. C. Arch, 2 meetings and mileage	$24.00
Mrs. Horwood, 3 meetings	30.00
E. Walsh, 2 meetings and mileage	25.60
N. J. Black, 2 meetings and mileage	26.40
Mrs. Fix, 3 meetings and mileage	37.20
A. Adamson, 1 meeting and mileage	13.00
J. C. Saddington, 3 mileages	10.90

This report is respectfully submitted.

SEPTEMBER REPORT OF THE WELFARE COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Welfare beg to report as follows:

1. Toronto Emergency Housing Shelter, Lakeview.

On September 1st, 1954 your committee visited the City Board of Control and presented the Welfare Committee's Report adopted by the County at its previous meeting. Your Committee was favourably received and the Board indicated that the residents of this Emergency Shelter were to be relocated in the Staff House at Lakeview.

It is reported that a sample survey of the residents of this shelter showed that 14% of the heads of families were employed in the County of Peel.

It is recommended that the Clerk be instructed to write to the Board of Control of the City of Toronto requesting them to indicate what steps are being taken to relocate these residents from this shelter to the Staff house at Lakeview, it being understood that notice to vacate was being given to the present residents of the staff house.

2. Mr. A. Gibbons, Hospitalized Indigent at the Queen Elizabeth Hospital.

It is reported that the Province offers no program of civilian rehabilitation, but that an officer of the Department of Welfare has suggested that Mr. Gibbons receive treatment at Lyndhurst Lodge looking forward to his future rehabilitation and that rooms be found for him in the vicinity by the County.

It is recommended to the Council that the Clerk and the Reeve of Toronto Township draw up a scheme of rehabilitation for Mr. Gibbons not to exceed a cost of $5.00 per day and present the same to County Council at its next meeting.

3. Welfare Council.

It is recommended that the following persons be appointed as a Welfare Advisory Council to assist Miss Touzel in her Welfare Survey as requested by her:

The Committee has discussed with Miss Touzell some of the findings and has briefly examined the recommendations but is not yet in a position to make any comment on the survey in its present form, other than to say that the survey will make comprehensive recommendations for the complete coordination of the operation and financing of County Welfare Services which will require a special act of the legislature.

3. The Committee recommends that the survey in its final form be studied by the Advisory Welfare Council and that they have a report ready for the first meeting of County Council in January, 1955, complete with a draft bill implementing the survey recommendations or those recommendations of the survey which the Welfare Council support.

4. It was reported to the Committee that Mr. Albert Gibbons was discharged from the Queen Elizabeth Hospital October 15th, and that a plan for his rehabilitation has been put into effect. He is at present residing in rooms at the Fleuty Home in Cooksville. Your Committee recommends that pending his business re-establishment his board and lodging be paid.

Adopted October 21st, 1954.

NOVEMBER REPORT OF THE GOOD ROADS COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on County Good Roads beg to report as follows:

1. Tenders were opened at the Regular meeting of the Committee on November 4th, for supplying, screening, loading and hauling sand to various locations in the County. Four tenders were received and the work awarded to the low tender in each location, subject to the sand being satisfactory.

Hayward & Pickett, Milton, Ontario
  Malton—1500 tons @ $1.50 per ton.
  Erindale—1500 tons @ $1.15 per ton.
  Huttonville—500 tons @ $1.15 per ton.
Armstrong Bros., Brampton
  Cheltenham—750 tons @ $1.40 per ton.
Bolton Construction Co., Bolton
  Belfountain—400 tons @ $1.15 per ton.
  Credit Forks—500 tons @ $1.15 per ton.

Bolton Construction Co. were also awarded the contract for Sandhill—1000 tons and Caledon East—1000 tons, but the first sample of sand was not satisfactory, so this work has been held up until approved sand can be submitted at a satisfactory price.

2. A resolution was passed also at the Nov. 4th meeting, asking the Provincial Police to check on overloading of gravel trucks on the Sixth Line East.

3. The bridge on the 4th Line East, Albion Township, at Murray's Hill, Lot 5, Con. 3/4, was washed out on Oct. 15th. The Gaffney Construction Co. of Stratford had just finished a bridge at Wildfield on the same stream. They offered to build another one of the same type and size at the same price, plus $4.00 per cu. yd. for inclement weather and heating the materials. A detour would have been ex-

pensive and dangerous, so your Committee accepted the tender of the Gaffney Construction Co. at:

Concrete—226 cu. yds. @ $32.50 per cu. yd.
Excavation—1100 cu. yds. @ $1.25 per cu. yd.

We recommend approval of this action.

4. We have a letter from the Township of Toronto, Department of Planning and Development, enclosing copies of reports sent to the County Engineer. This letter states that no reply was received. These letters to the Engineer were dealt with in the Road Committee report at the September 23rd meeting of Council, as follows:

> Clause 10. We have several communications from Toronto Township re traffic problems at Malton. We recommend that the Engineer prepare a general estimate of the cost of the various proposals for presentation to Council at a later date:—

We recommend this to the consideration of the whole Council.

5. We have a letter from Mr. Albert Smith of R.R. 4, Malton, stating that the ditches are filled up and his culvert is becoming blocked.

We recommend that the Engineer have the culverts opened up on this road, and to send a letter to Mr. Smith, stating what action will be taken.

6. We have a letter from Mr. G. L. LaMarche, Insurance Adjuster, disclaiming liability on behalf of the County for the claim of Mr. J. Harvey Raine, Mono Road. Also a statement of expenses on this case from the Gore District Fire Insurance Co.

We recommend that these letters be filed.

7. We have a letter from the Township Planning Board of the Township of Toronto, stating that their Secretary-Treasurer is Mr. H. S. Coblentz and his office is in the Municipal Building, Cooksville.

We recommend that this letter be filed.

8. We have a letter from the General Insurance Corporation, making claim re Mr. Delbert Cryderman. This accident was on a Township road.

We recommend that the letter be filed. A copy has been sent to the Frank Cowan Co.

9. We have a statement of the Interim Subsidy payable, $118,564.33, from the Department of Highways.

We recommend that this be filed.

Adopted November 18th, 1954.

E. WALSH,
Chairman.

J. C. SADDINGTON,
Warden.

REPORT

Subject: Integration of Welfare Services.

Action taken by County Council in consideration of changes in Welfare Services.

County Council in February, 1954, authorized the preparation of a welfare survey by Miss Bessie Touzell, of the Onario Welfare Council. This report was completed and presented to the County Welfare Committee on November 3rd. After study by this Committee the survey was presented to County Council with a report on November 18th. The report among other things recommended that all County Councillors and clerks of Peel Municipalities be sent copies of the survey, that the chairman study the legal implications of the recommendations made therein, that the Welfare Committee meet again before the December meeting of Council, and that a complete report from this committee be made to Council at its December meeting.

Action taken by the Children's Aid Society Board.

In 1953 the C.A.S. Board requested County Council to make a Welfare Survey.

As soon as the survey was available to the C.A.S. Board it was studied by them and on December 1st, the following resolution was adopted:

"Whereas the Peel County Welfare Survey has indicated the need for the integration of Children's Aid services and other welfare services and has made certain recommendations, be it resolved that this Society go on record as favouring reccommendation 1 (a) in principle and request County Council to implement such integration in the following manner:

1. County Council to appoint the 1955 C.A.S. Board of 9 persons along with 9 persons appointed by by-law of County Council to a new joint Peel County Children's Aid & Welfare Board;

2. The C.A.S. upon learning of the names of the 9 County Council appointees to the County Welfare Board to see to the election of such appointees to the C.A.S. Board.

3. County Council to delegate the following county welfare services to the care of this Board—Relief, Hospitalization of Indigents, Post Sanatorium Care and Peel Manor, it being understood that payment for the above services shall be approved by the County Council after receiving recommendations thereon from the Welfare Board.

Recommendation 1 (a) Peel County Welfare Survey to integrate Welfare services.

1. The following services be integrated in their administration; municipal relief; hospitalization; post-sanatorium care, institutional care for the aged at Peel Manor; the boarding care recently

provided for in relation to homes for the aged; the services of the Children's Aid Society; and a proportion of the work presently carried by the probation officer in connection with the Juvenile and Family Court, because family services are not available, and which are not necessary to preparation for Court hearings or probation. County officials may want to work toward this end in one of the following ways;

(a) Under a County Welfare Board comprised of County Council members and at least an equal number of private citizens with responsibility to the County Council defined in By-law or Provincial Legislation.

This proposal has advantages; the fact that with citizen participation greater continuity is provided than would be the case if a committee of County Council members alone undertook the responsibility; it makes possible the involvement of citizens with special competence and interest in this aspect of county administration; it would encourage integration in policy and at the staff level where any services necessary could be provided through one investigation with on-going service; it would make possible the clearest picture of responsibilities and expenditures in this field of administraton.

This proposal is not favoured by some advisors who represent major experience in Children's Aid Societies' operations across the province. It is their opinion that the activities under the Child Welfare Act should be under the direction of a private board set up as at present, although they recognize the need for changes in policy operation and personnel of the Children's Aid Society in this county. They believe that Peel County should focus on building a strong Children's Aid Society and plan for the development of other services separately.

Analysis of the Statutory bases of Welfare Services offered by County or local municipal Councils.

1. Service; **Care of the Aged.**

Chief Regulatory Statute; Homes for the Aged Act R.S.O. 1950, Chap. 168 Statutory municipal official; no municipal official is required to wield any important statutory powers except the mayor or reeve of a municipality.

Body responsible by Statute: County Council.

Source of funds for service: Care of the Aged is paid out of the

County General Rates, but the Province refunds 50% of the County expenditure to each of the constituent county municipalities according to their equalized assessment.

2. Services; **Post Sanatorium Care.**

Chief Regulatory Statute: Sanatoria for Consumptives Act, R.S.O. 1950, chapter 346 administered by the Minister of Health.

Statutory municipal official: The "welfare officer" of a "municipality" is required to attest that the patient is an indigent and the M.O.H. of the county that he needs care.

Body responsible by Statute: Local municipal council.

Source of funds for service: 50% of the cost of post sanatorium care is paid for on the local municipal rates and 50% is paid for on the County rates.

3. Service; **Assistance to unemployed persons.**

Chief Regulatory Statute: The Unemployment Relief Act R.S.O. 1950, Chapter 403 administered by the Minister of Public Welfare.

Statutory municipal official: The Act requires an official to be named "welfare officer" to a "municipality".

Body responsible by statute: A "municipality under section of the Municipal Act may be a County but it has been universal practise in Ontario for the local municipality to be responsible for unemployment relief.

Source of funds for service: Unemployment assistance to employables and unemployables is paid for on the local municipal rates, but the Province refunds 50% on approved assistance payments to unemployables.

4. Service; **Hospitalization of Indigents.**

Chief Regulatory Statute: Public Hospitals Act R.S.O. 1950, chapter 307 administered by the Minister of Health.

Statutory municipal official: The County Clerk is required to receive notice in respect to indigent patients.

Body responsible by Statute: County Council.

Source of Funds for service; The cost of hospitalization is raised 50% on County rates and 50% on the rates of the municipality from which the indigent comes. It is the practice for the County to pay hospital bills and bill the appropriate municipality for half. The County Clerk may also attempt to collect the whole or part of the cost of hospitalization from the indigent after he has returned to work.

5. Service; **Probaion Officer.**

Chief Regulatory Statutes: Juvenile Delinquents Act (Federal), Deserted Wives and Children's Maintenance Act, Training Schools Act.

Body responsible by Statutes: Provincial Govt. County is only required to provide office space.

Statutory municipal official: A probation officer appointed by the Attorney-General has defined duties and is responsible for their performance to provincial and Dominion Governments.

Source of funds: County pays officer's salary and expenses, refunds may be made by the Province at its discretion but none has been made.

6. Service; **Children's Aid.**

Chief Regulations Statute: The Child Welfare Act 1954.

Body responsible by statute: A Children's Aid Society composed of paid up members elects a Board which wields statutory authority under the Minister of Public Welfare without official supervision of any elected council.

Source of funds: Funds are required of County Council for county wards and county Council may vote money for what is vaguely known as protection and may be almost any form of assistance to families. On top of this a flat sum of $1,000 is given by the Province to the Society in Peel plus 25% of any moneys collected privately for the service.

Proposal for the implementation of Recommendation 1 (a) of the Peel County Welfare Survey.

There is no statutory authority for the setting up of a County Welfare Board, and if one were set up statutory functions could not be delegated to it. It could however operate as an advisory body and make recommendations to the County Council and to local municipal councils and statutory officials if requested, concerning the carrying out of statutory functions.

Sections 260 of the Municipal Act R.S.O. 1950, Chapter 243 provides in part as follows;

"Every council may pass such by-laws and make such regulations for the health, safety, morality and welfare of the inhabitants of the municipality in matters not specifically provided for by this Act, as may be deemed expedient and are not contrary to law . . . "

Under this section the County Council would have authority to pass a by-law to set up a Welfare Board provided such by-law did not authorize departures from statutory provisions. If it became essential to depart from statutory provisions, in order properly to integrate welfare services under a County Welfare Board it would be necessary to obtain special legislation. Regulations concerning grants, etc., may be varied by a Minister.

The Minister of Public Welfare has not been approached directly by members of the Peel County Council nor by members of the Children's Aid Society Board of Peel County but from conversations with officials of the Province and with those of the Association of Children's Aid Societies it would not appear likely that a special bill would be introduced in the next legislature to give Peel County Welfare legislation peculiar to itself. If integration is to be obtained it must be obtained in accordance with existing Statutes.

This integration may, it is suggested, be carried out in the following manner;

1. County Council sets up a Welfare Board as a standing committee of Council, or passes a by-law under Section 260, Chapter 243, of the Municipal Act which empowers it to pass by-laws affecting the Welfare of the County.

2. To this Board County Council appoints nine of its members and entrusts it with duties previously performed by the two committees in charge of Hospitalization of Indigents and the Peel Manor.

3. The Children's Aid Society subsequent to Step 1, holds it's annual meeting and elects a C.A.S. Board composed of 18 members, nine persons who are not members of County Council, plus the nine County Councillors who have been appointed to County Welfare Board.

This is not a departure from the past practice of electing the C.A.S. Board in Peel County except as to its number.

County Council subsequent to Step 2 appoints the nine members of the C.A.S. Board who are not County Councillors to its own County Welfare Board.

4. In this way a "Peel County Children's Aid and Welfare Board" is set up with the following powers and duties;—

(a) full statutory authority under the Child Welfare Act.

(b) power to advise County Council concerning the hospitalization of indigents.

(c) power to advise County Council concerning the care of the aged.

5. The Peel County Children's Aid & Welfare Board appoints an official to serve as Children's Aid Superintendent and County Welfare Officer and initiates the development of a joint welfare staff.

The Board would have statutory authority to appoint a Children's Aid Superintendent but his joint appointment as County Welfare Officer would have to have County Council approval.

6. County Council offers to the constituent local municipalities of Peel to take over the administration of unemployment relief.

Unemployment relief is administered under the Unemployment Relief Act, R.S.O. 1950, c 403, as amended. The provisions of that Act refer to "municipality". That expression includes a county as well as a local municipality; section 1 of the Municipal Act and section 33 of the Interpretation Act. Since The Unemployment Relief Act is administered by the Minister of Public Welfare for Ontario and the Province contributes funds for that purpose, he should be consulted before any change is made in the methods of administering unemployment relief in the local municipalities in the County of Peel.

If any or all of the constituent municipalities or the Minister of Public Welfare do not wish to hand up to the County the administration of unemployment relief, the County Children's Aid and Welfare Board can supply the services of their staff to give council and advice to persons applying for public welfare assistance and can advise the local municipalities concerning the validity of the applications and concerning the best and most economic methods of giving assistance.

7. County Council offers to the constituent municipalities of Peel to pay 100% instead of the present 50% of the cost of Post Sanatorium care, and offers the services of the Welfare Officer of the "municipality" of Peel and his staff under "The Sanatoria for Consumptives Act, R.S.O. 1950, chapter 346".

If any or all of the constituent municipalities of Peel do not wish to have the County bear 100% of the cost of Post Sanatorium care it is not essential to the scheme that it be done. The Welfare Officer can advise if requested. The only prsent link with the County under "The Sanatoria for Consumptives Act" is through the County M.O.H. who has certain powers under Part 6 to advise the Welfare Officer of the "municipality" of the need for care.

8. County Counccil opens discussion with local municipal councils and with the Minister of Public Welfare with a view to a change in regulations of various acts to allow the County to assume the whole cost of unemployment relief, post sanatorium care, care of the aged and the hospitalization of indigents and thereby simplify the present system of payments and refunds. If changes are not acceptable the Children's Aid and Welfare Board can still operate effectively under the existing system of different methods of payment and refund.

9. County Council requests the County Children's Aid and Welfare Board to assist the Probation Officer as required in giving counsel and advice on family and juvenile problems in order to prevent as far as possible delinquency and family court actions.

The costs of the Juvenile Court and the services of the Probation Officer are now borne 100% by the County and integration of this service with other welfare services requires only a complementing of the Probation Officer's work by the Board.

10. At some period subsequent to Step 3 the County Children's Aid and Welfare Board composed of 18 members must in accordance with the Child Welfare Act 1954, section 7, elect from its number an Executive Committee of not less than five nor more than nine persons. The Children's Aid Society is not required under this Act to elect a Board of 18 but if the Society does elect a Board of over nine persons the Board must appoint from its members such an executive committee. The reason why it is suggested that nine County Councillors be appointed and elected to the Board is to have each of the nine Peel municipalities represented on it. The Executive Committee would likely be composed of four or three County Councillors and three or four non-County Councillors. The exact detailing of the committee system is not here gone into but could be arranged by the Executive Committee under a Board by-law. The Child Welfare Act 1954, section 7 (2) requires that a Children's Aid Society Board of over nine members shall "delegate to the Executive Committee any

powers of the board of directors, subject to the restrictions, if any, contained in the by-law or imposed from time to time by the Board".

It is possible therefore to have a by-law of the Children's Aid Society Board setting out the powers and duties of the Executive and sub-committees and other matters which will complement the County by-law setting up a County Welfare (Advisory) Board, these boards having now been united into a County Children's Aid and Welfare Board. It is possible that the Board would wish to have committees on hospitalization and post-sanatorium care, on unemployment relief, and on the Peel Manor, the majority of whose members would be County Councillors; and also to have committees on child protection, on public relations and private charities, and on matters the majority of whose members would not be County Councillors.

Board and/or Executive Committee meetings should be held at least one day prior to the monthly meeting of County Council.

11. At meetings of County Council a report from the Welfare Board on all matters for which it has statutory authority or duties to perform would be presented in the same manner as the reports of other standing committees. This would be read, adopted or modified and payment authorized. County Council members of the Board would be entitled to Committee fees.

Supplementary appendix to the Welfare Survey indicating the relative costs in the Township of Toronto and in other Peel municipalities of welfare services as rendered in 1953 and as they would have been had all these services been integrated and their cost wholly assumed by County.

The purpose of this analysis is to discover whether the Township of Toronto, the largest municipality of Peel, would stand to gain or lose if all welfare services were integrated and the costs were born wholly by the County.

Peel Manor

The costs of this service are now borne wholly by the County. Total grant by Peel County Council to Peel Manor, $17,000. Sum paid toward this service by Township of Toronto on the basis of equalized assessment, $8,597.

In August, 1954, twenty-one of the seventy-one residents of the Peel Manor were from Toronto Township. If it can be said that the Township therefore received 21/71ths of this service, namely $5,093, and paid out $8,597 it can also be said that the Township is the loser at present in the amount of $3,504.

Unemployment Relief

Total expenditure on relief by Toronto Township, $8,741; Total expenditure on relief by other Peel municipalities, $3,131; Total, $11,872.

If all relief expenditures had been assumed by the County of Peel the Township of Toronto would have paid 50.57%, being its equalized 1953 assessment or $6,004. This would have meant a net gain to the Township of Toronto of $2,737.

Hospitalization

Total expenditure on hospitalization by County and all Peel municipalities was $32,784.

If this service had been integrated and County had assumed the total cost, the Township of Toronto would have paid its share through the county rates namely $16,579.

In 1953 the Township of Toronto paid its own share, being 50% of the cost of hospitalizing its own indigents, plus its equalized share through the County rates namely, $10,238 plus $8,287, making a total of $18,525, whereas the remainder of Peel paid its own shares, $6,158, plus its equalized shares through the county rates, $8,101, making a total of $14,259.

Had the cost of this service been wholly assumed by the County the Township of Toronto would have paid $16,579 and there would have been a net gain to the Township of Toronto of $1,946.

Post Sanatorium Care

Total expenditure by County and all Peel municipalities on this service was $4,732. The local municipalities paid care bills for their residents and were refunded 50% by the County. In 1953 the Township of Toronto had less patients than the rest of Peel. It paid its own share for its own patient residents, $478 plus its county share on all county patient residents, $1,196, making a total of $1,674. The expenditures of the other Peel Municipalities on local and county rates amounted to $3,058. If this service had been wholly assumed by the County and the Township had paid its share through the County rates it would have meant a net loss to the Township of Toronto of $719.

Probation Officer

All costs are now assumed by the County for this service, namely $4,600. It is impossible to break down the share of costs for this service. Many juveniles come from outside the County altogether.

Children's Aid

Total grant by Peel County Council to Children's Aid, $34,531. Sum paid by Township of Toronto on the basis of equalized assessment, $17,462.

In September, 1954, 81 of the 215 wards of the Children's Aid Society were from the Township of Toronto. It is on these wards that nearly all expenditure is made. If it can be said that the Township therefore received 81/215ths of the services rendered, namely $13,009, therefore received 81/215ths of the services rendered in 1953, namely $13,009, and paid $17,462, the present system of payment by the County of all Children's Aid expenses makes the Township the loser by $4,453.

Summary

It can be seen from these figures that on the services whose costs are now wholly assumed by the County, namely, Children's Aid, Probation Officer, and Peel Manor, the Township of Toronto may be thought to have paid $7,957 more than its share of the service received. If the services whose costs are now wholly or partly assumed by the local municipalities were wholly assumed by the County, namely, Hospitalization, Unemployment Relief and Post-Sanatorium Care, the Township of Toronto might have been the gainer by $3,964. The total expenditure by all authorities in Peel on Welfare was $79,637. This compares with $281,480 raised for County roads in the same year. The financial aspect of the problem of integration is negligible. This proposal for integration is designed to make a County System of welfare service work well and fairly and meet a need which is growing in complexity. The problems involved are solely problems of organization.

DECEMBER REPORT OF THE GOOD ROADS COMMITTEE

To the Warden and Council of the County of Peel.

Your Committee on Good Roads beg to report as follows:

1. We have a request from the Canadian Pacific Railway Company asking the County to instruct the snow-plow operators to be sure all crossings are clear of any snow that might be deposited on the tracks by the County plows.

We recommend that the Engineer acknowledge this letter and also co-operate with both Railway Companies.

2. We have a letter from Mr. Alex. L. Noble, of Norval, with a request that the County take over a breakwater at the mill race in Norval. This is at a Boundary Bridge.

We recommend that the Engineer consult Halton County and report at the January Session, 1955.

3. We have a letter from G. L. La Marche, Insurance Adjuster, re claim of Mr. Delbert Cryderman. Mr. Cryderman's accident did not occur on a County road. We recommend this letter be filed.

4. We recommend that the Malton Traffic Study, sent to the County by the Township of Toronto, be referred to the 1955 Council. Your committee met with Toronto Township Director of Development,

Mr. D. J. Reddington, and after some discussion, it was agreed that some gravel, as necessary, be placed near the four corners, that the lights be changed, and that further work be considered in 1955.

5. We have a request from the Township of Toronto for permission to install a sewer on the 3rd Line East from the Queen Elizabeth Way nearly to Dundas Street. The following resolution was passed by your committee:

"That this committee recommend that County Council give permission to the Township of Toronto to lay a sanitary sewer and water main on the 3rd Line E., South of Dundas Street, subject to approval of the County Engineer and that for the purpose of safeguarding this County Road the County Solicitor be requested to draw up an agreement requiring the Township to be responsible for any damage to the surface of the road, caused by or as a result of construction." We recommend approval of the above resolution.

6. We have a request from the A. V. Roe Company to have a deed signed giving them title to an encroachment on the County Road caused by a new survey on the east half of Lot 10, Concession 6 East, Toronto Township. The following resolution was passed by your committee:

"That this committee recommend that the request of the A. V. Roe Company for deed to lands on the Malton sideroad, contained in their letter of December 10th and shown on the plan prepared by the C.N.R., dated April 1st, revised December 1st, 1954, be approved and an agreement recommended to us by County Solicitor be entered into provided: (1) the County Solicitor advises the County that the Northern boundary of the County Road Allowance corresponds with the Southern boundary of lots on the Malton Townsite and provides a full 66′ right of way from the 6th Line East to the centre line of Concession VI E.H.S.; (2) The A. V. Roe Company give in return deeds to land on the Malton side road east of the 6th Line as shown on the expropriation plan filed in the Registry Office.

"And further be it resolved that if the Solicitor cannot assure the County Engineer on item 1, the County Engineer be instructed to engage a Land Surveyor to prepare a survey."

We recommend approval of the above resolution.

Adopted December 16th, 1954.

E. WALSH, J. C. SADDINGTON,
Chairman. Warden.

AUDITOR'S REPORT

February 7, 1955

Ratepayers Represented by
Warden and Council,
County of Peel,
Brampton, Ontario.

Gentlemen:

We have audited the accounts of the Corporation of the County of Peel for the year ending December 31, 1954, and submit herewith the following Report, together with statements listed on the Index:

REPORT

Capital and Loan Fund Section

General Fixed Assets—Increases in General Fixed Assets during 1954 result from capitalizing capital expenditures provided out of revenue funds..

Work in Progress—Addition to Peel County Manor, $117,527.70—During 1954 work was started on an addition to the Peel County Manor. As at December 31, 1954 expenditures to date amounted to $117,527.70.

This addition is being financed from the proceeds of a debenture issue of $170,000.00 made by the County in 1954, and contributions from the Province of Ontario Department of Public Welfare. Contributions received from the Province of Ontario Department of Public Welfare amounted to $84,684.52 up to December 31, 1954.

Due from Other Funds—Revenue Funds, $152,393.03—The proceeds received from the sale of $170,000.00 Par Value debentures and contributions received from the Province of Ontario Department of Welfare for the Peel County Manor addition were deposited in the general bank account of the County, and as at December 31, 1954 there remained $152,393.03 which had not been expended on account of construction. This amount is owing by the revenue fund to the capital and loan funds as at December 31, 1954.

Investment in Capital Assets—$387,596.76—This account was increased during 1954 by the amount of capital expenditures provided out of revenue funds, and the amount of $84,686.52 which was contributed by the Province of Ontario Department of Public Welfare towards the cost of the addition to the Peel County Manor.

Revenue Fund Section

Cash in Bank, $162,672.10—Cash on deposit in the general county bank account has been verified by direct communication with your bankers. All monies received are deposited in bank accounts in the name of the municipality, and all payments are made by cheque.

Accounts Receivable—Sundry, $3,086.21—This balance is made up as follows:

Road Accounts Receivable	$1,379.39
General County Accounts Receivable	1,706.82
Total	$3,086.21

As at February 7, 1955, $97.15 of the Road Accounts had been paid and all of the General County accounts. Of the remaining amount of Road Accounts, $726.70 represents accounts for 1952 and prior and no addresses were supplied to us to enable us to verify these balances, and it would appear that such accounts may prove to be uncollectible. Of the balance of $555.54, we have sent out verification notices.

Due from Other Municipalities, $20,424.48—This balance is made up as follows:

Road Accounts Receivable	$ 2,522.71
General County Accounts Receivable	
Invoiced	8,193.61
Estimated	1,000.00
1954 County Rate Receivable	8,708.16
Total	$20,424.48

As at February 7, 1955 the above accounts had all been paid with the exception of Road Accounts Receivable of $2,292.07; General County Accounts Receivable of $830.91, and General County Accounts Receivable estimated of $1,000.00. Verification notices have been sent out in connection with all of the unpaid balances, except for the estimated item of $1,000.00. The estimated amount of $1,000.00 is in connection with Health Services provided in 1954 which will be invoiced to the City of Toronto when the exact amount of the charge has been determined.

Due from Province of Ontario, $218,519.59—The estimated subsidy from the Province of Ontario on account of 1954 expenditures on roads is $337,083.92, of which $118,564.33 was received in 1954, leaving a balance of $218,519.59 receivable as of December 31, 1954.

Due from Peel County Health Unit, $7,000.00—This represents an advance to the Health Unit on the 1955 grant.

Due from Children's Aid Society, $2,117.14—This represents an overpayment on maintenance for 1954, which will be applied on 1955 maintenance.

Work in Progress, Village of Bolton, $10,450.00—Drains are being built at the Village of Bolton, and a portion of the cost is chargeable to others. As at December 31, 1954 the portion of the cost incurred which will be chargeable to others was as follows:

Department of Highways	$ 7,500.00
Village of Bolton	2,950.00
Total	$10,450.00

As at this date the work had not been completed, and no invoices had been rendered to either the Department of Highways or the Village of Bolton.

Work in Progress—Village of Streetsville, $40,908.10—Pavements and sidewalks are being constructed in the Village of Streetsville. The County of Peel is supplying engineering services, and is to invoice the Village of Streetsville for their share. Of the work done to December 31, 1954 the share which will be chargeable to the Village of Streetsville amounted to $40,908.10.

No interim invoices have been submitted to the Village of Streetsville in connection with the costs incurred to December 31, 1954.

Net Current Assets less Current Liabilities—Peel County Manor, $13,640.15—This represents the County of Peel's equity in the Current Assets less Current Liabilities of the Peel County Manor as at December 31, 1954. Details of the Current Assets and Current Liabilities of the Peel County Manor are shown on the Revenue Fund Balance Sheet of the Peel County Manor, which is included in this Report, and comments in connection therewith are made in a section on Peel County Manor below.

Bank Overdraft, $5,893.53—The bank overdraft of $5,893.53 was in the Road Account, and has been verified by direct communication with your bankers.

Temporary Loan, $266,000.00—The bank loan has been confirmed by direct communication with your banks. This loan has been arranged for the Good Roads System.

Accounts Payable, $27,370.43—This amount is made up as follows:

Road Accounts	$ 8,935.91
General County Accounts	18,434.52
	$27,370.43

We have examined vouchers received to date in 1955, and understand that with the exception of certain contingent liabilities as noted below in this report, the above represents all the known outstanding accounts of the municipality.

Due to Other Municipalities, $2,623.84—This represents the portion of collections received re Post-San Care due to the responsible municipalities in the amount of $710.00 and Children's Aid Ward accounts totalling $1,913.84.

Surplus—Peel County Manor, $13,640.15—On the Revenue Fund Balance Sheet of the County of Peel, we have not shown the individual Current Assets or Current Liabilities of the Peel County Manor, but have shown the net amount only. (See above.) As at December 31, 1954 the Peel County Manor had a Surplus of $13,640.15 which is equal to the Net Current Assets less Current Liabilities. (See Separate Statements and Report for the details entering into the calculation of this surplus.)

Surplus, $10,292.89—Surplus for the General County Accounts and Highway and Road Accounts as at December 31, 1954 is summarized below.

Peel County Manor—

General—The Capital Assets and Liabilities of the Peel County Manor are shown on the Capital and Loan Fund Balance Sheet of the County, and are not shown separately in this section of the Report.

The Peel County Manor is operated by a committee of Council, but the net current assets less current liabilities and the surplus account only are shown on the Revenue Fund Balance Sheet of the County. A separate Revenue Fund Balance Sheet and other supporting schedules are submitted in order to supply the necessary detail to support the net amount shown on the Revenue Fund Balance Sheet of the County.

Revenue Fund Balance Sheet

Cash on Deposit—General, $3,754.66—All monies received are deposited in the Bank Account in the name of Peel County Manor, and the balance has been verified by direct communication with your bankers. All payments are made by cheque, except petty cash disbursements made by the superintendent from an Imprest Cash Fund of $25.00 charged to expense. No adjustments have been made in the Statements for the amount in the Imprest Fund unexpended at December 31, 1954.

The total amount on deposit in the General Bank Account as at December 31, 1954 amounted to $3,954.66, but of this, $200.00 represented prepaid maintenance for one inmate, and this has been shown under the Trust Section and only $3,754.66 shown as a Current Asset.

Inventory, $9,566.25—The superintendent of the Peel County Manor has supplied inventory values for food, livestock, etc. on hand as at December 31, 1954.

Current Surplus, $13,640.15—Statement is included herewith showing the allocation as between the Home and the Farm and the change in Surplus during the current year. As at December

31, 1954 the Home had a Surplus of $2,073.37, and the Farm had a Surplus of $11,566.78, which made a total Surplus of $13,640.15.

Statement of Operating Accounts

Operating Surplus of Home for 1954, $3,365.43—Produce from the Farm operated in connection with Home has been charged to Expenditure of the Home in accordance with the regulations of the Department of Public Welfare. The prices charged appear to have been reasonable, although no attempt has been made to check them in detail.

For the year 1954 there has been included in Accounts Receivable only amounts owing by inmates for maintenance which are reasonably sure of collection. Of the Accounts Receivable totalling $1,882.15, all had been collected by date of audit except for an amount of $124.30 for gas tax refund.

All accounts known to have been incurred in 1954 have been charged to expenditure.

Operating Deficit of Farm for 1954, $3,120.01—Produce from the Farm used by the Home has been charged to the Home at prices which appear to be reasonable. (See above.)

Trust Fund Balance Sheet

General—As at December 31, 1954 no Trust Assets were being administered other than cash. Certain of the balances are in Trust Bank Accounts, while one is included in the General Account. A supplementary report is being submitted showing the details of the various estates being administered.

Cash on Deposit, $2,346.83—Cash received on account of Special Trust Accounts is deposited in the proper Trust Accounts in the name of Peel County Manor. We have verified the amounts on deposit by direct communication with your bankers.

Cash on Deposit re Prepaid Maintenance for One Inmate, $200.00—The portion of the General Bank Account which represents prepaid maintenance for one inmate as at December 31, 1954 has been shown as a Trust Asset. We have verified the amounts on deposit by direct communication with your bankers.

Estates of Inmates, $2,546.83—This represents the total assets held in trust being administered by the Peel County Manor Committee for the benefit of various inmates.

GOOD ROADS

COUNTY OF PEEL

Expenditure on the County Road System during 1954.

To the Warden and Members of the Council of the County of Peel.

Gentlemen:

I beg to submit herewith the detailed statement of money expended in accordance with the Regulations of the Department of Highways of Ontario on the Peel County Road System during the period January 1, 1954, to December 31, 1954.

The tabulated statements, declarations, etc., required by the Department of Highways in submitting the petition for the subsidy have also been prepared and submitted.

The mill rate was 5 mills. This raised $288,885.40 for County Roads and $18,400.00 for the payment of Debentures issued for the construction of Highways under By-law No. 1164. Details of Expenditures are shown on the following pages.

A start was made on paving roads—1½ miles in Chinguacousy and nearly one mile in Toronto Township, East from Derry West on Highway Number Ten. But few roads are ready for paving. They should be widened, graded and sufficient gravel base placed before any paving is done. Work was late in starting, mainly due to delay in approval of the Expenditure By-law, a very wet September and the October 15th Hurricane left many jobs unfinished and bridges to be replaced.

Respectfully submitted,

N. L. POWELL, B.A.Sc.,

Registered Professional Engineer,

County Engineer and Road Superintendent.

VILLAGE OF STREETSVILLE

Paving — Queen Street

An Agreement was signed between the County Council and the Council of the Village of Streetsville and approved by the Minister of Highways, for paving the northerly part of Queen Street in the Village, a part of County Road No. 1. (See page 179 of the 1954 County Minutes).

Tenders were called and opened July 21st at Streetsville, as follows: "The following tenders were received for Paving on the County Rd. in Streetsville:

Armstrong Bros., Brampton, Ontario	$ 79,384.00
Warren Paving Company, Toronto	83,750.50
K. J. Beamish Const., Toronto	84,910.00
Hagersville Asphalt Paving, Toronto	86,407.50
Godson Contracting, Toronto	86,977.00
Standard Paving Company, Toronto	91,551.00
Curran & Briggs Limited, Toronto	109,920.00

We recommend that the Tender of Armstrong Bros. Construction be accepted, this being the lowest tender."
The work was delayed by the installation of a water main on the East side of the Street and did not start until September. The weather all fall was very wet and resulted in the amount of excavation being greatly increased and the granular base being nearly doubled.

Payments made in 1954 were as follows:

Armstrong Bros.		$90,169.19
County Labour	$ 1,002.65	
Brampton Lumber Co., Stakes	11.00	
Advertising	6.80	
Moore Dry Kiln, Prints	10.45	
A. C. Horn "Ayrtrap"	11.28	
Mileage, Checker	$ 38.40	
Flintkote Co., Colasmix	161.00	
Culvert Stock, 210′ 8″ Pipe	242.75	$ 1,484.33
TOTAL Payments		$91,653.52
Of the above amount, Streetsville owes the County		$40,908.10
Net Expenditure to County		$50,745.42

The pavement was not finished, owing to the bad weather and late season. The tender price is $12,900.00 and there will be some additional costs. It is estimated that it will take $18,000.00 to complete the job, of which the County share will be approximately $12,000.00.

BOLTON DRAIN

An old concrete box drain on King Street East in the Village of Bolton was in bad repair. A Drainage Award was made by W. G. McGeorge, P. Eng., O.L.S. of Chatham in November, 1952, and after details of a Court of Revision, Financing, etc., tenders were finally called in August, 1954. Tenders were received for three types of drain.

The following tenders were received for the King St. Drain in the village of Bolton. The total price shown for the 5 ft. by 4 ft. concrete culvert includes $8100.00 for steel and cement.

	Culvert Concrete 5′ x 4′	Corrugated Iron Pipe 5 ft. 72″ x 44″	Concrete Pipe

MURRAY'S BRIDGE

Lot 5, Con. 3 and 4, Albion Township

This bridge was washed out by the October 15th Hurricane and the building of a new bridge was awarded to the Gaffney Construction Co. of Stratford. They had just completed a bridge over the same stream at Wildfield and this bridge was the same size and design. The Gaffney Construction Co. agreed to build this bridge at the same price as the Wildfield bridge, plus $4.00 per cu. yd. of concrete for winter work or $32.50 per cu. yd.

On completing the excavation, it was found the foundations were on sand full of water. Wood sheet piling was tried but would not drive properly because of some stones, so 10 ft. long 10 gauge interlocking Armco sheet piling was ordered. There was some delay in delivery, so the work was done in late December. So the only account from the Gaffney Construction Co. was for excavating a new channel to meet the new bridge that had been moved 100 ft. south.
